AFFIDAVIT #6 OF WARREN ZEMLAK

Sworn on August 27, 2020

I, Warren Zemlak, of Tomball, Texas, SWEAR AND SAY THAT:

1. I am the President and Chief Executive Officer of BJ Services, LLC, and am the President and a director of its subsidiary, BJ Services Holdings Canada, ULC ("**BJ Canada**"), and as such, have personal knowledge of the matters hereinafter deposed to, except where otherwise stated to be based upon information and belief, in which case I verily believe the same to be true.

2. I make this Affidavit (my "**Affidavit #6**") supplementary to my previous Affidavits in these proceedings. Capitalized terms used in my Affidavit #6 that are not otherwise defined herein shall bear the meanings given in my Affidavit #1 sworn July 22, 2020.

The Chapter 11 Proceedings Update

3. As is set out in my Affidavit #1 sworn July 22, 2020, the Chapter 11 Debtors and their other affiliates (collectively, the "**Company**") are, collectively, a leading provider of hydraulic fracturing and cementing services to upstream oil and gas companies engaged in the exploration and production ("**E&P**") of North American oil and natural gas resources (the "**Fracturing Business**" and the "**Cementing Business**", respectively).
4. The Chapter 11 Debtors have successfully completed sales processes for their Cementing Business and certain of their Fracturing Fleets, intellectual property and certain of their fracturing and cementing equipment. The sales processes resulted in the independent directors on the Board of Directors of the Company (Jeffrey Dane and Dorothy M. Ables) approving the Chapter 11 Debtors entering into the following asset purchase agreements (each of which were subject to further amendments) in relation to the five winning bids, copies of which are attached to the Notice of Winning Bidders filed with the U.S. Bankruptcy Court on August 20, 2020 and attached as Exhibit "1" to my Affidavit #4 sworn in these proceedings on August 21, 2020:
 - (a) Asset Purchase Agreement dated July 24, 2020 between BJ Canada and BJ Services, LLC as sellers and TES Asset Acquisition, LLC as purchaser (the "**Fracturing Fleet Stalking Horse APA**") for the purchase of four fracturing fleets and certain intellectual property;
 - (b) Asset Purchase Agreement dated August 6, 2020 between BJ Services, LLC as seller and American Cementing, LLC as purchaser, as amended August 19, 2020 (the "**Cementing Business Stalking Horse APA**") for the purchase of the Cementing Business of BJ Services, LLC ("**Cementing Business Transaction**");
 - (c) Asset Purchase Agreement between BJ Services, LLC as seller and Baker Hughes Oilfield Operations LLC as purchaser (the "**Baker Hughes Cementing**");

Equipment APA") for the purchase of certain equipment related to the Cementing Business;

- (d) Asset Purchase Agreement between BJ Services, LLC as seller and Baker Hughes Oilfield Operations LLC as purchaser (the "**Baker Hughes Shared Lab Equipment APA**") for the purchase of equipment and other tangible assets located in a shared lab facility at 11211 FM 2920, Tomball, Texas, 77375; and
 - (e) Asset Purchase Agreement dated August 20, 2020 between BJ Services, LLC as seller and Alamo Pressure Pumping, LLC as purchaser (the "**Alamo APA**") for the purchase of certain equipment related to the Fracturing Business.
5. On August 21, 2020, the U.S. Bankruptcy Court granted the Order Authorizing Sale of Assets, which approved the transaction contemplated by the Fracturing Stalking Horse APA, as amended (the "**Fracturing Fleet Sale Order**"). A copy of the Fracturing Fleet Sale Order is attached as Exhibit "3" to my Affidavit #4 sworn August 21, 2020.
6. On August 22, 2020, the U.S. Bankruptcy Court granted an Amended Order Authorizing Sale of Assets (the "**Amended Fracturing Fleet Sale Order**") which amended the Fracturing Fleet Sale Order by adding a new paragraph 4 which states "Notwithstanding Bankruptcy Rule 6004, this Order shall be immediately effective and enforceable upon entry and shall not be stayed." A copy of the Amended Fracturing Fleet Sale Order is attached as Exhibit "1" to my Affidavit #5 sworn August 23, 2020.
7. On August 24, 2020, Canadian recognition of the Amended Fracturing Fleet Sales Order was sought and granted pursuant to an Order granted by the Honourable Madam Justice Romaine of this Court.
8. The U.S. Bankruptcy Court has since granted two orders approving three additional sales:
- (a) the Order (I) Approving the Sale of the Cementing Business Free and Clear of Claims, Liens, Interests and Encumbrances; (II) Approving the Assumption or Assumption and Assignment of Certain Executory Contracts and Unexpired Leases; and (III) Granting Related Relief, granted by the U.S. Bankruptcy Court

pursuant to 28 U.S.C. § § 157 and 1334 on August 24, 2020 (the "**Cementing Business Sale Order**"), which, *inter alia*: (i) authorizes and approves the sale of the Cementing Business pursuant to the Cementing Business Stalking Horse APA, as amended, supplemented or modified from time to time, free and clear of all claims, liens, interests and encumbrances (other than Assumed Liabilities and Permitted Liens); (ii) authorizes the assumption or assumption and assignment of certain executory contracts and unexpired leases; and the assumption of certain liabilities; and (iii) grants related relief; and

- (b) the Order (I) Approving the Sale of Certain of the Debtors' Assets Free and Clear of Claims, Liens, Interests and Encumbrances; (II) Approving the Assumption or Assumption and Assignment of Certain Executory Contracts and Unexpired Leases; and (III) Granting Related Relief, granted by the U.S. Bankruptcy Court pursuant to 28 U.S.C. § § 157 and 1334 on August 25, 2020 (the "**Baker Hughes Cementing and Lab Equipment Sale Order**") which, *inter alia*: (i) authorizes and approves the sale of certain equipment pursuant to the Baker Hughes Shared Lab Equipment APA and the Baker Hughes Cementing Equipment APA attached thereto, as amended, supplemented or modified from time to time, free and clear of all claims, liens, interests and encumbrances (other than Assumed Liabilities and Permitted Liens); (ii) authorizes the assumption or assumption and assignment of certain executory contracts and the assumption of certain liabilities; and (iii) grants related relief; and

- 9. BJ Canada is not seeking Canadian recognition of the Cementing Business Sale Order or the Baker Hughes Cementing and Lab Equipment Sale Order, as those sale transactions do not involve Canadian assets.
- 10. In addition to the above noted-sales processes, the Chapter 11 Debtors have retained Ritchie Bros. Auctioneers (America) Inc., Hilco Valuation Services, LLC and certain of their respective affiliates as auctioneers, brokers and exclusive marketing agents (collectively "**Auctioneers**") and for related services as to the sale of certain equipment of the Chapter 11 Debtors, including four tractors located in Alberta.

11. On August 26, 2020 the U.S. Bankruptcy Court granted an Interim Order (I) Authorizing the Retention and Employment of Ritchie Bros. Auctioneers (America) Inc. and Hilco Valuation Services, LLC as Auctioneers, Brokers, and Exclusive Marketing Agents, Effective as of August 6, 2020, (II) Approving the Sale of Assets Free and Clear of All Liens, Claims, Interests, and Encumbrances, and (III) Granting Related Relief (the "**Auction Order**"). A true copy of the Auction Order is attached hereto as **Exhibit "1"**.

The Interim and Final Orders

12. The U.S. Bankruptcy Court previously granted a number of interim orders including the Second Interim Cash Collateral Order, Second Interim Cash Management Order, and Second Interim Critical Vendors and Lienholders Order which are included at Exhibits "6", "7" and "8" to my Affidavit #3 sworn August 12, 2020.
13. I am advised by legal counsel for the Chapter 11 Debtors that each of the Second Interim Cash Collateral Order, Second Interim Cash Management Order, and Second Interim Critical Vendors and Lienholders Order were recognized by this Honourable Court pursuant to the Order of Madam Justice K.M. Horner granted in these proceedings on August 14, 2020.
14. Following an application before U.S. Bankruptcy Court on August 26, 2020, the U.S. Bankruptcy Court granted the following orders:
 - (a) the Third Interim Order (I) Authorizing Debtors to Use Cash Collateral Pursuant To Section 363(c) of the Bankruptcy Code, (II) Granting Adequate Protection to the Prepetition Secured Parties, and (III) Granting Related Relief, granted by the U.S. Bankruptcy Court on August 27, 2020 (the "**Third Interim Cash Collateral Order**"). Attached hereto as **Exhibit "2"** is a true copy of the Final Cash Collateral Order;
 - (b) the Final Order Authorizing the Debtors to Continue to (I) Operate Their Cash Management System and Maintain Existing Bank Accounts, and (II) Perform Limited Intercompany Transactions, granted by the U.S. Bankruptcy Court on

August 26, 2020 (the "**Final Cash Management Order**"). Attached hereto as **Exhibit "3"** is a true copy of the Final Cash Management Order; and

- (c) the Final Order (I) Authorizing the Debtors to Pay Certain Prepetition Claims On Account of (A) Critical Vendors Claims, (B) Lien Claims, and (C) 503(b)(9) Claims, (II) Confirming Administrative Expense Priority of Outstanding Orders, and (III) Granting Related Relief, granted by the U.S. Bankruptcy Court on August 26, 2020 (the "**Final Critical Vendors and Lienholders Order**"). Attached hereto as **Exhibit "4"** is a true copy of the Final Critical Vendors and Lienholders Order.

Relief Sought

- 15. In an effort to further ensure consistency, efficiency and cooperation, BJ Canada as Foreign Representative seeks recognition by this Honourable Court of the Auction Order, the Third Interim Final Cash Collateral Order, the Final Cash Management Order, and the Final Critical Vendors and Lienholders Order.

Recognition of the Third Interim Cash Collateral Order

- 16. BJ Canada seeks an Order recognizing in Canada and enforcing the Third Interim Cash Collateral Order. The motion for the Cash Collateral Order is attached as Exhibit "14" to my Affidavit #1. The motion for the Cash Collateral Order sets out the grounds for the same, and the Third Interim Cash Collateral Order, *inter alia*: (a) authorizes the Chapter 11 Debtors to continue to use the cash collateral of the Prepetition ABL Secured Parties, CLMG Collateral of the CLMG Secured Parties and GACP Collateral of the GACP Secured Parties (as those terms are defined therein) in accordance with the terms and conditions set forth therein, (b) grants superpriority claims and automatically perfected liens, security interests and other adequate protection, as applicable, to the Prepetition ABL Secured Parties, CLMG Secured Parties and the GACP Secured Parties to the extent of any diminution in value of their interest in the Prepetition ABL Collateral, including Cash Collateral, in the CLMG Collateral, as applicable, or in the GACP Collateral, as applicable, under or in connection with the Prepetition ABL Loan Documents, the CLMG Term Loan Agreement, or the GACP Term Loan Agreement (as those terms are defined

therein), (c) subject to certain challenge rights of certain parties in interest, approves certain stipulations by the Chapter 11 Debtors with respect to the Prepetition ABL Loan Documents, CLMG Term Loan Credit Agreement, and the liens and security interests arising therefrom, (d) vacates and modifies the automatic stay imposed by section 362 of the U.S. Bankruptcy Code; (e) waives the Chapter 11 Debtors' right to assert with respect to the Prepetition ABL Collateral, the Cash Collateral or the Adequate Protection Collateral (as defined therein), any claims to surcharge pursuant to section 506(c) of the U.S. Bankruptcy Code, any "equities of the case" exception pursuant to section 552(b) of the U.S. Bankruptcy Code and the equitable doctrine of marshalling or any similar doctrine, (f) schedules pursuant to Bankruptcy Rule 4001(b) a final hearing to consider entry of the Final Order; (g) waives any applicable stay with respect to the effectiveness and enforceability of the Third Interim Cash Collateral Order and as later applicable the Final Cash Collateral Order, and (h) grants related relief.

Recognition of Final Cash Management Order

17. BJ Canada seeks an Order recognizing in Canada and enforcing the Final Cash Management Order. The motion for the Cash Management Order is attached as Exhibit "16" to my Affidavit #1. The motion for the Cash Management Order sets out the grounds for the same, and the Final Cash Management Order authorizes the Chapter 11 Debtors to, *inter alia*: (a) continue to operate their Cash Management System (as defined therein) and maintain their existing bank accounts, including honouring certain prepetition obligations related thereto; and continue to perform intercompany transactions consistent with historical practice as set out in the Cash Management Motion.

Recognition of Final Critical Vendors and Lienholders Order

18. BJ Canada seeks an Order recognizing in Canada and enforcing the Final Critical Vendors and Lienholders Order. The motion for the Critical Vendors and Lienholders Order is attached as Exhibit "18" to my Affidavit #1. The motion for the Critical Vendors and Lienholders Order sets out the grounds for the same, and the Final Critical Vendors and Lienholders Order authorizes but does not direct the Chapter 11 Debtors to *inter alia*: ((a) pay certain prepetition (i) Critical Vendor Claims, (ii) Mineral Contractor

Claims, (iii) Shipping Claims, and (iv) 503(b)(9) Claims (as each of those terms are defined therein); (b) confirms the administrative expense priority status of Outstanding Orders and authorizes but does not direct payment of such obligations in the ordinary course of business; and (c) grants related relief.

Recognition of the Ritchie Bros Order

19. BJ Canada seeks an Order recognizing in Canada and enforcing the Auction Order. The motion for the Auction Order is attached hereto as **Exhibit "5"**. The motion for the Auction Order sets out the grounds for the same, and the Auction Order *inter alia*: (i) authorizes the retention and employment of Ritchie Bros. Auctioneers (America) Inc., Hilco Valuation Services, LLC and certain affiliates as auctioneers, brokers and exclusive marketing agents and for related services as to the sale assets; (ii) authorizes the sale of the Sale Assets (as defined therein) free and clear of all liens, claims and encumbrances, and (iii) grants related relief.
20. The Auction Order sets out the U.S. Bankruptcy Court's findings of fact and conclusions of law in granting the same. I understand from a review of the Auction Order that in granting the Auction Order, the U.S. Bankruptcy Court found: (i) that the relief requested in the application for the Auction Order is in the best interests of the Chapter 11 Debtors' estates, their creditors, and other parties in interest; (ii) that the Chapter 11 Debtors' notice of the application and opportunity for a hearing on the application were appropriate and no other notice need be provided; and (iii) that the legal and factual bases set forth in the application and at the hearing of the application establish just cause for the relief granted in the Auction Order.
21. The assets to be sold pursuant to the Auction Order include certain assets of the Chapter 11 Debtors which are situated in Canada and, I am advised by legal counsel, over which this Honourable Court has jurisdiction.
22. I am advised by Anthony C. Schnur, the Chief Restructuring Officer in relation to the Chapter 11 Debtors and a Senior Managing Director with Ankura Consulting Group, LLC, restructuring advisor to the Chapter 11 Debtors ("**Ankura**"), and do verily believe

that Ankura supports the application for Canadian recognition of the Auction Order and of the sale of assets contemplated therein.

Conclusion

23. This Affidavit is sworn in support of the relief requested in the Application scheduled to be heard on September 2, 2020 and for no other or improper purpose.

- e. *Validity, Perfection, and Priority of Liens and Obligations under the CLMG Term Loan Agreement.* The Debtors acknowledge and agree that, as of the Petition Date: (i) the CLMG Secured Parties’ (as defined below) liens on the CLMG Collateral (such liens, the “Prepetition CLMG Liens”) were valid, binding, and enforceable in accordance with the terms of the CLMG Term Loan Agreement (as defined below), non-avoidable and properly perfected and were granted to, or for the benefit of, the CLMG Secured Parties for fair consideration and reasonably equivalent value; (ii) the Prepetition CLMG Liens were and remain senior in priority over any and all other liens on and security interests in the CLMG Collateral (as defined below); (iii) the prepetition obligations owed to the CLMG Secured Parties under the CLMG Term Loan Agreement, including any “Obligations” as defined in the CLMG Term Loan Agreement, of any kind or nature, whether or not evidenced by any note, agreement, or other instrument, whether or not contingent, whenever arising, accrued, accruing, due, owing, or chargeable in respect of any of the Debtors’ obligations (collectively, the “Prepetition CLMG Obligations”) constituted legal, valid, binding, and non-avoidable obligations of the Debtors, enforceable in accordance with the terms of the CLMG Term Loan Agreement; (iv) no portion of the

Prepetition CLMG Obligations or any payments made to the CLMG Secured Parties or applied to or paid on account of the obligations owing under the CLMG Term Loan Agreement prior to the Petition Date is subject to any contest, avoidance, reduction, recharacterization, subordination (whether equitable, contractual or otherwise), recovery, reduction, recoupment, disallowance, impairment, rejection, attack, effect, counterclaim, cross-claim, set-off, offset, defense or any other claim (as defined in the Bankruptcy Code) of any kind, cause of action or any other challenge of any kind or nature under the Bankruptcy Code or any other applicable law or regulation or otherwise and the Debtors do not possess, and shall not assert, any claim, counterclaim, setoff or defense of any kind, nature or description that would in any way affect the validity, enforceability and non-avoidability of any Prepetition CLMG Obligations; and (v) the Debtors waive, discharge, and release any right to challenge any of the Prepetition CLMG Obligations, the priority of the Debtors' obligations thereunder and the validity, extent, and priority of the Prepetition CLMG Liens.

- f. *Validity, Perfection, and Priority of Liens and Obligations under the GACP Term Loan Agreement.* The Debtors acknowledge and agree that, as of the Petition Date: (i) the GACP Secured Parties' (as defined below) liens on the GACP Collateral (such liens, the "Prepetition GACP Liens") were valid, binding, and enforceable in accordance with the terms of the GACP Term Loan Agreement (as defined below), non-avoidable and properly perfected and were granted to, or for the benefit of, the GACP Secured Parties for fair consideration and reasonably equivalent value; (ii) the Prepetition GACP Liens were and remain senior in priority over any and all other liens on and security interests in the GACP Collateral (as defined below); (iii) the prepetition obligations owed to the GACP Secured Parties under the GACP Term Loan Agreement, including any "Obligations" as defined in the GACP Term Loan Agreement, of any kind or nature, whether or not evidenced by any note, agreement, or other instrument, whether or not contingent, whenever arising, accrued, accruing, due, owing, or chargeable in respect of any of the Debtors' obligations (collectively, the "Prepetition GACP Obligations") constituted legal, valid, binding, and non-avoidable obligations of the Debtors, enforceable in accordance with the terms of the GACP Term Loan Agreement; (iv) no portion of the Prepetition GACP Obligations or any payments made to the GACP Secured Parties or applied to or paid on account of the obligations owing under the GACP Term Loan Agreement prior to the Petition Date is subject to any contest, avoidance, reduction, recharacterization, subordination (whether equitable, contractual or otherwise), recovery, reduction, recoupment, disallowance, impairment, rejection, attack, effect, counterclaim, cross-claim, set-off, offset, defense or any other claim (as defined in the Bankruptcy Code) of any kind, cause of action or any other challenge of any kind or nature under the Bankruptcy Code or any other applicable law or regulation or otherwise and the Debtors do not possess, and shall not assert, any claim, counterclaim, setoff or

defense of any kind, nature or description that would in any way affect the validity, enforceability and non-avoidability of any Prepetition GACP Obligations; and (v) the Debtors waive, discharge, and release any right to challenge any of the Prepetition GACP Obligations, the priority of the Debtors' obligations thereunder and the validity, extent, and priority of the Prepetition GACP Liens

5. *Cash Collateral.* For purposes of this Third Interim Order, the term "Cash Collateral" shall mean and include all "cash collateral," as defined in section 363 of the Bankruptcy Code, in or on which the Prepetition ABL Secured Parties have a lien, security interest or other interest (including, without limitation, any adequate protection liens or security interests), and shall include, without limitation, all Prepetition ABL Collateral that is cash of the Debtors' estates and all cash equivalents, whether in the form of negotiable instruments, documents of title, securities, deposit accounts, commodity accounts, securities accounts, investment accounts, or in any other form, that were on the Petition Date in any of the Debtors' possession, custody or control (or persons in privity with any of the Debtors) or which present income, proceeds, products, rents, or profits of any of the Prepetition ABL Collateral, including to the extent the Debtors obtain an interest in such funds after the Petition Date in the case of each of the foregoing, except for any Excluded Property (as defined in the Prepetition ABL Credit Agreement). The Prepetition ABL Agent has, for the benefit of the Prepetition ABL Lenders, first-priority, perfected liens in the Cash Collateral pursuant to the applicable provisions of the Prepetition ABL Loan Documents, sections 363(a) and 552(b) of the Bankruptcy Code, and this Third Interim Order.

6. *Findings Regarding the Use of Cash Collateral and Prepetition ABL Collateral.*

- a. Good cause has been shown for the entry of this Third Interim Order.
- b. The Debtors have an immediate need to use the Prepetition ABL Collateral, including Cash Collateral to, among other things, fund the ongoing orderly sale of their assets, pay their operating expenses, and preserve the value of the Debtors' estates.

- c. The terms of the use of the Prepetition ABL Collateral pursuant to this Third Interim Order are fair and reasonable, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties and constitute reasonably equivalent value and fair consideration.
- d. The terms of the use of the Prepetition ABL Collateral pursuant to this Third Interim Order have been the subject of extensive negotiations conducted in good faith and at arm's length among the Debtors, the Prepetition ABL Agent, and other Prepetition ABL Secured Parties and, pursuant to sections 105, 361, and 363 of the Bankruptcy Code, the Prepetition ABL Agent and the other Prepetition ABL Secured Parties are hereby found to be entities that have acted in "good faith" in connection with the negotiation and entry of this Third Interim Order, and each is entitled to the protection provided under section 363(m) of the Bankruptcy Code.
- e. The Debtors have requested entry of this Third Interim Order pursuant to Bankruptcy Rule 4001(b)(2) and (d) of the Complex Case Procedures. Absent granting the interim relief sought by this Third Interim Order, the Debtors' estates could be immediately and irreparably harmed. The use of the Prepetition ABL Collateral in accordance with this Third Interim Order is in the best interest of the Debtors' estates.

7. *Need for Limited Use of Cash Collateral.* The Debtors have an immediate and critical need to continue to use the Prepetition ABL Collateral (including Cash Collateral) in order to permit, among other things, the ongoing marketing and sale of their assets, to make payroll, to satisfy other working capital and operational needs and fund the Chapter 11 Cases, in each such case in accordance with the terms of this Third Interim Order, including in accordance with the Budget (as defined below). The access of the Debtors to sufficient working capital and liquidity through the use of Cash Collateral and other Prepetition ABL Collateral is necessary to preserve and maintain the value of the Debtors' estates. Without the use of Cash Collateral, the Debtors would likely not have sufficient liquidity to continue to operate their organization and effectuate an orderly wind-down of the Debtors' businesses. Entry of this Third Interim Order will preserve the assets of each Debtor's estate and its value and is in the best interests of the Debtors, their creditors, and their estates. The Adequate Protection Liens, the Adequate Protection Superpriority Claims, the ABL Adequate Protection Payments, and the ABL Adequate Protection Fees and

Expenses (each as defined herein) are consistent with and authorized by the Bankruptcy Code. Absent authorization to immediately access and use Cash Collateral, the Debtors, the estates, and their creditors would suffer immediate and irreparable harm.

8. *Consent by the Prepetition ABL Agent.* The Prepetition ABL Agent consents to the Debtors' use of Cash Collateral, in accordance with and subject to the terms and conditions contained in this Third Interim Order, which consent has been supported or unopposed by the Required Lenders (as defined in the Prepetition ABL Credit Agreement) after receipt of notice and shall be deemed sufficient under the circumstances for purposes of this Third Interim Order. All use of Cash Collateral by the Debtors shall, subject to any Non-Conforming Use (as such term is defined below) permitted hereunder, be consistent with the cash flow budget attached hereto as **Exhibit 1**, as may be amended or replaced pursuant to paragraph 16 hereof (the "Budget"); provided, however, the actual aggregate cash balance, which shall be tested on a daily basis, shall not be less than the projected amount therefore set forth in the Budget for such applicable time period by more than 15%; provided that Allowed Professional Fees, the Adequate Protection Fees and Expenses (as defined in paragraph 10 below), and payments to the U.S. Trustee shall not be subject to such test; provided further, that Allowed Professional Fees shall not exceed the projected amount therefor set forth in the Budget for such applicable time period by more than 15% (any variance not exceeding the maximum amounts set forth above, a "Permitted Variance") (provided that nothing herein shall operate as a limitation on the amount of professional fees a Professional Person may seek to be paid by the Debtors pursuant to an order of the Court, nor shall anything herein limit the Prepetition ABL Agent's rights to oppose any request for payment of professional fees in excess of the Permitted Variance). Any transfer or use of Cash Collateral by the Debtors shall be conditioned upon the Debtors' compliance with the Budget, including any Permitted

Variances or Non-Conforming Uses. The Prepetition ABL Agent may (with the consent of the Required Lenders if the proposed amount is equal to or greater than \$1 million) agree in writing to the use or receipt of the Cash Collateral of the Prepetition ABL Lenders in a manner or amount which does not conform to the manner or amount, as applicable, set forth in the Budget (including, for the avoidance of doubt, any Permitted Variances) (each such approved non-conforming use of Cash Collateral, a “Non-Conforming Use”). If such written consent is given (which consent may be given through email by the Prepetition ABL Agent or the Prepetition ABL Agent’s counsel), the Debtors shall be authorized pursuant to this Third Interim Order to use Cash Collateral for any such Non-Conforming Use without further Court approval, and the Prepetition ABL Secured Parties shall be entitled to all of the protections specified in this Third Interim Order for any such Non-Conforming Use; provided that each such permitted Non-Conforming Use shall be deemed a modification to the Budget for all testing purposes. For the avoidance of doubt and notwithstanding anything to the contrary in this Third Interim Order, the Prepetition ABL Agent does not consent to the Debtors’ use of, and the Debtors shall not be permitted to use, the Cash Collateral constituting Prepetition ABL Collateral or ABL Adequate Protection Collateral (as defined below, and subject to satisfaction of claims on account of ABL Diminution in Value, if any) for (i) payment to any other secured party in these chapter 11 cases (including the GACP Secured Parties and CLMG Secured Parties), (ii) payment of any costs attributable to the GACP Collateral or CLMG Collateral (each as defined below), including costs and expenses of preserving, or disposing of, the GACP Collateral or CLMG Collateral or incurred in connection with any sale of such GACP Collateral or CLMG Collateral, or (iii) payment of any transition services to be provided under a transition service agreement in connection with any of the Debtors’ asset sales.

9. *Entitlement of Prepetition ABL Secured Parties to Adequate Protection.* Pursuant to sections 361, 362, 363(c)(2), and 363(e) of the Bankruptcy Code, the Prepetition ABL Secured Parties are entitled to adequate protection of their interests in the Prepetition ABL Collateral, including the Cash Collateral, in an amount equal to the aggregate actual diminution in the value of the Prepetition ABL Secured Parties' interests in the Prepetition ABL Collateral (including Cash Collateral) from and after the Petition Date, if any, for any reason provided for under the Bankruptcy Code, including, without limitation, any such diminution resulting from the sale, lease, or use by the Debtors of the Prepetition ABL Collateral (including Cash Collateral, whether pursuant to the Budget or otherwise), the subordination of their liens on the Prepetition ABL Collateral and Adequate Protection Superpriority Claims (as defined herein) to the Carve Out pursuant to this Third Interim Order and the Prepetition ABL Loan Documents, or the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code ("ABL Diminution in Value").

10. *ABL Adequate Protection Claims and Liens.* The Prepetition ABL Secured Parties are hereby granted the following (collectively, the "ABL Adequate Protection Obligations"), solely to the extent of any ABL Diminution in Value; provided that the collateral set forth in this paragraph 10 shall not include assets or property (other than Prepetition ABL Collateral, including Cash Collateral) upon which, and solely to the extent that, the grant of an Adequate Protection Lien as contemplated in this Third Interim Order, would constitute a default or event of default under any of the Debtors' contracts or leases, excluding, for the avoidance of doubt, the GACP Term Loan Agreement (and such default would not be excused or rendered ineffective by operation of the Bankruptcy Code or applicable nonbankruptcy law), but shall include the proceeds thereof:

- a. *ABL Adequate Protection Liens.* Pursuant to sections 361 and 363(e) of the Bankruptcy Code, as adequate protection against any actual ABL

Diminution in Value (if any) of the Prepetition ABL Collateral, including Cash Collateral, effective as of the Petition Date and perfected without the need for execution by the Debtors or the recordation or other filing by the Prepetition ABL Agent of security agreements, control agreements, pledge agreements, mortgages or other Collateral Documents (as defined in the Prepetition ABL Credit Agreement) or financing statements or other similar documents, or the possession or control by the Prepetition ABL Agent of any Adequate Protection Collateral, the Prepetition ABL Agent is hereby granted for the ratable benefit of the Prepetition ABL Lenders, as security for the payment of the ABL Adequate Protection Obligations, subject and subordinate only to the Carve Out, the following security interests and liens (all such liens and security interests, the “ABL Adequate Protection Liens,” and all property identified in clauses (i) - (iii) below being collectively referred to as the “ABL Adequate Protection Collateral”):

- (i) First Priority ABL Adequate Protection Liens. Pursuant to sections 361(2) and 363(c)(2) of the Bankruptcy Code, binding, continuing, enforceable, fully perfected, first priority (subject to subparagraph 10(b)) senior replacement liens on and security interests in and upon (a) all Prepetition ABL Collateral, and (b) all assets and properties of the Debtors’ estates other than (i) the CLMG Collateral (as defined below), (ii) the GACP Collateral (as defined below), and (iii) those assets and properties that are subject to any other (x) valid, perfected, non-avoidable, and enforceable liens in existence on or as of the Petition Date or (y) valid and unavoidable liens in existence as of the Petition Date that are perfected after the Petition Date as permitted by section 546(b) of the Bankruptcy Code, whether now owned or hereafter acquired, including, without limitation, all personal and real property of the Debtors’ estates and all products, proceeds, rents, and profits thereof that, from and after the Petition Date, is not subject to any lien or security interest, if any, including upon entry of the Final Order, the proceeds of any claims and causes of action of the Debtors (but not on the actual claims and causes of action) arising under sections 544, 545, 547, 548, 549, and 550 of the Bankruptcy Code and any other avoidance or similar action under the Bankruptcy Code or similar state law (collectively, the “Avoidance Actions”) (the foregoing liens being collectively referred to as the “First Priority ABL Adequate Protection Liens”).
- (ii) ABL Adequate Protection Liens Junior to Certain Existing Liens. Pursuant to sections 361(2) and 363(c)(2) of the Bankruptcy Code, valid, binding, continuing, enforceable, fully-perfected non-avoidable junior priority liens on, and junior security interests in, all tangible and intangible assets, including without limitation, all prepetition and post-petition property of the Debtors’ estates, and all products and proceeds thereof, whether now existing or hereafter acquired, that is subject to (a) valid, perfected, and unavoidable liens

in existence as of the Petition Date, including, without limitation, the liens of (i) GACP Finance Co., LLC (“GACP”), as administrative agent and collateral agent under the Term Loan Credit and Guaranty Agreement, dated as of January 28, 2019, by and among BJS, GACP, and the other parties thereto (as amended, restated, amended and restated, supplemented, or otherwise modified from time to time, the “GACP Term Loan Agreement”), which encumber the “Collateral” as defined therein (the “GACP Collateral”) and (ii) CLMG Corp. (“CLMG”), as administrative agent and collateral agent under the Credit Agreement, dated as of December 31, 2019, by and among BJS, CLMG, and the other parties thereto (as amended, restated, amended and restated, supplemented, or otherwise modified from time to time, the “CLMG Term Loan Agreement”), which encumber the “Collateral” as defined therein (the “CLMG Collateral”) or (b) valid and unavoidable liens in existence as of the Petition Date that are perfected after the Petition Date as permitted by section 546(b) of the Bankruptcy Code, which valid, perfected and unavoidable liens are senior in priority to the security interests and liens in favor of the Prepetition ABL Agent (the foregoing liens being collectively referred to as the “Junior ABL Adequate Protection Liens”).

(iii) ABL Adequate Protection Liens Senior to Prepetition ABL Liens. Pursuant to sections 361(2) and 363(c)(2) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected non-voidable priming lien on, and security interest in, all tangible and intangible assets comprising the Prepetition ABL Collateral, and all products and proceeds thereof, whether now existing or hereafter acquired.

b. *Status of the ABL Adequate Protection Liens.* Subject in all respects to the Carve Out, the Adequate Protection Liens shall not be (i) subject or subordinate to (A) any lien or security interest that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code or (B) any lien or security interest arising after the Petition Date, or (ii) except as otherwise set forth in clauses (a)(i)-(iii) of this paragraph 11, subordinated to or made *pari passu* with any other lien or security interest, now or hereafter existing and whether authorized under sections 363 or 364 of the Bankruptcy Code or otherwise.

c. *Allocation of Proceeds.* Except as otherwise provided herein, all proceeds from Cementing Sale and sale of the Debtors’ fracturing assets (the “Fracturing Sale”) [Docket Nos. 452, 462] shall be reserved or distributed in accordance with the respective orders authorizing such sales or by subsequent order of the Court.

- d. *Enforceability.* Subject in all respects to the Carve Out, the ABL Adequate Protection Liens shall not be subject to sections 506(c) (upon entry of the Final Order), 510, 549, 550, or 551 of the Bankruptcy Code. The ABL Adequate Protection Liens shall be enforceable against and binding upon the Debtors, their estates and any successors thereto, including, without limitation, any trustee or other estate representative appointed in the Debtors' Chapter 11 Cases, or any case under chapter 7 of the Bankruptcy Code upon the conversion of any of the Debtors' Chapter 11 Cases, or in any other proceedings superseding or related to any of the foregoing (each, a "Successor Case").
- e. *Adequate Protection Superpriority Claims.* The ABL Adequate Protection Obligations due to the Prepetition ABL Agent shall constitute allowed superpriority administrative expense claims against the Debtors in the amount of any Diminution in Value of the Prepetition ABL Collateral, including Cash Collateral, as provided in section 507(b) of the Bankruptcy Code, with priority in payment over any and all unsecured claims and administrative expense claims against the Debtors, now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to sections 105, 326, 327, 328, 330, 331, 361, 362, 363, 364, 365, 503(a), 503(b), 506(c), 507(a), 507(b), 546(c), 546(d), 552(b), 726, 1113, 1114 and any other provision of the Bankruptcy Code, and shall at all times be senior to the rights of the Debtors and any successor trustee or creditor in these Chapter 11 Cases or any Successor Case (the "ABL Adequate Protection Superpriority Claims"), subject and subordinate only to the Carve Out (as defined herein).

11. *ABL Additional Adequate Protection.* As additional adequate protection to the Prepetition ABL Agent and the Prepetition ABL Secured Parties:

- a. *Payment of Prepetition and Postpetition Interest.* The Debtors shall pay to the Prepetition ABL Agent for the benefit of the Prepetition ABL Lenders all accrued and unpaid interest (including, for the avoidance of doubt, interest accruing and becoming due after the Petition Date) at the non-default rates and consistent with the ordinary course interest payment dates set forth in the Prepetition ABL Credit Agreement (the "ABL Adequate Protection Interest Payments").
- b. *Payment of Prepetition ABL Agent Fees and Expenses.* As additional adequate protection, the Prepetition ABL Agent shall receive from the Debtors, for the benefit of the Prepetition ABL Lenders, current cash payments of all reasonable and documented prepetition and postpetition fees and expenses payable to the Prepetition ABL Secured Parties under the Prepetition ABL Loan Documents, including, but not limited to, the reasonable and documented prepetition and postpetition fees and

disbursements of legal counsel, financial advisors, and other consultants (the “ABL Adequate Protection Fees and Expenses”). Payment of all such professional fees and expenses shall not be subject to allowance by the Court but shall be subject to the following process. At the same time such invoices are delivered to the Debtors, the professionals for the Prepetition ABL Secured Parties shall deliver a copy of their respective invoices to counsel for any official committee appointed in these cases pursuant to section 1102 of the Bankruptcy Code (a “Creditors’ Committee”) and the office of the United States Trustee (the “U.S. Trustee”). The invoices for such fees and expenses shall not be required to comply with any U.S. Trustee guidelines related to the payment of fees and expenses of retained estate professionals, may be in summary form only, and shall not be subject to application or allowance by the Court. Any objections raised by the Debtors, the U.S. Trustee, or the Creditors’ Committee with respect to such invoices within ten (10) days of receipt thereof (the “Invoice Review Period”) will be resolved by the Court (absent prior consensual resolution thereof). Pending such resolution, the undisputed portion of any such invoice shall be paid by the Debtors within three (3) days of the expiration of the Invoice Review Period. Except as otherwise ordered by the Court in the event an objection is timely filed, such fees and expenses shall not be subject to any setoff, defense, claim, counterclaim, or diminution of any type, kind, or nature whatsoever.

- c. *Paydown of Prepetition ABL Obligations.* The Debtors shall pay to the Prepetition ABL Agent for the benefit of the Prepetition ABL Lenders an aggregate principal amount of \$3.5 million (together with the ABL Adequate Protection Interest Payments, the “ABL Adequate Protection Payments”) from the sale of the inventory constituting Prepetition ABL Collateral in connection with the sale of the Debtors’ cementing business (the “Cementing Sale”) no later than one business day following the Debtors’ receipt of such proceeds; provided that such amounts will reduce the principal amount outstanding under the Prepetition ABL Obligations; provided, further, however, that any payments made pursuant to this paragraph 11(c) may be subject to disgorgement if a challenge action is brought against the Prepetition ABL Secured Parties in accordance with paragraph 31 and if any such payments are disgorged, the principal amount outstanding under the Prepetition ABL Obligations will be adjusted upward accordingly.
- d. *Other Covenants.* The Debtors shall maintain their cash management system in a manner consistent with this Third Interim Order, and any order of this Court approving the maintenance of the Debtors’ cash management system. The Debtors shall not use, sell, or lease any material assets outside the ordinary course of business, or seek authority to this Court to do any of the foregoing, without prior consultation with the Prepetition ABL Agent at least seven (7) days prior to the date on which the Debtors seek authority of this Court for such use, sale, or lease. The Debtors shall comply with the

covenants contained in section 6.07 of the Prepetition ABL Credit Agreement regarding the maintenance and insurance of the Prepetition ABL Collateral and the Adequate Protection Collateral.

12. *Entitlement of CLMG Secured Parties to Adequate Protection.* Pursuant to sections 361, 362, 363(c)(2), and 363(e) of the Bankruptcy Code, the CLMG Secured Parties are entitled to adequate protection of their interests in the CLMG Collateral, in an amount equal to the aggregate actual diminution in the value of the CLMG Secured Parties' interests in the CLMG Collateral from and after the Petition Date, if any, for any reason provided for under the Bankruptcy Code, including, without limitation, any such diminution resulting from the sale, lease, or use by the Debtors of the CLMG Collateral, or the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code. ("CLMG Diminution in Value").

13. *CLMG Adequate Protection Claims and Liens.* CLMG in its capacity as administrative agent (the "CLMG Agent"), and the lenders party thereto (the "CLMG Lenders," and together with the CLMG Agent, the "CLMG Secured Parties") are hereby granted the following (collectively, the "CLMG Adequate Protection Obligations" and together with the ABL Adequate Protection Obligations, the "Adequate Protection Obligations"), solely to the extent of any CLMG Diminution in Value; provided that the collateral set forth in this paragraph 13 shall not include assets or property (other than CLMG Collateral) upon which, and solely to the extent that, the grant of an Adequate Protection Lien as contemplated in this Third Interim Order, would constitute a default or event of default under any of the Debtors' contracts or leases (and such default would not be excused or rendered ineffective by operation of the Bankruptcy Code or applicable nonbankruptcy law), but shall include the proceeds thereof:

- a. *CLMG Adequate Protection Liens.* Pursuant to sections 361 and 363(e) of the Bankruptcy Code, as adequate protection against any actual CLMG Diminution in Value (if any) of the CLMG Collateral effective as of the Petition Date and perfected without the need for execution by the Debtors or the recordation or other filing by CLMG of security agreements, control

agreements, pledge agreements, mortgages or other Collateral Documents (as defined in the CLMG Term Loan Credit Agreement) or financing statements or other similar documents, or the possession or control by CLMG of any Adequate Protection Collateral, CLMG is hereby granted, as security for the payment of the CLMG Adequate Protection Obligations, the following security interests and liens (all such liens and security interests, the “CLMG Adequate Protection Liens”):

 - (ii) Adequate Protection Liens Senior to Prepetition CLMG Liens. Pursuant to sections 361(2) and 363(c)(2) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected non-voidable priming lien on, and security interest in, all tangible and intangible assets comprising the CLMG Collateral, and all products and proceeds thereof, whether now existing or hereafter acquired.
- b. *Status of the CLMG Adequate Protection Liens.* The CLMG Adequate Protection Liens shall be *pari passu* with the GACP Adequate Protection Liens and junior to the ABL Adequate Protections Liens in all respects and shall not otherwise be (i) subject or subordinate to (A) any lien or security interest that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code or (B) any lien or security interest arising after the Petition Date, or (ii) except as otherwise set forth in clauses (a)(i)-(ii) of this paragraph 13, subordinated to or made *pari passu* with any other lien or security interest, now or hereafter existing and

whether authorized under sections 363 or 364 of the Bankruptcy Code or otherwise.

- c. *Enforceability.* The CLMG Adequate Protection Liens shall not be subject to sections 510, 549, 550, or 551 of the Bankruptcy Code. The CLMG Adequate Protection Liens shall be enforceable against and binding upon the Debtors, their estates and any successors thereto, including, without limitation, any trustee or other estate representative appointed in the Debtors' Chapter 11 Cases or any Successor Case.

14. *Entitlement of GACP Secured Parties to Adequate Protection.* Pursuant to sections 361, 362, 363(c)(2), and 363(e) of the Bankruptcy Code, the GACP Secured Parties are entitled to adequate protection of their interests in the GACP Collateral, in an amount equal to the aggregate actual diminution in the value of the GACP Secured Parties' interests in the GACP Collateral from and after the Petition Date, if any, for any reason provided for under the Bankruptcy Code, including, without limitation, any such diminution resulting from the sale, lease, or use by the Debtors of the GACP Collateral, or the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code. ("GACP Diminution in Value").

15. *GACP Adequate Protection Claims and Liens.* GACP, in its capacity as administrative agent (the "GACP Agent"), and the lenders party thereto (the "GACP Lenders," and together with the GACP Agent, the "GACP Secured Parties," and together with the Prepetition ABL Secured Parties and CLMG Secured Parties, the "Prepetition Secured Parties") are hereby granted the following (collectively, the "GACP Adequate Protection Obligations" and together with the ABL Adequate Protection Obligations, the "Adequate Protection Obligations"), solely to the extent of any GACP Diminution in Value; provided that the collateral set forth in this paragraph 15 shall not include assets or property (other than GACP Collateral) upon which, and solely to the extent that, the grant of an Adequate Protection Lien as contemplated in this Third Interim Order, would constitute a default or event of default under any of the Debtors' contracts or leases (and

such default would not be excused or rendered ineffective by operation of the Bankruptcy Code or applicable nonbankruptcy law), but shall include the proceeds thereof:

- a. *GACP Adequate Protection Liens.* Pursuant to sections 361 and 363(e) of the Bankruptcy Code, as adequate protection against any actual GACP Diminution in Value (if any) of the GACP Collateral effective as of the Petition Date and perfected without the need for execution by the Debtors or the recordation or other filing by GACP of security agreements, control agreements, pledge agreements, mortgages or other Collateral Documents (as defined in the GACP Term Loan Credit Agreement) or financing statements or other similar documents, or the possession or control by GACP of any Adequate Protection Collateral, GACP is hereby granted, as security for the payment of the GACP Adequate Protection Obligations, the following security interests and liens (all such liens and security interests, the “GACP Adequate Protection Liens,” and together with the ABL Adequate Protection Liens and CLMG Adequate Protection Liens, the “Adequate Protection Liens”):
 - (i) GACP Adequate Protection Liens Junior to Certain Existing Liens and Junior to ABL Adequate Protection Liens. Pursuant to sections 361(2) and 363(c)(2) of the Bankruptcy Code, valid, binding, continuing, enforceable, fully-perfected non-voidable junior priority liens on, and junior security interests in, all tangible and intangible assets, including without limitation, all prepetition and postpetition property of the Debtors’ estates, and all products and proceeds thereof, whether now existing or hereafter acquired, that is subject to (a) valid, perfected, and unavoidable liens in existence as of the Petition Date, including, without limitation (i) the assets subject to the ABL Adequate Protection Liens (other than with respect the GACP Collateral) and (ii) the GACP Collateral (which such liens on the GACP Collateral shall be junior to the ABL Adequate Protection Liens) or (b) valid and unavoidable liens in existence as of the Petition Date that are perfected after the Petition Date as permitted by section 546(b) of the Bankruptcy Code, which valid, perfected and unavoidable liens are senior in priority to the security interests and liens in favor of GACP (the foregoing liens being collectively referred to as the “Junior GACP Adequate Protection Liens”).

Any such proposed Budget, upon the approval of the Prepetition ABL Agent shall become, as of the date of such approval or such determination (and the Prepetition ABL Agent shall be deemed to have approved the Budget upon the passage of five (5) days with no objection) and for the period of time covered thereby, the Budget, and shall prospectively replace any prior Budget. If the Debtors and the Prepetition ABL Agent are unable to agree on a proposed Budget's terms, the Debtors reserve the right to seek an expedited hearing with the Court to resolve such disagreement. In that event, the Prepetition ABL Agent shall not oppose the request for expedited consideration provided that any such hearing is held on not less than 48 hours' notice to the Prepetition ABL Agent. In the event of any dispute regarding the terms of a Budget, the Debtors and the Prepetition ABL Agent reserve any and all rights under the Bankruptcy Code or applicable law;

17. *Carve Out.*

- a. *Carve Out.* As used in this Third Interim Order, the “Carve Out” means the sum of (i) all fees required to be paid to the Clerk of the Court and to the Office of the United States Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the notice set forth in (iii) below); (ii) all reasonable fees and expenses up to \$75,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in (iii) below); (iii) to the extent allowed at any time, whether by interim order, procedural order, or otherwise, all unpaid fees and expenses (the “Allowed Professional Fees”) incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (the “Debtor Professionals”) and the Creditors’ Committee pursuant to section 328 or 1103 of the Bankruptcy Code (the “Committee Professionals” and, together with the Debtor Professionals, the “Professional Persons”) at any time before or on the first business day following delivery by the Prepetition ABL Agent of a Carve Out Trigger Notice (as defined below), whether allowed by the Court prior to or after delivery of a Carve Out Trigger Notice; and (iv) Allowed Professional Fees of Professional Persons in an aggregate amount not to exceed \$1 million incurred after the first business day following delivery by the Prepetition ABL Agent of the Carve Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, or

otherwise (the amounts set forth in this clause (iv) being the “Post-Carve Out Trigger Notice Cap”). For purposes of the foregoing, “Carve Out Trigger Notice” shall mean a written notice delivered by email (or other electronic means) by the Prepetition ABL Agent to the Debtors, the Debtors’ lead restructuring counsel, the U.S. Trustee, and counsel to the Creditors’ Committee, which notice may be delivered following the occurrence and during the continuation of a Termination Event (as defined below) and upon termination of the Debtors’ right to use Cash Collateral by the Prepetition ABL Secured Parties, stating that the Post-Carve Out Trigger Notice Cap has been invoked.

- b. *Fee Estimates.* Not later than 7:00 p.m. New York time on the Wednesday of each week starting with the first full calendar week following the Petition Date, each Professional Person shall deliver to the Debtors a statement setting forth a good-faith estimate of the amount of fees and expenses incurred during the preceding week by such Professional Person (through Saturday of such week, the “Calculation Date”) (collectively, “Estimated Fees and Expenses”), along with a good-faith estimate of the cumulative total amount of unreimbursed fees and expenses incurred through the applicable Calculation Date and a statement of the amount of such fees and expenses that have been paid to date by the Debtors (each such statement, a “Weekly Statement”); provided that within one business day of the occurrence of the Termination Declaration Date (as defined below), each Professional Person shall deliver one additional statement (the “Final Statement”) setting forth a good-faith estimate of the amount of fees and expenses incurred during the period commencing on the calendar day after the most recent Calculation Date for which a Weekly Statement has been delivered and concluding on the Termination Declaration Date (and the Debtors shall cause such Weekly Statement and Final Statement to be delivered on the same day received to the Prepetition ABL Agent). If any Professional Person fails to deliver a Weekly Statement within three calendar days after such Weekly Statement is due, such Professional Person’s entitlement (if any) to any funds in the Carve Out Reserves (as defined below) with respect to the aggregate unpaid amount of Allowed Professional Fees for the applicable period(s) for which such Professional Person failed to deliver a Weekly Statement covering such period shall be limited to the aggregate unpaid amount of Allowed Professional Fees included in the Budget for such period for such Professional Person.

- c. *Carve Out Reserves.*

- (i) Commencing with the week ended July 31, 2020, and on or before the Thursday of each week thereafter, the Debtors shall utilize all cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the greater of (x) (i) for the week ending July 31, 2020, the aggregate amount of all Estimated Fees and Expenses reflected in all Weekly Statements

delivered to the Debtors and the Prepetition ABL Agent between the Petition Date and the immediately prior Wednesday and (ii) for all weeks after the week ending July 31, 2020, the aggregate amount of all Estimated Fees and Expenses reflected in the Weekly Statement delivered on the immediately prior Wednesday to the Debtors and the Prepetition ABL Agent, and (y) (i) for the week ending July 31, 2020, the aggregate amount of Allowed Professional Fees contemplated to be incurred in the Budget during all prior weeks of the case and (ii) for all weeks after the week ending July 31, 2020, the aggregate amount of Allowed Professional Fees contemplated to be incurred in the Budget during such week. The Debtors shall deposit and hold such amounts in a segregated account in trust to pay such Allowed Professional Fees (the “Pre-Carve Out Trigger Notice Reserve”) prior to any and all other claims, and all payments of Allowed Professional fees incurred prior to the Termination Declaration Date shall be paid first from such Pre-Carve Out Trigger Notice Reserve Account. Upon the foregoing funding, the Prepetition ABL Agent and Prepetition ABL Secured Parties shall have no further obligation to fund the Pre-Carve Out Trigger Notice Reserve or subordinate their liens and claims on account of any Allowed Professional Fees incurred through the Calculation Date for the most recent Weekly Statement delivered in accordance with Paragraph 18(b) above.

- (ii) On the day on which a Carve Out Trigger Notice is given by the Prepetition ABL Agent to the Debtors with a copy to counsel to any Creditors’ Committee (the “Termination Declaration Date”), the Carve Out Trigger Notice shall constitute a demand to the Debtors to and the Debtors shall utilize all cash on hand as of such date and any available cash thereafter held by any Debtor to fund (A) the Pre-Carve Out Trigger Notice Reserve Account in an amount equal to the aggregate amount of all Estimated Fees and Expenses reflected in the Final Reports delivered to Debtors and the Prepetition ABL Agent plus the amounts set forth in (a)(i) and (a)(ii) of this paragraph above, and (B) after funding the Pre-Carve Out Trigger Notice Reserve Account, a reserve in an amount equal to the Post-Carve Out Trigger Notice Cap (the “Post-Carve Out Trigger Notice Reserve” and, together with the Pre-Carve Out Trigger Notice Reserve, the “Carve Out Reserves”) prior to any and all other claims. All funds in the Pre-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in clauses (i) through (iii) of the definition of Carve Out set forth above (the “Pre-Carve Out Amounts”), but not, for the avoidance of doubt, the Post-Carve Out Trigger Notice Cap, until paid in full, and then, to the extent the Pre-Carve Out Trigger Notice Reserve has not been reduced to zero, to pay the Prepetition ABL Agent for the benefit of the Prepetition ABL Secured Parties, unless the Prepetition ABL Obligations have

been indefeasibly paid in full, in cash, in which case any such excess shall be paid to the Debtors' creditors in accordance with their rights and priorities as of the Petition Date. Upon the foregoing funding, the Prepetition ABL Agent and Prepetition ABL Secured Parties shall have no further obligation to fund the Pre-Carve Out Trigger Notice Reserve or Post-Carve Out Trigger Notice Reserve or subordinate their liens and claims on account of any Allowed Professional Fees.

- d. *Application to Carve Out Reserves.* All funds in the Post-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in paragraph 17(a)(iv) of the definition of Carve Out set forth above (the "Post-Carve Out Amounts"), and then, to the extent the Post-Carve Out Trigger Notice Reserve has not been reduced to zero, to pay the Prepetition ABL Secured Parties in accordance with their rights and priorities under applicable law, unless the Prepetition ABL Obligations have been indefeasibly paid in full, in cash, in which case any such excess shall be paid to the Debtors' creditors in accordance with their rights and priorities as of the Petition Date. Notwithstanding anything to the contrary in the Prepetition ABL Loan Documents, or this Third Interim Order, if either of the Carve Out Reserves is not funded in full in the amounts set forth in paragraph 17(b), then, any excess funds in one of the Carve Out Reserves following the payment of the Pre-Carve Out Amounts and Post-Carve Out Amounts, respectively, shall be used to fund the other Carve Out Reserve, up to the applicable amount set forth in paragraph 17(a), prior to making any payments to the Prepetition ABL Agent, for the benefit of the Prepetition ABL Lenders, or any of the Debtors' creditors, as applicable. Notwithstanding anything to the contrary in the Prepetition ABL Loan Documents or this Third Interim Order, following delivery of a Carve Out Trigger Notice, the Prepetition ABL Secured Parties shall not, and shall not direct any entity to, sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve Out Reserves have been fully funded, but shall have a security interest in any residual interest in the Carve Out Reserves, with any excess paid to the Prepetition ABL Agent, for the benefit of the Prepetition ABL Lenders, for application in accordance with the Prepetition ABL Loan Documents. Further, notwithstanding anything to the contrary in this Third Interim Order, (i) disbursements by the Debtors from the Carve Out Reserves shall not constitute Loans (as defined in the Prepetition ABL Loan Documents) or increase or reduce the Prepetition ABL Obligations, (ii) the failure of the Carve Out Reserves to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve Out, and (iii) in no way shall the Budget, Carve Out, Post-Carve Out Trigger Notice Cap, Carve Out Reserves, or any of the foregoing be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors. For the avoidance of doubt and notwithstanding anything to the contrary in this Third Interim Order or in any Prepetition ABL Loan

Documents, the Carve Out shall be senior to all liens and claims securing the Prepetition ABL Collateral, the ABL Adequate Protection Liens, and the 507(b) Claim, and any and all other forms of adequate protection, liens, or claims securing the Prepetition ABL Obligations.

- e. *Payment of Allowed Professional Fees Prior to the Termination Declaration Date.* Any payment or reimbursement made prior to the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall not reduce the Carve Out.
- f. *No Direct Obligation to Pay Allowed Professional Fees.* None of the Prepetition ABL Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Chapter 11 Cases or any successor cases under any chapter of the Bankruptcy Code. Nothing in this Third Interim Order or otherwise shall be construed to obligate the Prepetition ABL Secured Parties, in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.
- g. *Payment of Carve Out On or After the Termination Declaration Date.* Any payment or reimbursement made on or after the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall permanently reduce the Carve Out on a dollar-for dollar basis.

18. *Termination.* The Debtors' right to use Cash Collateral shall terminate (the date of any such termination, the "Termination Date"), without prior order of this Court or any further action by the Prepetition ABL Secured Parties (i) at 11:59 p.m. (prevailing Eastern Time) on September 2, 2020, or (ii) five (5) business days following the delivery of a written notice (a "Default Notice") by the Prepetition ABL Agent to Kirkland & Ellis LLP (any such five (5) business-day period of time, the "Default Notice Period") of the occurrence of any of the events set forth in clauses (a) through (k) below (unless cured by the Debtors or waived by the Prepetition ABL Administrative Agent, with the consent of the Required Lenders, in writing (with email being sufficient) prior to expiration of the Default Notice Period); provided that, if a hearing to consider any appropriate relief in connection with delivery of the Default Notice or continued use of Cash Collateral (as may be held on an expedited basis) is requested to be heard within such five (5)

business day period but is scheduled for a later date by the Court, the Default Notice Period shall be automatically extended to the date of such hearing (the events set forth in clauses (a) through (k) below are collectively referred to herein as the “Termination Events”):

- a. the failure to obtain entry of a further interim order or Final Order acceptable to the Prepetition ABL Agent on or before seven (7) days after entry of this Third Interim Order (unless such period is extended by mutual agreement between the Prepetition ABL Agent and the Debtors, which extension may be document by email);

- c. the failure of the Debtors to make any payment under this Third Interim Order to the Prepetition ABL Agent within three (3) business days after such payment becomes due, other than payments required pursuant to paragraph 10(b) of this Third Interim Order, which payments shall be made as required therein;
- d. the failure of the Debtors to close on the Cementing Sale and the Fracturing Sale by 11:59 p.m. (prevailing Eastern Time) on August 28, 2020 (subject to further extension with the consent of the Prepetition ABL Agent);
- e. this Third Interim Order ceases, for any reason (other than by reason of the express written agreement by the Prepetition ABL Agent, which agreement has been supported or unopposed by the Required Lenders, or the supersession of this Third Interim Order by the Third Interim Order), to be in full force and effect in any material respect, or any Debtor so asserts in writing, or the Adequate Protection Liens or Adequate Protection Superpriority Claims created by this Third Interim Order cease in any material respect to be enforceable and of the same effect and priority purported to be created hereby or any Debtor so asserts in writing;
- f. the Court shall have entered an order reversing, amending, supplementing, staying, vacating, or otherwise modifying this Third Interim Order in a manner materially adverse to the Prepetition ABL Secured Parties without

the prior written consent of the of the Prepetition ABL Agent, which consent may be provided by electronic mail;

- g. the date an application, motion, or other pleading is filed by the Debtors for the approval of, or the date the Court shall have entered an order recognizing or granting, any superpriority claim or any lien in these Chapter 11 Cases that is *pari passu* with or senior to the ABL Adequate Protection Superpriority Claims or the ABL Adequate Protection Liens without the prior written consent of the Prepetition ABL Secured Parties (other than the Carve Out);
- h. the date any of the Debtors files any pleading or commences any action against the Prepetition ABL Secured Parties challenging the validity or enforceability of the Prepetition ABL Obligations or the Prepetition ABL Liens or seeking to avoid, disallow, subordinate, or recharacterize any claim, lien, or interest held by any of the Prepetition ABL Secured Parties arising under or related to the Prepetition ABL Obligations (or if the Debtor supports any such motion, pleading, application or adversary proceeding commenced by any third party); provided that if the Debtors provide any response to any discovery request, or make a witness available for deposition, such action shall not be a violation of this subparagraph 18(h);
- i. the date any of the Debtors file or otherwise support any motion, pleading, or other document, including a chapter 11 plan, that (i) seeks to amend, modify, or supplement this Third Interim Order, or (ii) otherwise materially, negatively affects the Prepetition ABL Secured Parties, without the prior written consent of the Prepetition ABL Agent; provided, that the consent of the Prepetition ABL Agent shall not be required if, pursuant to a chapter 11 plan, the Prepetition ABL Obligations and Adequate Protection Obligations are indefeasibly paid in full in cash on the effective date of such plan.

the Prepetition ABL Liens or the Adequate Protection Liens, except with regard to good faith disputes over the payment of expenses and fees, provided that if the Debtors provided any response to any discovery request, or make a witness available for deposition, such action shall not be a violation of this subparagraph 18(k); or

1. the Court shall have entered an order granting relief from the automatic stay (without the consent of the Prepetition ABL Lenders) to the holder or holders of any security interest to permit foreclosure (or the granting of a deed *in lieu* of foreclosure or the like) on any of the Prepetition ABL Collateral or Adequate Protection Collateral on which the Prepetition ABL Lenders have a first-priority security interest, which has an aggregate value in excess of \$50,000; provided however, that to the extent such lien can be satisfied by amounts contemplated to pay prepetition liens in the Budget, any relief granted on account of such liens shall not trigger a Termination Event.

19. *Rights and Remedies upon Termination Event.* Except as otherwise ordered by the Court, following the expiration of the Default Notice Period, notwithstanding the provisions of section 362 of the Bankruptcy Code, without any application, motion, or notice to, hearing before, or order from the Court, but subject to the terms of this Third Interim Order, any Adequate Protection Obligations determined by the Court to be due and owing as of the delivery of the Default Notice, if any, shall become due and payable and/or the Prepetition ABL Secured Parties shall be entitled to exercise their rights and remedies. Prior to exercising the remedies set forth in this sentence below, the Prepetition ABL Secured Parties shall be required to file a motion with the Court seeking emergency relief (the “Stay Relief Motion”) on no less than five (5) business days’ written notice, which notice period may be concurrent with the Default Notice Period, to (i) the Court, (ii) counsel for the Debtors, (iii) counsel for the Creditors’ Committee (if any), and (iv) the U.S. Trustee for a further order of the Court modifying the automatic stay in the Chapter 11 Cases to permit the Prepetition ABL Secured Parties to exercise their rights and remedies against the Prepetition ABL Collateral or Adequate Protection Collateral to the extent available in accordance with the applicable Prepetition ABL Loan Documents, this Third Interim Order, or

applicable law, including (x) setting-off amounts in any account of the Debtors maintained with the Prepetition ABL Agent or Prepetition ABL Lenders with respect to which the Prepetition ABL Agent controls pursuant to a deposit account control agreement to the extent necessary for payment of the Adequate Protection Obligations determined by the Court to be due and payable as of the delivery of the Default Notice and (y) foreclosing upon and selling all or a portion of the Prepetition ABL Collateral or Adequate Protection Collateral in order to collect the Adequate Protection Obligations. Upon the Court's ruling on the Stay Relief Motion, the Court may fashion an appropriate remedy upon a determination that a Termination Event occurred, including that the Prepetition ABL Agent shall be entitled to exercise all rights and remedies with respect to the Collateral provided for in this Third Interim Order, including the right to foreclose on or otherwise exercise its rights with respect to all or any portion of the Collateral, as permitted by the Court. Upon the occurrence of the delivery of a Default Notice, the Debtors, the Prepetition ABL Agent, and each Prepetition ABL Secured Party consent to a hearing on an expedited basis to consider whether (a) a Termination Event has occurred and (b) any other appropriate relief (including, without limitation, the Debtors' non-consensual use of Cash Collateral). During the Default Notice Period, the Debtors shall be entitled to continue to use the Cash Collateral in accordance with the terms of the Budget and this Third Interim Order. Notwithstanding anything to the contrary herein, upon a Termination Event, the delivery of a Default Notice, the expiration of the Default Notice Period, or the occurrence of the Termination Date, all of the rights, remedies, benefits, and protections provided to the Prepetition ABL Secured Parties under this Third Interim Order shall survive. Except as otherwise provided herein or ordered by the Court, neither section 105 of the Bankruptcy Code nor any other provision of the Bankruptcy Code or applicable law shall be

utilized to prohibit the exercise, enjoyment and enforcement of any rights, benefits, privileges and remedies of the Prepetition ABL Secured Parties set forth in this paragraph.

20. *Modification of Automatic Stay.* Except as provided in paragraph 18 herein, the automatic stay under section 362(a) of the Bankruptcy Code is hereby modified to the extent necessary to effectuate all of the terms and provisions of this Third Interim Order, including, without limitation, to: (a) permit the Debtors to grant the Adequate Protection Liens and Adequate Protection Superpriority Claims; (b) permit the Debtors to perform such acts as the Prepetition ABL Secured Parties may reasonably request to assure the perfection and priority of the liens granted herein; (c) permit the Debtors to incur all liabilities and obligations to the Prepetition ABL Secured Parties under this Third Interim Order; (d) authorize the Debtors to pay, and the Prepetition ABL Secured Parties to retain and apply, any payments made in accordance with the terms of this Third Interim Order; and (e) permit the Prepetition ABL Secured Parties, subject to the terms of this Third Interim Order, to exercise all rights and remedies provided for hereunder; provided that during the Default Notice Period, unless otherwise ordered by the Court, the automatic stay under section 362 of the Bankruptcy Code shall remain in effect.

21. *Limitation on Charging Expenses Against Collateral.* Subject only to and effective upon entry of the Final Order, except to the extent of the Carve Out, no costs or expenses of administration which have been or may be incurred in these Chapter 11 Cases or any Successor Case at any time shall be surcharged against, and no person may seek to surcharge any costs or expenses of administration against the Prepetition ABL Secured Parties, or any of the Prepetition ABL Obligations, the Carve Out, or the Prepetition ABL Collateral, pursuant to sections 105 or 506(c) of the Bankruptcy Code or otherwise, without the prior written consent of the Prepetition ABL Agent, which consent is approved or unopposed by the Required Lenders. Subject to the

Carve Out, nothing contained in this Third Interim Order shall be deemed a consent by the Prepetition ABL Agent to any charge, lien, assessment, or claim against the Prepetition ABL Collateral, or the Adequate Protection Liens, or otherwise, and no action, inaction or acquiescence by the Prepetition ABL Agent shall be deemed to be or shall be considered evidence of any alleged consent to a surcharge against the Prepetition ABL Secured Parties, the Prepetition ABL Obligations, or the Prepetition ABL Collateral. Notwithstanding the foregoing and for the avoidance of doubt, the Debtors and the Prepetition ABL Secured Parties reserve all rights to seek to surcharge costs and expenses of administration against GACP, the GACP Collateral, CLMG and the CLMG Collateral pursuant to sections 105 or 506(c) of the Bankruptcy Code or otherwise. Subject to the Committee's investigation rights under paragraph 32 of this Third Interim Order, if the Debtors recover any costs and expenses from a secured party pursuant to sections 105 and/or 506(c) of the Bankruptcy Code (such recovery, "Surcharge Proceeds"), and the outlays on account of such recovered costs and expenses were paid using the Prepetition ABL Lenders' Cash Collateral, the Surcharge Proceeds shall replenish and be deemed to replenish the Prepetition ABL Lenders' Cash Collateral in the amount equal to the recovered costs and expenses paid out of such Cash Collateral; provided, however, that any such replenishment of the Cash Collateral from the Surcharge Proceeds shall not exceed the amount required to satisfy the Diminution in Value (if any) of the Prepetition ABL Collateral.

22. *Section 552(b) of the Bankruptcy Code.* Subject only to and effective upon entry of the Final Order, the Prepetition ABL Secured Parties shall be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and no person may assert an "equities of the case" claim under section 552(b) of the Bankruptcy Code against the Prepetition ABL Secured

Parties with respect to proceeds, product, offspring, or profits of any of the Prepetition ABL Collateral in the Chapter 11 Cases or any Successor Case.

23. *Payments Free and Clear.* Subject and subordinate to the Carve Out, any and all proceeds remitted to the Prepetition ABL Agent pursuant to the terms of this Third Interim Order or any subsequent order of this Court shall be irrevocable (subject to paragraphs 31 and 32 of this Third Interim Order), received free and clear of any claim, charge, assessment, or other liability, including, without limitation, but subject to entry of the Final Order, any such claim or charge arising out of or based on, directly or indirectly, section 506(c) of the Bankruptcy Code or the “equities of the case” exception of section 552(b) of the Bankruptcy Code.

24. *All Parties’ Reservation of Rights.* All parties reserve their rights to argue that, to the extent that any cash payment of interest, fees, and expenses as adequate protection to the Prepetition ABL Secured Parties, the CLMG Secured Parties, or the GACP Secured Parties is not allowed under section 506(b) of the Bankruptcy Code and not allowed on any other basis (including, without limitation, (i) on account of the Debtors’ use of Prepetition ABL Collateral, CLMG Collateral, or GACP Collateral and (ii) that there has been ABL Diminution in Value, CLMG Diminution in Value, or GACP Diminution in Value), such payments should be recharacterized and applied as payments of principal owed under the applicable Prepetition ABL Loan Document, under the CLMG Term Loan Credit Agreement, or under the GACP Term Loan Credit Agreement, as applicable.

25. *Debtors’ Reservation of Rights.* Notwithstanding anything to the contrary in this Third Interim Order, the entry of this Third Interim Order and the grant of adequate protection to the Prepetition ABL Secured Parties and the Prepetition ABL Agent pursuant to the terms hereof shall be without prejudice to the rights of the Debtors to, following the occurrence of the

Termination Date, seek authority (at any time) to use Cash Collateral and the Prepetition ABL Collateral without the consent of the Prepetition ABL Secured Parties, and the Prepetition ABL Secured Parties reserve all of their respective rights with respect to contesting any such motion or request by the Debtors or any other person.

26. *No Marshaling.* Subject only to and effective upon entry of the Final Order, the Prepetition ABL Secured Parties shall not be subject to the equitable doctrine of “marshaling” or any other similar doctrine with respect to any of the Prepetition ABL Collateral, and proceeds of the Prepetition ABL Collateral shall be received and applied pursuant to this Third Interim Order and the Prepetition ABL Loan Documents notwithstanding any other agreement or provision to the contrary. Subject to the Carve Out, without limiting the generality of the immediately preceding sentence, no party shall be entitled, directly or indirectly, to direct the exercise of remedies or seek (whether by order of this Court or otherwise) to marshal or otherwise control the disposition of the Prepetition ABL Collateral after a Termination Event in the Chapter 11 Cases or any Successor Case.

27. *Continuation of Prepetition ABL Liens.* Subject to the rights set forth in paragraph 32, until the Prepetition ABL Secured Parties are Paid in Full, all liens and security interests of the Prepetition ABL Secured Parties (including, without limitation, the Adequate Protection Liens) shall remain valid and enforceable with the same continuing priority as described herein in the Chapter 11 Cases or any Successor Case. The term “Paid in Full” or “Payment in Full” means except as otherwise agreed to by, the Prepetition ABL Secured Parties (including through entry of an order confirming a chapter 11 plan reasonably acceptable to the Prepetition ABL Secured Parties), all of the Prepetition ABL Obligations and Adequate Protection Obligations have been indefeasibly paid in full in cash and completely satisfied (including the cash

collateralization of any letters of credit) and all Commitments (as defined in the Prepetition ABL Credit Agreement) have been terminated.

28. *Continuation of Prepetition CLMG Liens.* Until the Prepetition CLMG Obligations have been satisfied (including by payment in cash, turnover of collateral, or consent to release liens), all liens and security interests of the CLMG Secured Parties shall remain valid and enforceable with the same continuing priority as described herein.

29. *Continuation of the Prepetition GACP Liens.* Until the Prepetition GACP Obligations have been satisfied (including by payment in cash, turnover of collateral, or consent to release liens), all liens and security interests of the GACP Secured Parties shall remain valid and enforceable with the same continuing priority as described herein

30. *Perfection of ABL Adequate Protection Liens.*

- a. The Prepetition ABL Secured Parties are hereby authorized, but not required, to file or record financing statements, trademark filings, copyright filings, patent filings, mortgages, deeds of trust, notices of lien or similar instruments in any jurisdiction, or take possession of or control over cash or securities, or take any other action in order to validate and perfect the ABL Adequate Protection Liens; provided, however, that the Prepetition ABL Secured Parties may not take any aforementioned action to file or record such instruments against the CLMG Collateral or GACP Collateral. Whether or not the Prepetition ABL Secured Parties shall, each, in its sole discretion, choose to file such financing statements, trademark filings, copyright filings, patent filings, mortgages, deeds of trust, notices of lien or similar instruments, or take possession of or control over any cash, securities or any other property of the Debtors, or take any action that otherwise may be required under federal, state or local law in any jurisdiction to validate and perfect a security interest or lien, in any such case, the ABL Adequate Protection Liens shall be deemed valid, perfected, allowed, enforceable, non-avoidable and not subject to challenge, dispute or subordination (subject to the priorities set forth in this Third Interim Order), at the time and on the date of entry of this Third Interim Order or thereafter. Upon the reasonable request of any of the Prepetition ABL Secured Parties, the Prepetition ABL Secured Parties and the Debtors, without any further consent of any party, are authorized to take, execute, deliver and file such instruments (in each case, without representation or warranty of any kind) to enable the Prepetition ABL Secured Parties to

further validate, perfect, preserve and enforce the ABL Adequate Protection Liens. All such documents will be deemed to have been recorded and filed as of the Petition Date.

- b. A certified copy of this Third Interim Order (or the notice of the filing hereof) may, in the discretion of the Prepetition ABL Secured Parties, be filed with or recorded in filing or recording offices in addition to or *in lieu* of such financing statements, mortgages, deeds of trust, notices of lien or similar instruments, and all filing offices are hereby authorized to accept such certified copy of this Third Interim Order or notice for filing and/or recording, as applicable. The automatic stay of section 362(a) of the Bankruptcy Code shall be, and hereby is deemed, modified to the extent necessary to permit the Prepetition ABL Secured Parties to take all actions, as applicable, referenced in this paragraph 30(a) and 30(b).

31. *Effect of Stipulations on Third Parties.* Each of the Debtors' Stipulations and each of the Debtors' other admissions, agreements and releases contained in this Third Interim Order, including, without limitation, in paragraph 4 of this Third Interim Order, shall be binding upon the Debtors and all other parties in interest, including, without limitation, any statutory or non-statutory committees appointed or formed in these Chapter 11 Cases (including a Creditors' Committee, if any) and any other person or entity acting or seeking to act on behalf of the Debtors' estates, including any chapter 7 or chapter 11 trustee or examiner appointed or elected for any of the Debtors (a "Trustee"), in all circumstances and for all purposes unless: (a) any party in interest (including any Trustee), with requisite standing, has duly filed an adversary proceeding or contested matter, as required under the Bankruptcy Rules (subject in either case to the limitations contained herein, including without limitation, in paragraph 32), challenging the validity, enforceability, priority, or extent of the Prepetition ABL Obligations, the liens on the Prepetition ABL Collateral securing the Prepetition ABL Obligations, the Prepetition CLMG Obligations, the CLMG Collateral, or otherwise asserting or prosecuting any estate claims, counterclaims or causes of action, objections, contests or defenses (collectively, the "Claims and Defenses") against the Prepetition ABL Agent, any of the other Prepetition ABL Secured Parties, or the CLMG Secured

Parties or their respective agents, affiliates, subsidiaries, directors, officers, representatives, attorneys or advisors in connection with any matter related to the Prepetition ABL Obligations, the Prepetition ABL Collateral, the Prepetition CLMG Obligations, or the CLMG Collateral (as applicable) by no later than the date that is the earlier of (i) the date that is seventy-five (75) days after the date of entry of the Second Interim Order (i.e., October 17, 2020) (the “Challenge Deadline”), (ii) the effective date of a confirmed chapter 11 plan, or (iii) any such later date as has been ordered by the Court for cause upon a motion filed and served prior to the expiration of the deadline to commence a challenge (such time period, the “Challenge Period”), and (b) an order is entered by a court of competent jurisdiction and becomes final and non-appealable in favor of the plaintiff sustaining any such challenge or claim in any such duly filed adversary proceeding or contested matter; provided that, as to the Debtors, all such Claims and Defenses are hereby irrevocably waived and relinquished as of the Petition Date. If no such adversary proceeding or contested matter is timely filed prior to the expiration of the Challenge Period, without further order of this Court: (x) the Prepetition ABL Obligations, Prepetition CLMG Obligations, and the Prepetition GACP Obligations shall constitute allowed claims, not subject to counterclaim, setoff, subordination, recharacterization, defense or avoidance, for all purposes in the Chapter 11 Cases and any Successor Case; (y) the Prepetition ABL Agent’s liens on the Prepetition ABL Collateral, CLMG’s liens on the CLMG Collateral, and GACP’s liens on the GACP Collateral shall be deemed to have been, as of the Petition Date, and to be, legal, valid, binding, perfected and of the priority specified in paragraph 4(d), not subject to defense, counterclaim, recharacterization, subordination or avoidance in the Chapter 11 Cases or any Successor Case; and (z) the Prepetition ABL Obligations, the Prepetition ABL Agent’s liens on the Prepetition ABL Collateral, the other Prepetition ABL Secured Parties; the Prepetition CLMG Obligations, CLMG’s liens on the CLMG

Collateral, and the other CLMG Secured Parties (and their respective agents, affiliates, subsidiaries, directors, officers, representatives, attorneys, or advisors); and the Prepetition GACP Obligations, GACP's liens on the GACP Collateral, and the other GACP Secured Parties (and their respective agents, affiliates, subsidiaries, directors, officers, representatives, attorneys, or advisors), shall not be subject to any other or further challenge by any party in interest, and any such party in interest shall be enjoined from seeking to exercise the rights of the Debtors' estates, including without limitation, any successor thereto (including, without limitation, any estate representative or a Trustee, whether such Trustee is appointed or elected prior to or following the expiration of the Challenge Period). If any such adversary proceeding or contested matter is timely filed prior to the expiration of the Challenge Period, the stipulations and admissions contained in this Third Interim Order, including without limitation, in paragraph 4 of this Third Interim Order, shall nonetheless remain binding and preclusive (as provided in the second sentence of this paragraph) on any person, including any Trustee, except as to any such findings and admissions that were expressly and successfully challenged in such adversary proceeding or contested matter. Nothing in this Third Interim Order vests or confers on any person, including a Trustee, standing or authority to pursue any cause of action belonging to the Debtors or their estates. In the event that there is a timely successful challenge brought pursuant to this paragraph 31, the Court shall retain jurisdiction to fashion an appropriate remedy.

32. *Limitation on Use of Collateral.* Subject to the Carve Out, notwithstanding anything herein or in any other order by this Court to the contrary, no Cash Collateral, Prepetition ABL Collateral, proceeds, products, or offspring of any of the foregoing or any portion of the Carve Out may be used to (except to the extent otherwise expressly agreed in writing by the Prepetition ABL Agent in response to a written request from the Debtors specifying the proposed

use) pay any claims for services rendered by any of the professionals retained by the Debtors, any creditor or party in interest, any committee (including any Creditors' Committee), any Trustee, or any other person, party, or entity (or to pay any professional fees and disbursements in connection therewith) to: (a) apply to the Court for authority to approve superpriority claims or grant liens or security interests in the Prepetition ABL Collateral and Cash Collateral, or any portion thereof that are senior to, or on parity with, the Prepetition ABL Liens, unless the Prepetition ABL Obligations, and claims granted to the Prepetition ABL Secured Parties under this Third Interim Order, as applicable, have been Paid in Full or otherwise agreed to in writing by the Prepetition ABL Secured Parties; (b) prevent, hinder or otherwise delay the Prepetition ABL Secured Parties' assertion, enforcement or realization on the Prepetition ABL Collateral, including Cash Collateral, and liens, claims and rights granted to the Prepetition ABL Secured Parties under this Third Interim Order, in accordance with the Prepetition ABL Loan Documents or this Third Interim Order; (c) seek to modify any of the rights and remedies granted to the Prepetition ABL Secured Parties under this Third Interim Order or the Prepetition ABL Loan Documents; (e) pay any amount on account of any claims arising prior to the Petition Date unless such payments are provided for in the Budget and approved by an order of this Court that is in form and substance reasonably satisfactory to the Prepetition ABL Agent; (f) subject to paragraph 32, investigate, assert, join, commence, support or prosecute any action or claim, counter-claim, action, proceeding, application, motion, objection, defense, or other contested matter seeking any order, judgment, determination or similar relief against the Prepetition ABL Secured Parties or their respective officers, directors, employees, agents, attorneys, affiliates, assigns, or successors, with respect to any transaction, occurrence, omission, or action, including, without limitation, (i) any avoidance actions or other actions arising under chapter 5 of the Bankruptcy Code, (ii) any action relating to any act, omission, or aspect of

the relationship between the Prepetition ABL Secured Parties, on the one hand, and the Debtors or any of their affiliates, on the other, (iii) any action with respect to the validity and extent of the Prepetition ABL Obligations, or the validity, extent, and priority of the Prepetition ABL Liens or the Adequate Protection Liens, (iv) any action seeking to invalidate, set aside, avoid or subordinate, in whole or in part, the Prepetition ABL Liens or the Adequate Protection Liens granted under this Order, (v) except to contest the occurrence of a Termination Event as permitted in paragraph 19, any action that has the effect of preventing, hindering or delaying (whether directly or indirectly) the Prepetition ABL Secured Parties in respect of their liens and security interests in the Cash Collateral or the Prepetition ABL Collateral, (vi) pay any fees or similar amounts to any person to purchase the Prepetition ABL Secured Parties' interests in any of the Debtors' assets without the prior written consent of the Prepetition ABL Secured Parties, unless such person consummates or otherwise closes the purchase of the Prepetition ABL Secured Parties' interests in any of the Debtors' assets, or (vii) use or seek to use Cash Collateral unless otherwise permitted hereby, without the prior written consent of the Prepetition ABL Secured Parties; or (g) for objecting to, contesting, delaying, preventing, hindering or otherwise interfering in any way with the exercise of rights or remedies by the Prepetition ABL Secured Parties with respect to any Prepetition ABL Collateral, including Cash Collateral, after the occurrence of an Termination Event, except as otherwise permitted hereby; provided that, notwithstanding anything to the contrary in this paragraph, the Creditors' Committee may use Cash Collateral, including the Prepetition ABL Collateral, solely to investigate, but not to prepare, initiate, litigate, prosecute, object to, or otherwise challenge (i) the claims and liens of the Prepetition Secured Parties and (ii) potential claims, counterclaims, causes of action, or defenses, including the Claims and Defenses, against the Prepetition Secured Parties; provided further that no more than an aggregate

of \$75,000 of the Cash Collateral constituting Prepetition ABL Collateral, and the proceeds thereof, may be used by the Creditors' Committee with respect to the investigation of the Prepetition ABL Liens as set forth in the preceding proviso (the "Investigation Budget").

33. *Release.* The release, discharge, waivers, settlements, compromises, and agreements set forth in this paragraph shall be deemed effective upon entry of this Third Interim Order and subject only to the challenge rights set forth in paragraph 31 above. The Debtors forever and irrevocably: (a) release, discharge, and acquit the Prepetition ABL Secured Parties and their affiliates and each of their and their affiliates' respective former, current or future officers, employees, directors, agents, representatives, owners, members, partners, financial advisors, legal advisors, shareholders, managers, consultants, accountants, attorneys, and predecessors in interest (each, a "Prepetition Releasee") of and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness, and obligations, of every type arising prior to the Petition Date, including, without limitation, any claims arising from any actions relating to any aspect of the relationship between the Prepetition ABL Secured Parties and the Debtors and their affiliates including any equitable subordination claims or defenses, with respect to or relating to the Prepetition ABL Obligations, the Prepetition ABL Liens, the Prepetition ABL Loan Documents, the Debtors' attempts to restructure the Prepetition ABL Obligations, any and all claims and causes of action arising under title 11 of the United States Code or any other applicable law, and any and all claims regarding the validity, priority, perfection or avoidability of the liens or secured claims of the Prepetition ABL Secured Parties, in respect of events that occurred on or prior to the date hereof; and (b) waive any and all defenses (including, without limitation, offsets and counterclaims of any nature or kind) as to the validity, perfection, priority, enforceability and non-avoidability of the Prepetition ABL Obligations, the Prepetition ABL

Liens. Nothing in this Third Interim Order shall release any claims against a Prepetition Releasee that a court of competent jurisdiction determines, pursuant to a final, non-appealable order, results primarily from the actual fraud, gross negligence, or willful misconduct of such Prepetition Releasee.

34. *Prohibition on Granting of Additional Liens and Interests, Use of Prepetition ABL Collateral.* No liens, claims, interests or priority status, other than the Carve Out and the Permitted Encumbrances, having a lien or administrative priority superior to or *pari passu* with that of the Adequate Protection Superpriority Claim, the Prepetition ABL Liens, or the Adequate Protection Liens shall be granted while any portion of the Prepetition ABL Obligations remain outstanding, or any commitment under the Prepetition ABL Loan Documents remains in effect, without the prior written consent of the Prepetition ABL Secured Parties. Nothing in this Third Interim Order shall authorize, other than in the ordinary course of the Debtors' business, the sale, transfer, lease, encumbrance, or other disposition of any assets that constitute Prepetition ABL Collateral, CLMG Collateral, or GACP Collateral of the Debtors or their estates without the prior written consent of the Prepetition ABL Secured Parties, CLMG Secured Parties, or GACP Secured Parties, as applicable (and no such consent or direction shall be implied from any other action, inaction, or acquiescence by any Prepetition ABL Secured Party or any order of this Court), except as permitted in the Prepetition ABL Loan Documents, the CLMG Term Loan Agreement, the GACP Term Loan Agreement, and this Third Interim Order, and approved by the Court to the extent required under applicable bankruptcy law; provided that a Termination Event shall not be deemed to occur if the Debtors seek approval of debtor in possession financing, including, without limitation, debtor in possession financing which primes existing liens, to the extent (i) such debtor in possession financing provides for Payment in Full of the Prepetition ABL Obligations, and

Adequate Protection Obligations or (ii) the Prepetition ABL Agent provides prior written consent, which consent is approved or unopposed by the Required Lenders, for financing that does not provide for Payment in Full of the Prepetition ABL Obligations and Adequate Protection Obligations.

35. *No Impairment of CLMG Collateral.* Unless otherwise provided in this Third Interim Order, nothing shall authorize the Debtors, the Prepetition ABL Lenders, or any other party in interest to take any action to impair, interfere with, or otherwise adversely impact, (i) the liens and security interests granted to the CLMG Secured Parties or (ii) the CLMG Collateral.

36. *No Impairment of GACP Collateral.* Unless otherwise provided in this Third Interim Order, nothing shall authorize the Debtors, the Prepetition ABL Lenders, or any other party in interest to take any action to impair, interfere with, or otherwise adversely impact, (i) the liens and security interests granted to the GACP Secured Parties or (ii) the GACP Collateral.

37. *Binding Effect of Third Interim Order.* Subject to paragraph 31, immediately upon entry by this Court (notwithstanding any applicable law or rule to the contrary), regardless of whether specifically articulated in each term and provision of this Third Interim Order, the terms and provisions of this Third Interim Order, including all findings herein, shall be binding upon all parties in interest in these Chapter 11 Cases, including, without limitation, the Debtors, the Prepetition ABL Secured Parties, all other creditors of the Debtors, any Creditors' Committee, and each of their respective successors and assigns (including, without limitation, any trustee, examiner with expanded powers, responsible officer, estate administrator or representative, or similar person appointed in a case for any Debtor under any chapter of the Bankruptcy Code) and shall inure to the benefit of the Debtors, the GACP Secured Parties, CLMG Secured Parties, the Prepetition ABL Secured Parties, and their respective successors and assigns.

38. *Survival.* The provisions of this Third Interim Order and any actions taken pursuant hereto shall survive entry of any order (a) confirming any chapter 11 plan in any of these Chapter 11 Cases; (b) converting any of these cases to a case under chapter 7 of the Bankruptcy Code; (c) dismissing any of these cases or any Successor Case; or (d) pursuant to which this Court abstains from hearing any of the cases or any Successor Case. Notwithstanding the entry of any such order, the terms and provisions of this Third Interim Order, including the claims, liens, security interests and other protections granted to the Prepetition ABL Secured Parties pursuant to this Third Interim Order, shall continue in these cases, in any Successor Case, or following dismissal of these cases or any Successor Case, and shall maintain their priority as provided by this Third Interim Order and not be modified, altered or impaired in any way, whether by act or omission, until all of the Prepetition ABL Obligations and Adequate Protection Obligations have been Paid in Full, notwithstanding the occurrence of a Termination Event or any earlier termination of the Debtors' authorization to use the Prepetition ABL Collateral, including Cash Collateral.

39. *Limitation of Liability.* Subject to entry of the Third Interim Order, and solely in the Prepetition ABL Secured Parties' capacity as a lender under the Prepetition ABL Loan Documents, in determining to permit the use of Cash Collateral, making and administering the loans and financial accommodations extended under the Prepetition ABL Loan Documents, extending other financial accommodations to the Debtors under this Third Interim Order and the Prepetition ABL Loan Documents, or in exercising any rights or remedies as and when permitted pursuant to this Third Interim Order or the Prepetition ABL Loan Documents, as applicable, the Prepetition ABL Secured Parties (in their capacity as such) or any successor of any of the foregoing shall not (a) be deemed to be in "control" of the operations of the Debtors or any of their affiliates; (b) owe any fiduciary duty to the Debtors, their respective creditors, shareholders or estates; and

(c) be deemed to be acting as a “Responsible Person” or “Owner” or “Operator” with respect to the operation or management of the Debtors or any of their affiliates (as such terms or similar terms are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 29 U.S.C. §§ 9601, *et seq.*, as amended, or any similar federal or state statute). Furthermore, nothing in this Third Interim Order or the Prepetition ABL Loan Documents or any other documents related thereto shall in any way be construed or interpreted to impose or allow the imposition upon the Prepetition ABL Secured Parties, or any successor of any of the foregoing, of any liability for any claims arising from the prepetition or postpetition activities of the Debtors or any of their subsidiaries affiliates in the operation of their businesses or in connection with their restructuring efforts.

40. *No Waiver.* Other than as provided in this Third Interim Order, nothing in this Third Interim Order shall be construed in any way as a waiver or relinquishment of any rights that the Debtors or the Prepetition ABL Secured Parties may have to bring or be heard on any matter brought before this Court.

41. *Effectiveness.* This Third Interim Order shall constitute findings of fact and conclusions of law and shall take effect and be fully enforceable, *nunc pro tunc* to the Petition Date, immediately upon entry hereof. Notwithstanding any Bankruptcy Rule, any Bankruptcy Local Rule, any Federal Rule of Civil Procedure, or other applicable law, this Third Interim Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Third Interim Order.

42. *Proofs of Claim.* Neither the Prepetition ABL Agent, the Prepetition ABL Lenders, the CLMG Secured Parties, nor the GACP Secured Parties, shall be required to file proofs of claim in any of the Debtors’ Chapter 11 Cases or a Successor Case for any claim allowed herein. The

Debtors' Stipulations shall be deemed to constitute a timely filed proof of claim for the Prepetition ABL Agent and the Prepetition ABL Lenders, the CLMG Secured Parties, the GACP Secured Parties upon approval of this Third Interim Order, and the Prepetition ABL Agent, the Prepetition ABL Lenders, the CLMG Secured Parties, and the GACP Secured Parties shall be treated under section 502(a) of the Bankruptcy Code as if they filed a proof of claim. Notwithstanding any order entered by the Court in relation to the establishment of a bar date in any of the Debtors' Chapter 11 Cases or a Successor Case to the contrary, the Prepetition ABL Agent, the Prepetition ABL Lenders, the CLMG Secured Parties, and the GACP Secured Parties are hereby authorized and entitled, in their sole discretion, but not required, to file (and amend and/or supplement, as they see fit) a proof of claim and/or aggregate proofs of claim in each of these Chapter 11 Cases or a Successor Case for any claim allowed herein.

43. *No Third Party Rights.* Except as explicitly provided for herein, this Third Interim Order does not create any rights for the benefit of any party, creditor, equity holder, other entity or any direct, indirect or incidental beneficiary other than (a) the Prepetition ABL Secured Parties and their respective Representatives, (b) the Debtors, (c) the CLMG Secured Parties and their Representatives, (d) the GACP Secured Parties and their Representatives, and (e) the respective successors and assigns of each of the foregoing.

44. *Headings.* Section headings used herein are for convenience only and are not to affect the construction of or to be taken into consideration in interpreting this Third Interim Order.

45. *Rights Reserved.* Notwithstanding anything herein to the contrary, the entry of this Third Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly (a) the Prepetition ABL Secured Parties' rights to pursue any and all rights and remedies under the Bankruptcy Code, the Prepetition ABL Loan Documents or any other applicable

agreement or law, or seek any other or supplemental relief in respect of the Debtors, including the right to seek new, different or additional adequate protection, as applicable, or the Debtors' or any other party in interest's rights to oppose such relief, or (b) any of the rights and remedies of the Debtors, the Prepetition ABL Secured Parties, or any other party in interest under the Prepetition ABL Loan Documents or other applicable agreement, the Bankruptcy Code or applicable nonbankruptcy law.

46. *CLMG Rights Reserved.* Notwithstanding anything herein to the contrary, the entry of this Third Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly (a) the CLMG Secured Parties' rights to pursue any and all rights and remedies under the Bankruptcy Code, the CLMG Term Loan Agreement or any other applicable agreement or law, or seek any other or supplemental relief in respect of the Debtors, including the right to seek new, different or additional adequate protection, as applicable, or the Debtors' or any other party in interest's rights to oppose such relief, or (b) any of the rights and remedies of the Debtors, the CLMG Secured Parties, or any other party in interest under the CLMG Term Loan Agreement or other applicable agreement, the Bankruptcy Code or applicable nonbankruptcy law.

47. *GACP Rights Reserved.* Notwithstanding anything herein to the contrary, the entry of this Third Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly (a) the GACP Secured Parties' rights to pursue any and all rights and remedies under the Bankruptcy Code, the GACP Term Loan Agreement or any other applicable agreement or law, or seek any other or supplemental relief in respect of the Debtors, including the right to seek new, different or additional adequate protection, as applicable, or the Debtors' or any other party in interest's rights to oppose such relief, or (b) any of the rights and remedies of the Debtors, the GACP Secured Parties, or any other party in interest under the GACP Term Loan Agreement or

other applicable agreement, the Bankruptcy Code or applicable nonbankruptcy law. Furthermore, notwithstanding anything herein to the contrary, nothing contained in this Third Interim Order shall constitute nor be construed as the GACP Secured Parties' consent to, nor this Court's approval of, any surcharge of the GACP Collateral or the Debtors' sale of any of the GACP Collateral or the Debtors' use of the proceeds thereof.

48. *Creditors' Committee Rights Reserved.* Notwithstanding anything herein to the contrary, the entry of this Third Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly (a) the Creditors' Committee's rights to pursue any and all rights and remedies under the Bankruptcy Code or any other applicable law, or seek any other or supplemental relief in respect of the Debtors, as applicable, or the Debtors' or any other party in interest's rights to oppose such relief, or (b) any of the rights and remedies of the Debtors, the Creditors' Committee, or any other party in interest under the Bankruptcy Code or applicable nonbankruptcy law.

**FINAL ORDER AUTHORIZING THE DEBTORS TO
CONTINUE TO (I) OPERATE THEIR CASH MANAGEMENT
SYSTEM AND MAINTAIN EXISTING BANK ACCOUNTS
AND (II) PERFORM LIMITED INTERCOMPANY TRANSACTIONS**

Upon the motion (the “Motion”)² of the above-captioned debtors and debtors in possession (collectively, the “Debtors”) for entry of a final order (this “Final Order”) authorizing the Debtors to: (a) continue to operate their Cash Management System and maintain their existing bank accounts, including honoring certain prepetition obligations related thereto, and (b) continue to perform intercompany transactions consistent with historical practice, all as more fully set forth in the Motion; and upon the First Day Declaration; and this Court having jurisdiction over this matter pursuant to 28 U.S.C. § 1334; and this Court having found this is a core proceeding pursuant to 28 U.S.C. § 157(b)(2); and this Court having found that venue of this proceeding and the Motion in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the relief requested in the Motion is in the best interests of the Debtors’ estates, their creditors, and other parties in interest; and this Court having found that the Debtors’ notice of the Motion and

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: BJ Services, LLC (3543); BJ Management Services, L.P. (8396); BJ Services Holdings Canada, ULC (6181); and BJ Services Management Holdings Corporation (0481). The Debtors’ service address is: 11211 Farm to Market 2920 Road, Tomball, Texas 77375.

opportunity for a hearing on the Motion were appropriate under the circumstances and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the “Hearing”); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED ON A FINAL BASIS THAT:

1. The Debtors are authorized to: (a) continue operating the Cash Management System, as described in the Motion and substantially in the form attached hereto as **Exhibit A**; (b) honor their prepetition obligations related thereto, including the Bank Fees; (c) continue to perform Intercompany Transactions to the limited extent set forth herein; (d) maintain existing Business Forms; and (e) maintain the Investment Practices consistent with historical practice.

2. The Debtors are authorized, but not directed, to: (a) continue to use, with the same account numbers, the Bank Accounts in existence as of the Petition Date, including those accounts identified on **Exhibit B** attached hereto; (b) use, in their present form, all preprinted correspondence and Business Forms (including letterhead); *provided* that once the Debtors’ existing check stock has been exhausted, the Debtors shall include, or direct others to include, the designation “Debtor-in-Possession” and the corresponding bankruptcy case number on all checks as soon as it is reasonably practicable to do so; *provided, further*, that with respect to any Business Forms that exist or are generated electronically, the Debtors shall ensure that such electronic Business Forms are clearly labeled “Debtor In Possession” within 10 business days; (c) treat the Bank Accounts for all purposes as accounts of the Debtors as debtors in possession; (d) deposit funds in and withdraw funds from the Bank Accounts by all usual means, including checks, wire

transfers, and other debits; (e) pay the Bank Fees, including any prepetition amounts, and any ordinary course Bank Fees incurred in connection with the Bank Accounts; and (f) to otherwise perform their obligations under the documents governing the Bank Accounts.

3. To the extent any of the Debtors' Bank Accounts are not in compliance with section 345(b) of the Bankruptcy Code or any of the U.S. Trustee's requirements or guidelines, the Debtors shall have until September 17, 2020, without prejudice to seeking an additional extension, to come into compliance with section 345(b) of the Bankruptcy Code and any of the U.S. Trustee's requirements or guidelines; *provided* that nothing herein shall prevent the Debtors or the U.S. Trustee from seeking further relief from the Court to the extent that an agreement cannot be reached. The Debtors may obtain a further extension of the 45-day period referenced above by written stipulation with the U.S. Trustee and filing such stipulation on the Court's docket without the need for further Court order.

4. Except as set forth herein, the Cash Management Banks are authorized to continue to maintain, service, and administer the Bank Accounts as accounts of the Debtors as debtors in possession, without interruption and in the ordinary course, and to receive, process, honor, and pay, to the extent of available funds, any and all checks, drafts, wires, credit card payments, and ACH transfers issued and drawn on the Bank Accounts after the Petition Date by the holders or makers thereof, as the case may be. The Debtors and the Cash Management Banks may, without further order of this Court, agree to and implement changes to the Cash Management System and procedures related thereto in the ordinary course of business, including the closing of Bank Accounts, the opening of new bank accounts, and entering into any ancillary agreements, related to the foregoing, to the extent such actions are reasonably acceptable to the administrative agent under the Debtors' asset-based revolving credit facility; *provided* the Debtors provide reasonable

advance notice to the U.S. Trustee and any statutory committee appointed in these chapter 11 cases of any material changes to the Cash Management System and procedures; *provided, however*, that (a) by submitting any payment request to the Cash Management Banks, the Debtors shall ensure that such payment request is consistent with this Order and other orders of the Court and, (b) as needed and to the extent reasonably possible, the Debtors and Cash Management Banks will cooperate to ensure that all payments honored by the Cash Management Banks are consistent with the Debtors' direction.

5. The relief granted in this Final Order is extended to any new bank account opened by the Debtors after the date hereof, which account shall be deemed a Bank Account, and to the bank at which such account is opened, which bank shall be deemed a Cash Management Bank; provided that any such new account is with one of the Debtors' existing Cash Management Banks or with a bank that is: (a) insured by the FDIC or the Federal Savings and Loan Insurance Corporation; (b) designated as an authorized depository pursuant to the U.S. Trustee's Operating Guidelines; (c) designated a "Debtor in Possession" account by the relevant bank; and (d) with a bank that agrees to be bound by the terms of this Final Order.

6. Each of the Cash Management Banks is authorized to debit the Debtors' Bank Accounts in the ordinary course of business without the need for further order of this Court for: (a) all checks drawn on the Debtors' Bank Accounts that are cashed at such Cash Management Bank's counters or exchanged for cashier's checks by the payees thereof prior to the Petition Date; (b) all checks or other items deposited in one of the Bank Accounts with such Cash Management Bank prior to the Petition Date that have been dishonored or returned unpaid for any reason, together with any fees and costs in connection therewith, to the same extent the Debtors were responsible for such items prior to the Petition Date; and (c) all undisputed prepetition amounts

outstanding as of the date hereof, if any, owed to any Cash Management Bank as service charges for the maintenance of the Cash Management System.

7. Those certain deposit agreements existing between the Debtors and the Cash Management Banks shall continue to govern the postpetition cash management relationship between the Debtors and the Cash Management Banks and all of the provisions of such agreements, including the termination, fee provisions, rights, benefits, offset rights and remedies afforded under such agreements shall remain in full force and effect absent further order of the Court or, with respect to any such agreement with any Cash Management Bank (including, for the avoidance of doubt, any rights of a Cash Management Bank to use funds from the Bank Accounts to remedy any overdraft of another Bank Account to the extent permitted under the applicable deposit agreement and that the Bank Accounts are held by the same Debtors), unless the Debtors and such Cash Management Bank agree otherwise, and any other legal rights and remedies afforded to the Cash Management Banks under applicable law shall be preserved, subject to applicable bankruptcy law.

8. The Debtors are authorized to promptly place stop payments on any unauthorized prepetition checks or ACH payments that should not be honored by a Cash Management Bank. Any Cash Management Bank that is provided with notice of this Final Order shall not honor or pay any bank payments drawn on any listed Bank Account or otherwise issued before the Petition Date for which the Debtors specifically issue a stop payment order in accordance with the documents governing such Bank Accounts.

9. Subject to the terms set forth herein, any bank, including a Cash Management Bank, may rely upon the representations of the Debtors with respect to whether any check, draft, wire, or other transfer drawn or issued by the Debtors prior to the Petition Date should be honored

pursuant to any order of this Court, and no bank that honors a prepetition check or other item drawn on any account that is the subject of this Final Order at the direction of the Debtors or in a good-faith belief that this Court has authorized such prepetition check or item to be honored shall be deemed to be, nor shall be liable to the Debtors or their estates on account of such prepetition check or other item being honored postpetition, or otherwise deemed to be in violation of this Final Order.

10. Notwithstanding anything to the contrary in any other order of this Court, any banks, including the Cash Management Banks, are: (a) authorized to honor the Debtors' directions with respect to the opening and closing of any Bank Account and accept and hold, or invest, the Debtors' funds in accordance with the Debtors' instructions; (b) authorized to accept and honor all representations from the Debtors as to which checks, drafts, wires, or ACH transfers should be honored or dishonored, consistent with any order of this Court and governing law, whether such checks, drafts, wires, or ACH transfers are dated prior to, on, or subsequent to the Petition Date; and (c) have no duty to independently inquire as to whether such payments are authorized by an order of this Court; *provided* that the Cash Management Banks shall not have any liability to any party for relying on such representations.

11. The Debtors are authorized to coordinate with the Cash Management Banks to implement reasonable handling procedures designed to effectuate the terms of this Final Order. No Cash Management Bank that implements such handling procedures and then honors a prepetition check or other item drawn on any Bank Account that is the subject of this Final Order either in good faith belief that the Court has authorized such prepetition check or item to be honored or as a result of an innocent mistake made despite implementation of such handling

procedures, shall be deemed to be liable to the Debtors or their estates otherwise in violation of this Final Order.

12. The Debtors are authorized to continue Intercompany Transactions with any other Debtor for the limited purpose of honoring payroll and payroll-related expenses and making any other payments that are contemplated by any order of this Court solely to the extent that: (a) such Intercompany Transaction is the only reasonable commercial way for the Debtors to timely satisfy such obligation; (b) such Intercompany Transaction is an ordinary course transaction; and (c) the Intercompany Transaction does not result in a postpetition intercompany claim for which there are not presently adequate funds to pay the postpetition intercompany claim. The Debtors shall keep a record of all Intercompany Transactions and make such record available upon reasonable request of the Court, the administrative agent under the Debtors' asset-based revolving credit facility, the U.S. Trustee, and any statutory committee appointed in these chapter 11 cases. All rights of all parties related to the Intercompany Transactions are reserved. This Order does not authorize the postpetition payment or satisfaction of a prepetition intercompany claim.

13. Nothing contained in the Motion or this Final Order shall be construed to alter or impair any security interest or perfection thereof, in favor of any person or entity that existed as of the Petition Date or that arises after the Petition Date.

14. Notwithstanding anything else contained herein, (a) any relief granted herein, including any payment to be made or authorization contained hereunder, shall be subject in all respects to the terms and conditions of, including all requirements imposed upon the Debtors under, any interim or final order of the Court in these chapter 11 cases authorizing the use of cash collateral (as may be modified, amended, or supplemented, the "Cash Collateral Orders") (including, without limitation, the budget required in connection therewith) and the Prepetition

ABL Loan Documents (as defined in the Cash Collateral Orders) approved therein and (b) to the extent there is any inconsistency between the terms and conditions of such Cash Collateral Orders or Prepetition ABL Loan Documents and any action taken or proposed to be taken hereunder, the terms and conditions of such Cash Collateral Orders shall govern.

15. Notwithstanding the relief granted in this Final Order and any actions taken pursuant to such relief, nothing in this Final Order shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion or any order granting the relief requested by the Motion or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors', or any other party in interest's, rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in the Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens.

16. The banks and financial institutions on which checks were drawn or electronic payment requests made in payment of the prepetition obligations approved herein are authorized and directed to receive, process, honor, and pay all such checks and electronic payment requests

when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved in this Final Order.

17. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or funds transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to any prepetition amounts that are authorized to be paid on account of the prepetition obligations pursuant to this Final Order.

18. The contents of the Motion satisfy the requirements of Bankruptcy Rule 6003(b).

19. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of the Bankruptcy Rules and the Bankruptcy Local Rules are satisfied by such notice.

20. Notwithstanding any Bankruptcy Rule to the contrary, the terms and conditions of this Final Order are immediately effective and enforceable upon its entry.

21. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Final Order in accordance with the Motion.

22. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Final Order.

found that the relief requested in the Motion is in the best interests of the Debtors' estates, their creditors, and other parties in interest; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate under the circumstances and no other notice need be provided; and this Court having reviewed the Motion and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED ON A FINAL BASIS THAT:

1. The Debtors are authorized, but not directed, to honor, pay, or otherwise satisfy prepetition amounts on account of the Specified Trade Claims, in the estimated amounts and categories as described in the Motion, subject to the terms of the Cash Collateral Orders (as defined herein), including the Budget (as defined in the Cash Collateral Orders); *provided* that the Debtors shall only be authorized to make such payments to the extent that payment of any agreed amounts will result in greater collections of accounts receivables than the amount disbursed (based on an agreement with customers); *provided, further*, that in the event Debtors will exceed the aggregate amounts in any category as detailed in the Motion, Debtors shall file a notice with the Court describing the category and overage amount.

2. The form of Trade Agreement, substantially in the form attached hereto as **Exhibit A**, is approved in its entirety, and the Debtors are authorized, but not directed, to negotiate, modify, or amend the Trade Agreement in their reasonable business judgment.

3. The Debtors must condition payment of the Specified Trade Claims upon the execution of a Trade Agreement.

4. The Debtors must condition the completion of any Ongoing Project upon the execution of a Customer Agreement.

5. The Debtors must require that, as a condition to receiving any payment under this Final Order, the payee will maintain or apply, as applicable, terms during the pendency of these chapter 11 cases that are at least as favorable as those terms existing as of the Petition Date or otherwise satisfactory to the Debtors (the “Customary Trade Terms”).

6. If any party accepts payment hereunder and does not continue supplying goods or services to the Debtors in accordance with Customary Trade Terms, then: (a) any payment on account of a prepetition claim received by such party shall be deemed, in the Debtors’ discretion, an improper postpetition transfer and, therefore, immediately recoverable by the Debtors in cash upon written request by the Debtors; (b) upon recovery by the Debtors, any prepetition claim of such party shall be reinstated as if the payment had not been made; and (c) if there exists an outstanding postpetition balance due from the Debtors to such party, the Debtors may elect to recharacterize and apply any payment made pursuant to the relief requested by the Motion to such outstanding postpetition balance and such supplier or vendor will be required to repay to the Debtors such paid amounts that exceed the postpetition obligations then outstanding without the right of any setoffs, claims, provisions for payment of any claims, or otherwise. The Debtors shall provide a copy of this Final Order to the applicable party prior to such party’s acceptance of any payment hereunder.

7. The Debtors shall maintain a schedule/matrix of amounts paid pursuant to this Final Order including the following information: (a) the name of each Specified Trade Claimant paid on account of the Specified Trade Claims, (b) the amount and date paid to each Specified Trade Claimant, (c) the goods or services provided by such Specified Trade Claimant as characterized in

the motion, and (d) the Debtor or Debtors that made the payment. The Debtors shall provide a copy of such matrix/schedule to counsel to the administrative agent under the Debtors' asset-based revolving credit facility, the U.S. Trustee, and any statutory committee appointed in these chapter 11 cases every 30 days beginning upon entry of this Final Order.

8. Nothing herein shall impair or prejudice the rights of the U.S. Trustee and any statutory committee appointed in these chapter 11 cases, which are expressly reserved, to object to any payment made pursuant to this order to an insider (as such term is defined in section 101(31) of the Bankruptcy Code), or an affiliate of an insider, of the Debtors. To the extent the Debtors intend to make a payment to an insider or an affiliate of an insider of the Debtors, subject to prior written approval of the administrative agent under the Debtors' asset-based revolving credit facility, the Debtors shall, to the extent reasonably practicable, provide three (3) business days' advance notice to, and opportunity to object by the U.S. Trustee and any statutory committee appointed in these chapter 11 cases; *provided* that if any party objects to the payment, the Debtors shall not make such payment without further order of the Court.

9. Nothing herein shall impair or prejudice the Debtors' ability to contest, in their sole discretion, the extent, perfection, priority, validity, or amounts of any claims held by any Specified Trade Claimant. The Debtors do not concede that any claims satisfied pursuant to this Final Order are valid, and the Debtors expressly reserve all rights to contest the extent, validity, or perfection or seek the avoidance of all such liens or the priority of such claims.

10. Any party that accepts payment from the Debtors on account of a Specified Trade Claim shall be deemed to have agreed to the terms and provisions of this Final Order. Notwithstanding anything to the contrary herein, prior to making any payment pursuant to this

Final Order to a holder of a Specified Trade Claim, the Debtors shall provide such holder with a copy of this Final Order (unless previously provided to such Specified Trade Claimant).

11. All undisputed obligations related to the Outstanding Orders are granted administrative expense priority in accordance with section 503(b)(1)(A) of the Bankruptcy Code.

12. The Debtors are authorized, but not directed, to pay all undisputed amounts related to the Outstanding Orders in the ordinary course of business consistent with the parties' customary practices in effect prior to the Petition Date.

13. Notwithstanding anything else contained herein, (a) any relief granted herein, including any payment to be made or authorization contained hereunder, shall be subject in all respects to the terms and conditions of, including all requirements imposed upon the Debtors under, any interim or final order of the Court in these chapter 11 cases authorizing the use of cash collateral (as may be modified, amended, or supplemented, the "Cash Collateral Orders") (including, without limitation, the budget required in connection therewith) and the Prepetition ABL Loan Documents (as defined in the Cash Collateral Orders) approved therein and (b) to the extent there is any inconsistency between the terms and conditions of such Cash Collateral Orders or Prepetition ABL Loan Documents and any action taken or proposed to be taken hereunder, the terms and conditions of such Cash Collateral Orders shall govern.

14. Notwithstanding the relief granted in this Final Order and any actions taken pursuant to such relief, nothing in this Final Order shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any particular claim is of a type specified or defined in the Motion

or any order granting the relief requested by the Motion or a finding that any particular claim is an administrative expense claim or other priority claim; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; (g) a waiver or limitation of the Debtors', or any other party in interest's, rights under the Bankruptcy Code or any other applicable law; or (h) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) that may be satisfied pursuant to the relief requested in the Motion are valid, and the rights of all parties in interest are expressly reserved to contest the extent, validity, or perfection or seek avoidance of all such liens.

15. The banks and financial institutions on which checks were drawn or electronic payment requests made in payment of the prepetition obligations approved herein are authorized and directed to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Final Order.

16. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that are dishonored as a consequence of these chapter 11 cases with respect to prepetition amounts owed in connection with any Specified Trade Claims.

17. The contents of the Motion satisfy the requirements of Bankruptcy Rule 6003(b).

18. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of the Bankruptcy Rules and the Bankruptcy Local Rules are satisfied by such notice.

19. Notwithstanding any Bankruptcy Rule to the contrary, the terms and conditions of this Final Order are immediately effective and enforceable upon its entry.

20. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Final Order in accordance with the Motion.

21. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Final Order.

TRADE AGREEMENT

BJ Services, LLC (the “Company”), on the one hand, and [VENDOR] (“Vendor”), on the other hand, hereby enter into the following trade agreement (this “Trade Agreement”) dated as of this [DATE].

Recitals

WHEREAS on July 20, 2020 (the “Petition Date”), BJ Services, LLC and its affiliates and related entities (collectively, the “Debtors”) filed voluntary petitions for relief under chapter 11 of the United States Bankruptcy Code, 11 U.S.C. §§ 101-1532 (the “Bankruptcy Code”), in the United States Bankruptcy Court for the Southern District of Texas (the “Court”).

WHEREAS on July [●], 2020, the Court entered its *Interim Order (I) Authorizing the Debtors to Pay Certain Prepetition Claims on Account of (A) Critical Vendors Claims, (B) Lien Claims, and (C) 503(b)(9) Claims, (II) Confirming Administrative Expense Priority of Outstanding Orders, and (III) Granting Related Relief* (the “Specified Trade Claims Order”) [Docket No. [●]] authorizing the Debtors on an interim basis, under certain conditions, to pay the prepetition claims of certain vendors, including Vendor, subject to the terms and conditions set forth therein.¹

WHEREAS prior to the Petition Date, Vendor delivered goods to the Company, and the Company paid Vendor for such goods, according to Customary Trade Terms (as defined herein).

WHEREAS the Company intends to complete certain ongoing customer projects (the “Ongoing Projects”) at open well site(s) (each an “Open Well Site”).

WHEREAS the Company and Vendor (each a “Party,” and collectively, the “Parties”) agree to the following terms as a condition of payment on account of certain prepetition claims Vendor may hold against the Company.

Agreement

1. Recitals. The foregoing recitals are incorporated herein by reference as if set forth at length herein.

¹ Capitalized terms used but not defined herein have the meaning ascribed to such terms in the Specified Trade Claims Order.

2. Vendor Payment. Vendor represents and agrees that, after due investigation, the sum of all amounts currently due and owing by the Company to Vendor is \$[●] (the “Agreed Vendor Claim”). Following execution of this Trade Agreement, the Company shall, in full and final satisfaction of the Agreed Vendor Claim:

a. Pay Vendor \$[●] in full satisfaction of its Agreed Vendor Claim (the “Vendor Payment”) (without interest, penalties, or other charges), as such invoices become due and payable; or

b. Pay the Vendor Payment (with interest, penalties, or other charges) on the date which is the later of 30 days after the effective date of a chapter 11 plan and when the invoices become payable in ordinary course.

3. Agreement to Supply.

a. Vendor shall supply goods to the Company for the duration of the Debtors’ chapter 11 cases based on the following “Customary Trade Terms”: the trade terms at least as favorable to the Company as those practices and programs (including credit limits, pricing, cash discounts, timing of payments, allowances, product mix, availability, and other programs) in place in the 120 days prior to the Petition Date.

b. Vendor shall continue all shipments of goods in the ordinary course and shall fill orders for goods requested by the Company in the ordinary course of business for the duration of the Debtors’ chapter 11 cases pursuant to the Customary Trade Terms.

c. The Customary Trade Terms may not be modified, adjusted, or reduced in a manner adverse to the Company except as agreed-to in writing by the Parties.

4. Other Matters.

a. Vendor agrees that it shall not require a lump-sum payment upon the effective date of a plan in the Company’s chapter 11 cases on account of any outstanding administrative claims Vendor may assert arising from the delivery of postpetition goods or services, to the extent that payment of such claims is not yet due. Vendor agrees that such claims will be paid in the ordinary course of business after confirmation of a plan pursuant to the Customary Trade Terms then in effect. The Vendor Payment will be made concurrently with payment of other outstanding administrative claims as provided in a confirmed plan.

b. Vendor will not separately seek payment from the Company on account of any prepetition claim (including, without limitation, any reclamation claim or any claim pursuant to section 503(b)(9) of the Bankruptcy Code) outside the terms of this Trade Agreement or a plan confirmed in the Company’s chapter 11 case.

c. Vendor will not file or otherwise assert against the Company, its assets, or any other person or entity, including the Company’s customers, or any of their respective assets or property (real or personal), any lien, regardless of the statute or other legal authority upon which the lien is asserted, related in any way to any remaining prepetition amounts allegedly owed to Vendor by the Company arising from prepetition agreements or transactions. Furthermore, if

Vendor has taken steps to file or assert such a lien prior to entering into this Trade Agreement, Vendor will promptly take all necessary actions to remove such liens.

5. Vendor Breach.

a. In the event that Vendor fails to satisfy its undisputed obligations arising under this Trade Agreement (a "Vendor Breach"), upon written notice to Vendor, Vendor shall promptly pay to the Company immediately available funds in an amount equal to, at the election of the Company, the Vendor Payment or any portion of the Vendor Payment which cannot be recovered by the Company from the postpetition receivables then owing to Vendor from the Company.

b. In the event that the Company recovers the Vendor Payment pursuant to Section 5(a) hereof or otherwise, the full Agreed Vendor Claim shall be reinstated as if the Vendor Payment had not been made.

c. Vendor agrees and acknowledges that irreparable damage would occur in the event of a Vendor Breach and remedies at law would not be adequate to compensate the Company. Accordingly, Vendor agrees that the Company shall have the right, in addition to any other rights and remedies existing in its favor, to an injunction or injunctions to prevent breaches of the provisions of this Trade Agreement and to enforce its rights and obligations hereunder not only by an action or actions for damages but also by an action or actions for specific performance, injunctive relief and/or other equitable relief. The right to equitable relief, including specific performance or injunctive relief, shall exist notwithstanding, and shall not be limited by, any other provision of this Trade Agreement. Vendor hereby waives any defense that a remedy at law is adequate and any requirement to post bond or other security in connection with actions instituted for injunctive relief, specific performance, or other equitable remedies.

The above-captioned debtors and debtors in possession (collectively, the "Debtors"),² state as follows in support of this application (the "Application"):

Preliminary Statement

1. As described in the First Day Declaration, the Debtors are in the process of pursuing a going concern sale of their cementing and fracturing businesses and an orderly sale of their remaining assets. The going concern sales only contemplate the sale of a small percentage of the Debtors' assets. The Debtors anticipate that after those sales, they will have approximately 1,400 tractors, thousands of trailers, and more than 35 fracturing fleets, along with excess inventory. The Debtors also own 13 parcels of real property that are not currently contemplated to be purchased as part of any going concern sale.³

2. While the Debtors are attempting to engage in discussions with their lenders regarding a proposal to lift the automatic stay to allow for the disposition of most of the excess assets, and to otherwise run a coordinated process for the sale of other excess assets, the Debtors believe it is prudent to initiate the sale process for up to 300 tractors now in order to sell those

² A detailed description of the Debtors and their businesses, and the facts and circumstances supporting this Motion and the Debtors' chapter 11 cases, are set forth in the *Declaration of Warren Zemplak, Chief Executive Officer of BJ Services, LLC, in Support of Chapter 11 Petitions and First Day Motions* [Docket No. 22] (the "First Day Declaration"), filed on July 20, 2020 and incorporated herein by reference. Capitalized terms used but not yet defined herein shall have the meaning ascribed to such terms in the First Day Declaration or later in the Application, as applicable

³ Certain going concern bidders may require a market lease on the property. The Debtors will sell the property subject to such lease, which the Debtors believe will add value in the current market.

assets at industry auctions scheduled for the end of August and September. In addition, the Debtors, in consultation with their creditors, may determine to sell additional excess assets and inventory at these upcoming auctions, all as described herein.

3. While the Debtors do occasionally sell their excess assets in the ordinary course of business, they are not in the business of selling assets in such large quantities. Thus, to maximize value from the sale of the Sale Assets, the Debtors seek to employ Ritchie Bros. Auctioneers (America) Inc. and certain of its affiliates (collectively, “RB Group”) and Hilco Valuation Services, LLC and certain of its affiliates (collectively, “Hilco,” and with the RB Group, the “Liquidators”) to market and sell their excess assets by public auctions, private sales, online sales, or any other commercially reasonable method, with such sales to be free and clear of all liens, claims, encumbrances, and other interests.

4. By this Application, the Debtors seek both approval of the terms of the Liquidators’ respective Agreements and approval to conduct the sales as contemplated by the applicable Agreements. The relief requested herein is warranted under the circumstances and will help maximize the value of the Debtors’ estates.

Relief Requested

5. The Debtors seek entry of an order, substantially in the form attached hereto (the “Order”):

- a. authorizing the employment and retention pursuant to section 327(a) and 328(a) of title 11 of the United States Code (the “Bankruptcy Code”), rule 2014 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and rule 2014-1 of the Bankruptcy Local Rules for the Southern District of Texas (the “Bankruptcy Local Rules”) of:
 - i. Ritchie Bros. Auctioneers (America) Inc. and certain of its affiliates (collectively, “RB Group”) on the terms described in the Asset Marketing Agreement attached to the Order as Exhibit 1 (the “RB Group Agreement”), and

- ii. Hilco Valuation Services, LLC and certain of its affiliates (collectively, “Hilco,” and with the RB Group, the “Liquidators”) on the terms described in the Asset Marketing Agreement attached to the Order as Exhibit 2 (the “Hilco Agreement,” and with the RB Group Agreement, the “Agreements”),

in each case, as the Debtors’ auctioneers, brokers, and marketing agents, effective as of August 6, 2020, with respect to the sale of certain assets that are no longer necessary to the Debtors’ operations or going concern sales as set forth in the Agreements (collectively, the “Sale Assets”);

- b. authorizing the sale or transfer of the Sale Assets, as set forth in the Agreements, free and clear of all liens, claims, encumbrances and other interests (collectively, the “Liens”) pursuant to sections 105(a) and 363 of the Bankruptcy Code and rule 6004 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”); and
- c. granting related relief.

6. In support of this Application, the Debtors submit (a) the Declaration of Anthony C. Schnur, Chief Restructuring Officer of BJ Services, LLC (the “Schnur Declaration”), attached hereto as **Exhibit A**; (b) the Declaration of Sam Wyant (the “Wyant Declaration”), attached hereto as **Exhibit B**; and (c) the Declaration of Eric W. Kaup (the “Kaup Declaration,” and together with the Wyant Declaration, the “Declarations”), attached hereto as **Exhibit C**.

Jurisdiction and Venue

7. The United States Bankruptcy Court for the Southern District of Texas (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). The Debtors confirm their consent, pursuant to Bankruptcy Rule 7008, to the entry of a final order by the Court.

8. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

9. The bases for the relief requested herein are sections 105(a), 327, 328, and 363 of title 11 of the United States Code (the “Bankruptcy Code”) and Bankruptcy Rules 2002 and 6004.

Background

10. BJ Services, LLC and its Debtor affiliates are leading providers of pressure pumping and oilfield services for the petroleum industry. Headquartered in Tomball, Texas, the Debtors operate through two segments, hydraulic fracturing and cementing. The Debtors primarily serve customers in upstream North American oil and natural gas shale basins in the completion of new wells and in remedial work on existing wells.

11. On July 20, 2020 (the “Petition Date”), each Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On the Petition Date, the Court entered an order [Docket No. 13] authorizing procedural consolidation and joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b).

12. On July 28, 2020, the United States Trustee for the Southern District of Texas (the “U.S. Trustee”) appointed an official committee of unsecured creditors (the “Creditors’ Committee”) pursuant to section 1102 of the Bankruptcy Code [Docket No. 199]. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases.

13. As described above, after concluding the contemplated going concern sales, the Debtors anticipate that they will have a substantial amount of assets that need to be sold. Specifically, these assets include: (i) certain parcels of real property (collectively, the “Properties”); (ii) tractors, rolling stock, machinery, equipment, furniture, fixtures, and other personal property not sold as part of a going concern sale (collectively, the “M&E”); (iii) inventory, including parts used to repair certain of the M&E and items used in providing services (collectively, the “Inventory”); (iv) certain patents, patent applications, domain names,

software and source code, URLs, telephone numbers, customer data including customer names, addresses, email addresses, transaction history and other demographic data captured and maintained by the Debtors, vendor data, franchise agreements, “IP” addresses, and license agreements, logos and assorted artwork used in marketing materials, and other contractual rights relating to the foregoing to the extent not sold as part of a going concern sale (collectively, the “Intellectual Property”); and (v) outstanding trade accounts receivables (collectively, the “Receivables”), all of which as more fully described in the Agreements.

14. The Debtors are still developing a comprehensive disposition strategy with respect to these assets. At this time, the Debtors have determined to initiate the sale process for certain of their tractors as set forth in the RB Group Agreement and their Inventory as set forth in the Hilco Agreement. With respect to the tractor sales, time is of the essence as the Debtors seek to capitalize on industry auctions in the coming weeks. The Agreements also contemplate that the Debtors may add additional of the assets to the Agreements to be sold by RB Group and Hilco on the terms set forth in the Agreements without further order of the court.

15. As explained in the Schnur Declaration, after considering liquidation professionals capable of handling sales of this magnitude, several weeks of negotiations and input from the Liquidators regarding the Debtors’ sale process, and conversations with their creditor groups, the Debtors determined to retain both RB Group and Hilco to sell the Sale Assets. The Debtors believe that the Liquidators’ proposals will provide the best overall solution given their complimentary services, competitive economic terms, platforms, and capabilities. Indeed, retention of the Liquidators would permit any combination of commercial sales, public unreserved auctions, and online sales (each, a “Disposition”) under strategies approved by the Debtors, in consultation with

their stakeholder groups, in order to maximize the realizable value of the Assets. The Agreements with the Liquidators were negotiated at arms'-length and are on market terms.

16. Pursuant to the RB Group Agreement, the RB Group will market and sell the M&E, as more specifically identified in Exhibit A to the RB Group Agreement, in multiple phases through private sales and public auctions, both in live and online formats.⁴ Such auctions are customarily held in the oil and gas industry with no reserve, meaning that there are no minimum bid requirements. Unreserved auctions are designed to maximize value by eliminating all barriers to entry and creating a global marketplace where competition for the goods can flourish. The RB Group's private sale process is generally based on the prevailing market rates set at recent auctions, but are effectuated outside of the auction process because the applicable parties were able to facilitate the sale through private channels. These private sales can reduce transaction costs and the duration of the sale process.

17. Pursuant to the Hilco Agreement, attached to the Order as Exhibit 2, Hilco will sell the Inventory, as more specifically identified in Exhibit A to the Hilco Agreement. Additionally, if requested by the Debtors in writing, Hilco will also sell the Properties, Intellectual Property, and/or Receivables. Like the RB Group, Hilco will market and sell assets through both private sales and public unreserved auctions.

⁴ Currently, M&E only includes the assets listed in Exhibit A to the RB Group Agreement, but the Debtors request the authority to modify Exhibit A to the RB Group Agreement and sell excess M&E in the future without further order of the Court.

18. A summary of the material terms of the Agreements are set forth below.⁵

Term	The Hilco Agreement
Hilco's Services	<u>Hilco</u> has agreed to serve as the Debtors' marketing and sales agent with respect to the marketing, sale, and disposition of certain Inventory, as identified in Exhibit A to the Hilco Agreement. Specifically, Hilco will: (i) develop an advertising and marketing plan for the sale of the Inventory; (ii) implement an advertising and marketing plan as deemed necessary or appropriate by Hilco to maximize the net recovery on the Inventory; (iii) prepare for the sale of the Inventory, including gathering specifications and photographs for pictorial brochures and arranging the Inventory in a manner, which in Hilco's judgment would be designed to enhance the net recovery on the Inventory; (iv) provide fully qualified and experienced personnel who will prepare for and sell the Inventory in accordance with the terms of the Hilco Agreement; (v) provide a complete auction crew to handle computerized accounting functions necessary to provide auction buyers with invoices and the Debtors with a complete accounting of the Inventory sold at the auction and coordinate with the Debtors regarding staffing needs; (vi) oversee the removal of the Inventory by buyers from the Properties; (vii) sell the Inventory for cash or other immediately available funds to the highest bidder(s) on an "as-is," "where-is" and "all sales are final" basis; (viii) charge and collect on behalf of the Debtors from all purchasers any purchase price together with all applicable taxes in connection therewith; (ix) assist the Debtors and/or their advisors as necessary to obtain all required approvals and authorizations from the Bankruptcy Court with respect to any sale of the Inventory contemplated herein; (x) work with the Debtors and/or their advisors to prepare reports, statements, affidavits or similar documents required under Rule 6004 of the Federal Rules of Bankruptcy Procedure or any applicable local rule; (xi) collect Gross Proceeds generated by the sale of the Inventory assets and remit such proceeds (after deducting any amounts owed to

The Debtors, in their sole discretion, may also designate in writing any or all of the following categories of assets for marketing, sale, and disposition by Hilco: (i) owned and leased real Property, (ii) Intellectual Property, and (iii) Receivables.
Term of Agreement	Twelve (12) months from August 6, 2020
Sale Format	Hilco will market and sell the assets in multiple phases utilizing private treaty, online, webcast, or public auctions, and such other sale strategies as the Parties mutually agree. Prior to any disposition of any Inventory pursuant to private treaty sale for an aggregate purchase price in excess of \$500,000, Hilco and the Debtors will consult with respect to guideline pricing governing any such auction.
Option to Remove Assets	The Debtors, in their sole discretion, are permitted to remove any of the assets covered by the Hilco Agreement from prospective sales in order to sell such assets in conjunction with the Cementing Business Sale, the Fracking Equipment Sale, or the potential sale of the Debtors' Canadian cementing business. In such case, Hilco will not be entitled to receive an Inventory Services Fee (or any other compensation) on account of any such sales.
Compensation	Hilco shall be entitled to payment by the Debtors of a commission equal to eight percent (8.0%) of the Gross Proceeds from the sale of the Inventory. All commissions shall be withheld by Hilco upon collection of Gross Proceeds generated by the sale of Inventory. In the event that Inventory that would normally be sold by Hilco is sold in conjunction with the sale of the Debtors' M&E and RB Group is paid a fee on account of the sale of such assets, Hilco will not be entitled to receive any compensation on account of such Inventory sales. Hilco will be compensated on an hourly basis for any time spent by a Hilco employee preparing for and testifying in Court or at a deposition, and attending Court proceedings. In the event that the Debtors request that Hilco sell additional non-Inventory assets, Hilco will be entitled to the following fees: (i) <u>Real Estate Services Fees.</u> With respect to any sale of a Property or an assignment or sale of any of the Leases to a third party during the Term of the Agreement (or any tail period), Hilco shall earn a fee in an amount equal to six percent (6.0%) of the Gross

	Proceeds generated by the sale of any Property or sale or assignment of any Leases; <i>provided</i> that Hilco shall not earn a Real Estate Fee for any Leases assumed by the Debtors. (ii) <u>IP Services Fees</u>. In consideration of its performance of the IP Services, Hilco shall be entitled to payment by the Debtor of a commission equal to fifteen percent (15.0%) of the Gross Proceeds from the sale or other disposition of the Intellectual Property to buyers other than CSL, it being understood that a sale of the Intellectual Property to CSL shall not result in a fee payable to Hilco. (iii) <u>Receivables Services Fees</u>. In consideration of its performance of the Receivables Services, Hilco shall be entitled to payment based on the following commission structure, which is contingent upon the aggregate amount of outstanding Receivables assigned to Hilco under the Hilco Agreement equaling at least \$45,000,000 on the Commencement Date: <table border="1"> <thead> <tr> <th>Gross Cash Receipts</th><th>Fee</th></tr> </thead> <tbody> <tr> <td>\$1 to \$5,000,000</td><td>1% of Gross Cash Receipts</td></tr> <tr> <td>\$5,000,001 to \$20,000,000</td><td>2% of Gross Cash Receipts</td></tr> <tr> <td>\$20,000,001 to \$35,000,000</td><td>3% of Gross Cash Receipts</td></tr> <tr> <td>Over \$35,000,000</td><td>4% of Gross Cash Receipts</td></tr> </tbody> </table> If the aggregate amount of Receivables accounts assigned to Hilco as of the Commencement Date is less than \$45,000,000, the Receivables Fee will be three percent (3.0%) of Gross Cash Receipts collected. Hilco will be entitled to such reimbursement regardless of whether any Inventory Assets are sold, provided that the Inventory Expenses shall not exceed \$100,000 without the Debtors' prior consent, and which expenses shall be recovered from the proceeds of the sale of Inventory only. In the event that the Debtors request that Hilco sell additional non-Inventory assets, Hilco will be entitled to the following reimbursement: (i) <u>Real Estate Services Expenses</u>. Hilco shall advance and shall be entitled to reimbursement by the Debtors for all Real Estate Expenses, regardless whether or not any Properties are sold, provided that the Real Estate Expenses shall not exceed \$50,000 without the Debtors' prior consent.										

	(ii) <u>IP Services Expenses</u>. In connection with the performance of the IP Services, the Parties shall mutually agree upon a supplemental expense budget and the Debtors shall reimburse Hilco for any reasonable and documented out-of-pocket costs and expenses incurred in the performance of the IP Services, excluding expenses associated with third-party brokers or agents, and subject to the mutually agreed upon IP Services Budget. (iii) <u>Receivables Services Expenses</u>. Hilco shall bear all costs and expenses associated with providing the Receivables Services. If the Debtors retain (or direct Hilco to retain the services of) an attorney or law firm to collect, service, settle, and otherwise resolve a Receivables account, the Debtors shall be responsible for all costs and expenses of collecting, servicing, settling, or otherwise resolving each such Receivables account, including (without limitation) the fees, costs, and expenses of such attorney or law firm.

The Debtors further agree to indemnify and hold Hilco harmless from any and all claims, causes of actions, damages, losses, or liabilities (including, without limitation, reasonable attorney's fees) of any kind arising from any misrepresentations concerning the Assets made by the Debtors to Hilco. Notwithstanding the foregoing, the Debtors shall not in any circumstances indemnify Hilco from any claims or causes of action arising from any fraud, gross negligence (including omissions) or willful misconduct of Hilco or its officers, directors, employees, agents or representatives.
Term	The RB Group Agreement
RB Group's Services	<u>RB Group</u> has agreed to serve as the Debtors' marketing and sales agent with respect to the marketing, sale, and disposition of certain of the

	Debtors' tractors, rolling stock, machinery, and equipment, as identified in Exhibit A to the RB Group Agreement.⁶ Specifically, RB Group will: (i) develop an advertising and marketing plan for the sale of the M&E Assets; (ii) implement the advertising and marketing plan as deemed necessary or appropriate by RB Group to maximize the net recovery on the M&E Assets; (iii) prepare for the sale of the M&E Assets, including gathering specifications and photographs for pictorial brochures and arranging the M&E Assets in a manner, which in RB Group's judgment would be designed to enhance the net recovery on the M&E Assets; (iv) provide fully qualified and experienced personnel who will prepare for and sell the M&E Assets in accordance with the terms of the RB Group Agreement; (v) provide a complete auction crew to handle computerized accounting functions necessary to provide auction buyers with invoices and the Debtors with a complete accounting of all M&E Assets sold at the auction; (vi) oversee the removal of M&E Assets by buyers from the Properties; (vii) sell the M&E Assets for cash or other immediately available funds to the highest bidder(s) on an "as-is," "where-is" and "all sales are final" basis; (viii) charge and collect on behalf of the Debtors from all purchasers any purchase price together with all applicable taxes in connection therewith; (ix) assist the Debtors and/or their advisors as necessary to obtain all required approvals and authorizations from the Bankruptcy Court with respect to any sale of M&E Assets contemplated herein; (x) work with the Debtors and/or their advisors to prepare reports, statements, affidavits or similar documents required under Rule 6004 of the Federal Rules of Bankruptcy Procedure or any applicable local rule; (xi) collect Gross Proceeds generated by the sale of the M&E Assets and remit such proceeds (after deducting any amounts owed to RB Group under the RB Group Agreement) to the Debtors within thirty (30) days after the sale of each M&E Asset; and (xii) submit an initial sales report to the Debtors within fourteen (14) days after the sale of the M&E Assets and a final complete sales report to the Debtors within fourteen days after the end of the Term.

⁶ As mentioned above, the Debtors request the authority to modify Exhibit A to the RB Group Agreement and sell excess M&E in the future without further order of the Court.

Term of Agreement	Twelve (12) months from August 6, 2020
Sale Format	RB Group will market and sell the M&E Assets in multiple phases utilizing private treaty, online, webcast, or public auctions, and such other sale strategies as the Parties mutually agree. Prior to any disposition of any M&E pursuant to private treaty sale for an aggregate purchase price in excess of \$1 million, RB Group and the Debtors will consult with respect to guideline pricing governing any such auction.
Option to Remove Assets	The Debtors, in their sole discretion, are permitted to remove any of the M&E Assets (other than the first 300 tractors identified on <u>Exhibit A</u> to the RB Group Agreement) from prospective sales in order to sell such assets in conjunction with the Cementing Business Sale or the Fracking Equipment Sale. In such case, the RB Group will not be entitled to receive an M&A Services Fee (or any other compensation) on account of any such sales.
Compensation	In consideration of its performance of the M&E Services, the M&E Services Fee shall be eight percent (8.00%). RB Group will be compensated on an hourly basis for any time spent by a RB Group employee preparing for and testifying in Court or a deposition, and attending Court proceedings.
Administrative Fee	The RB Group charges purchasers an administrative fee that shall not exceed 3.85% for M&E that sells for over \$10,000, with an absolute ceiling of \$1,290 regardless of sale price (the “ <u>Administrative Fee</u> ”). The Administrative Fee will not be considered Gross Proceeds for the purpose of calculating the commission fees under the Agreement with the RB Group.
Expenses	RB Group will be reimbursed (on a cost plus 10% basis) for all commercially reasonable and documented out-of-pocket expenses incurred by RB Group for: (i) repair and refurbishment costs to be incurred solely to maximize the net sale proceeds and (ii) industry-standard title fees. RB Group will be entitled to such reimbursement regardless whether or not any M&E Assets are sold, provided that the M&E Expenses shall not exceed \$900,000 without the prior written consent of the Debtors and their Equipment Term Loan Lenders, and which expenses shall be recovered from the proceeds of the sale of M&E Assets only. In addition, within 10 business days from the Effective Date, the Debtors and RB Group will mutually agree upon an expense budget for transporting M&E Assets that RB Group recommends marshalling for the purpose of centralizing the M&E Assets to as few locations as commercially reasonable to maximize buyer participation and convenience.

Indemnification	The Debtors hereby agree to indemnify and hold RB Group harmless from any and all claims, causes of actions, damages, losses, or liabilities (including, without limitation, reasonable and documented attorney's fees) of any kind arising from or related to: (i) the Debtors' material breach of any of their obligations, representations, and warranties under the RB Group Agreement; (ii) the Debtors' performance or failure to perform under the RB Group Agreement; (iii) the Debtors' failure to pay any real property, personal property, or other taxes associated with the M&E Assets; and (iv) the fraud, gross negligence (including omissions) or willful misconduct of the Debtors, their officers, directors, employees, agents or representatives. The Debtors further agree to indemnify and hold RB Group harmless from any and all claims, causes of actions, damages, losses, or liabilities (including, without limitation, reasonable attorney's fees) of any kind arising from any misrepresentations concerning the M&E Assets made by the Debtors to RB Group. Notwithstanding the foregoing, the Debtors shall not in any circumstances indemnify RB Group from any claims or causes of action arising from any fraud, gross negligence (including omissions) or willful misconduct of RB Group or its officers, directors, employees, agents or representatives.

Basis for Relief Requested

I. The Debtors Should be Authorized to Sell the Sale Assets Free and Clear of All Liens, Claims, Encumbrances, and Other Interests.

A. Selling the Sale Assets is a Reasonable Exercise of the Debtors' Sound Business Judgment and in the Best Interests of their Estates

19. Section 363(b)(1) of the Bankruptcy Code provides, in relevant part, that "[t]he trustee, after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate." 11 U.S.C. § 363(b)(1). Courts in the Fifth Circuit have granted a debtor's request to use property of the estate outside of the ordinary course of business pursuant to section 363(b) of the Bankruptcy Code upon a finding that such use is supported by sound business reasons. *See, e.g., Black v. Shor (In re BNP Petrol. Corp.)*, 642 F. App'x 429, 434-35 (5th Cir. 2016) ("[T]he mandate of § 363 [] requires that a sale of the estate's assets 'be supported by

an articulated business justification, good business judgment, or sound business reasons.”) (quoting *Cadle Co. v. Mims (In re Moore)*, 608 F.3d 253, 263 (5th Cir. 2010)); *Institutional Creditors v. Cont’l Air Lines, Inc. (In re Cont’l Air Lines, Inc.)*, 780 F.2d 1223, 1226 (5th Cir. 1986) (“[F]or the debtor-in-possession or trustee to satisfy its fiduciary duty to the debtor, creditors and equity holders, there must be some articulated business justification for using, selling, or leasing the property outside the ordinary course of business.”); *see also In re Crutcher Res. Corp.*, 72 B.R. 628, 631 (Bankr. N.D. Tex. 1987) (“A Bankruptcy Judge has considerable discretion in approving a § 363(b) sale of property of the estate other than in the ordinary course of business, but the movant must articulate some business justification for the sale.”); *In re Borders Grp., Inc.*, 453 B.R. 477, 482 (Bankr. S.D.N.Y. 2011) (“[A] debtor often satisfies the business judgment standard if ‘the directors of a corporation acted on an informed basis, in good faith and in the honest belief that the action taken was in the best interests of the company.’”) (quoting *In re Integrated Res., Inc.*, 147 B.R. 650, 656 (Bankr. S.D.N.Y. 1992)); *In re MF Glob. Inc.*, 535 B.R. 596, 605 (Bankr. S.D.N.Y. 2015) (“The business judgment of a trustee is entitled to great deference.”).

20. This Court’s power under section 363 is supplemented by section 105(a), which provides in relevant part that “[t]he Court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title....” 11 U.S.C. § 105(a); *see also In re Tex. Rangers Baseball Partners*, 431 B.R. 706, 710 (Bankr. N.D. Tex. 2010) (noting that sections 363 and 105 grant the bankruptcy court the power to “regulate the mechanism of a sale outside the ordinary course.”).

21. The Debtors submit that selling the Sale Assets pursuant to the Agreements is an exercise of sound business judgment. The Sale Assets are not core business assets and are not material to the Debtors’ going concern sales of their cementing and fracturing businesses. The

Liquidators are best positioned to market the Sale Assets extensively, thereby ensuring that the Debtors receive the highest or otherwise best offer possible. Moreover, due to prepetition interactions and discussions, the Liquidators are already familiar with the Debtors, these chapter 11 cases, and the Sale Assets. In addition, requiring the Debtors to file a motion with the Court each time the Debtors seek to dispose of non-core assets by private sale or auction would force the Debtors to incur unnecessary costs and delays.

22. Furthermore, prospective purchasers of the Sale Assets will be seeking to purchase those assets at ordinary course auctions, not through a chapter 11 process. If they are unable to purchase the Debtors' assets at an auction, prospective purchasers are likely to forego entering into a chapter 11 process in favor of purchasing assets more simply and easily from another seller through an auction. Last, as mentioned above, an extreme burden will be imposed upon the Debtors and the Court if separate approval of each sale of respective Sale Assets is required.

23. In deciding to sell the Sale Assets, the Debtors acted on an informed basis, in good faith, and with the honest belief that the sale is in the best interests of the Debtors' estates. Accordingly, the proposed sale of the Sale Assets should be approved.

B. The Disposition of the Sale Assets by Private Sale and Public Auction is Appropriate

24. Bankruptcy Rule 6004(f)(1) provides that "[a]ll sales not in the ordinary course of business may be by private sale or by public auction." Fed. R. Bankr. P. 6004(f)(1). Accordingly, the Debtors' decision to liquidate the Sale Assets through both of these methods squarely falls within the ambit of the Debtors' exercise of sound and reasonable business judgment. Specifically, public auctions where industry professionals gather to immediately purchase these types of assets are the easiest and best way to determine the true market value of these asset and monetize it

quickly. The Debtors would likely realize far less value if Court approval were required for each specific asset sale and bidders had to wait for a notice and objection period.

25. Furthermore, the Liquidators will comply with the provisions of 6004(f)(1) by filing, upon completion of a sale, an itemized statement of the property sold, the names of each purchaser, and the prices received for each asset sold. As noted above, although the Sale Assets have value, they are no longer needed for the Debtors' business as they are excess, obsolete, or burdensome to the Debtors and currently generate no revenue for the Debtors' estates.

26. Allowing the Debtors the discretion to sell the Sale Assets through both private sales and auctions, and through any other customary market process determined to be appropriate, will ensure the greatest net recovery to their estates and is thus well within the Debtors' sound business judgment and should be approved.

C. The Sale of the Sale Assets Free and Clear of Liens, Claims, Encumbrances, and Other Interests Is Warranted Under Section 363(f) of the Bankruptcy Code

27. Pursuant to section 363(f) of the Bankruptcy Code, a debtor in possession may sell property free and clear of any lien, claim, interest, or encumbrance in such property if one of the following conditions is satisfied: (i) applicable nonbankruptcy law permits the sale of such property free and clear of such interest; (ii) such entity consents; (iii) the interest is a lien and the sales price of the property exceeds the value of all liens on the property; (iv) the interest is in bona fide dispute; or (v) the holder of the interest could be compelled in a legal or equitable proceeding to accept a monetary satisfaction of its interest. 11 U.S.C. § 363(f). Section 363(f) is stated in the disjunctive; therefore, it is only necessary to meet one of the five conditions listed in that section when selling property of the estate. *See In re Borders Grp., Inc.*, 453 B.R. at 483–84 (noting that the debtor can sell its property “free and clear of any interest” if “at least one” of the five conditions under section 363(f) is met); *see also In re Nature Leisure Times, LLC*, No. 06-41357, 2007 WL

4554276, at *3 (Bankr. E.D. Tex. Dec. 19, 2007) (“The language of § 363(f) is in the disjunctive such that a sale free and clear of an interest can be approved if any one of the aforementioned conditions contained in § 363(f) are satisfied.”).

28. Bankruptcy Rule 6004(c) requires that a motion pursuant to section 363(f) of the Bankruptcy Code for authority to sell property free and clear of liens or other interests “shall be served on the parties who have liens or other interests in the property to be sold.” Fed. R. Bankr. P. 6004(c).

29. To the extent consent of a lienholder is not obtained or deemed to have been obtained, the Debtors submit that with respect to any proposed transaction, the holder of any Lien could be compelled in a legal or equitable proceeding to accept a monetary satisfaction of its interest. Moreover, the Debtors request that the consent requirement of section 363(f)(2) be deemed satisfied if (a) no party timely objects to the entry of an order approving this Application and (b) no party timely objects under an auction or the sale process contemplated by the Agreements, as applicable. Any buyer at an auction sale must be assured that they are buying free and clear assets, which is a critical premise of an auction format.

30. Furthermore, section 365(f)(5) is satisfied by the proposed sales, as the Debtors propose that any Lien on any Sale Assets sold pursuant to the relief requested herein attach to the proceeds of the sale of such Sale Asset(s), subject to any claims and defenses the Debtors may possess with respect thereto. For the avoidance of doubt, the Debtors reserve the right to surcharge any lienholders for the costs of such dispositions and utilize Asset Sale proceeds during the chapter 11 cases in accordance with applicable law.

31. Accordingly, the sale of the Sale Assets satisfies the statutory prerequisites of section 363(f) of the Bankruptcy Code.

D. Purchasers of Sale Assets Should Be Entitled to the Protections of Section 363(m)

32. Section 363(m) of the Bankruptcy Code provides:

The reversal or modification on appeal of an authorization under subsection (b) or (c) of this section of a sale or lease of property does not affect the validity of a sale or lease under such authorization to an entity that purchased or leased such property in good faith, whether or not such entity knew of the pendency of the appeal, unless such authorization and such sale or lease were stayed pending appeal.

11 U.S.C. § 363(m). Good faith purchaser status has been allowed by many courts in this District and Circuit. *See, e.g., In re Sanchez Energy Corp.*, No. 19-34508 (MI) (Bankr. S.D. Tex. June 18, 2020) [Docket No. 1330]; *In re Whiting Petroleum Corp.*, No. 20-32021 (DRJ) (Bankr. S.D. Tex. May 6, 2020) [Docket No. 276]; *In re EP Energy Corp.*, No. 19-35654 (MI) (Bankr. S.D. Tex. Apr. 27, 2020) [Docket No. 1198]; *Sullivan Central Plaza I Ltd. v. BancBoston Real Estate Capital Corp.*, 106 B.R. 934, 942 (Bankr. N.D. Tex. 1998) (listing characteristics evidencing a lack of a good faith under section 363(m)) (citing *Bleaufontaine, Inc. v. Roland Int’l (In re Bleaufontaine, Inc.)*, 634 F.2d 1383, 1388 (5th Cir. 1981)).

33. Section 363(m) fosters the “policy of not only affording finality to the judgment of the bankruptcy court, but particularly to give finality to those orders and judgments upon which third parties rely.” *TMT Procurement Corp. v. Vantage Drilling Co. (In re TMT Procurement Corp.)*, 764 F.3d 512, 521 (5th Cir. 2014) (quoting *In re Sax*, 796 F.2d 994, 998 (7th Cir. 1986)); *see New Indus., Inc. v. Byman (In re Sneed Shipbuilding, Inc.)*, 916 F.3d 405, 409 (5th Cir. 2019) (“A different motivation than complexity motivates section 363(m) mootness: the need to encourage parties to bid for estate property.”).

34. The Debtors will serve a copy of this Application and provide an opportunity to object to the relief sought herein to their secured lenders, the Creditors’ Committee, the U.S. Trustee, and any lienholders with an interest in the Sale Assets. Further, none of the Sale Assets

will be sold to insiders, unless an insider purchases such assets at a public auction. Accordingly, the Debtors submit that any sale of the Sale Assets consummated in accordance with the relief sought herein will be an arms'-length transaction entitling a purchaser to the protections of section 363(m) of the Bankruptcy Code.

II. The Debtors Should be Authorized to Retain the Liquidators Pursuant to Section 327(a) of the Bankruptcy Code

35. As noted above, the Debtors have determined, in their sound business judgment, to retain experienced liquidators to assist them with a value-maximizing sale of the Sale Assets. Accordingly, the Debtors seek to employ and retain RB Group and Hilco pursuant to sections 327(a) and 328(a) of the Bankruptcy Code, Bankruptcy Rule 2014(a), and Local Rule 2014-1, to assist the Debtors with the sale of the Sale Assets.

36. Section 327(a) of the Bankruptcy Code provides that a debtor, subject to Court approval:

may employ one or more attorneys, accountants, appraisers, auctioneers, or other professional persons, that do not hold or represent an interest adverse to the estate, and that are disinterested persons, to represent or assist the [debtor] in carrying out the [debtor]'s duties under this title.

11 U.S.C. § 327(a).

37. Bankruptcy Rule 2014(a) requires that an application for retention include:

specific facts showing the necessity for the employment, the name of the [firm] to be employed, the reasons for the selection, the professional services to be rendered, and proposed arrangement for compensation, and, to the best of the applicant's knowledge, all of the [firm's] connections with the debtor, creditors, any other party in interest, their respective attorneys and accountants, the United States Trustee, or any person employed in the office of the United States Trustee.

Fed. R. Bankr. P. 2014(a).

38. Furthermore, section 328(a) permits "the employment of a professional person under section 327 . . . on any reasonable terms and conditions of employment, including . . . on a

fixed or percentage fee basis . . . [,]” 11 U.S.C. § 328(a). Bankruptcy Rule 6005 provides that the “order of the court approving the employment of an appraiser or auctioneer shall fix the amount or rate of compensation,” Fed. R. Bankr. P. 6005.

39. As described in further detail in the Declarations, the Liquidators are nationally recognized liquidators. RB Group has been in the business of, among other things, refurbishing and selling heavy equipment and trucks since 1958. With a global network that includes over forty permanent auction sites around the world and operations in more than fifteen countries, RB Group sells billions of dollars of heavy equipment and trucks each year and helps thousands of people around the world appraise, sell, inspect, buy, refurbish, ship and finance heavy equipment, trucks, and other assets every month.

40. Meanwhile, Hilco is in the business of, among other things, monetizing real estate interests, intellectual property, accounts receivable, and others assets. With operations throughout the United States and in more than fifteen countries, Hilco sells billions of dollars of assets each year and helps thousands of companies around the world appraise, sell, inspect, buy, refurbish, ship and finance tangible and intangible assets every year.

41. Thus, the Liquidators are uniquely qualified to perform the services specified herein. Any attempt by the Debtors to liquidate the Sale Assets without the assistance of experienced liquidators would require the Debtors’ management to dedicate a large amount of time and effort that could otherwise be devoted to an orderly wind down of the Debtors’ operations. Additionally, without experienced Liquidators, the Debtors would be unlikely to gain the maximum return on the sale of the Sale Assets.

42. Furthermore, the compensation arrangements with the Liquidators are structured to provide the Liquidators with the incentive to obtain the highest possible price for the Sale Assets.

Accordingly, the Agreements and the retention of the Liquidators will allow the Debtors to transform assets that are not generating revenue and unnecessary for their estates into significant value, at a relatively low cost to the Debtors.

43. The Debtors respectfully submit that the retention and employment of the Liquidators as auctioneers, brokers, and exclusive marketing agents under the terms of the Agreements in connection with these chapter 11 cases is permitted by sections 327(a) and 328(a) of the Bankruptcy Code, and this Application meets the requirements of Bankruptcy Rule 2014. As described above, the Liquidators have the ability to maximize the amounts realized from the Dispositions, given their access to markets and experience with assets of this nature, particularly since the Liquidators can and will immediately take steps to marshal and refurbish the Sale Assets. Such retention and employment is reasonable under the circumstances and is in the best interests of the Debtors, their estates, their creditors, and other parties in interest.

d. Receivables Services (*Hilco only, if requested*)

- i. in consultation with the Debtors, collect, service, settle, and otherwise resolve the Receivables on the Debtors' behalf and in otherwise compliance with applicable law;
- ii. in consultation with the Debtors, direct the obligors on the Receivables to make payment to the Debtors or Hilco, as the agent for the Debtors;
- iii. have the authority, without any further act or consent of the Debtors, to collect, service, settle, and otherwise resolve the Receivables;
- iv. (a) receive cash, drafts, checks, wire transfers, credit cards, and money orders on account or in satisfaction of the Receivables; and (b) endorse and negotiate any of the foregoing received by Hilco, as the agent for the Debtors;
- v. upon receipt of the Debtors' written (including email) request, Hilco shall provide an electronic report to the Debtors that specifies, for each Receivables account placed with Hilco, (a) the action or actions taken by Hilco, (b) the results, if any, obtained as of such date, and (c) the current status. All such reports shall be in form and substance reasonably acceptable to Debtors. In addition, Hilco shall provide the Debtors with such other information regarding the Services as the Debtors may reasonably request; and
- vi. if the Company requests, identify and oversee third party collection attorneys to collect those Receivables Hilco is otherwise unable to collect.

45. All services provided by the Liquidators will be performed at the request of the Debtors and in consultation and coordination with the Debtors' other restructuring professionals.

B. Professional Compensation and Expense Reimbursement

46. Pursuant to the terms of the Agreements, the Liquidators will be compensated as follows:⁸

⁸ There will be a separate agreement between the RB Group and Hilco providing that if one of them assists the other in the disposition of Sale Assets, they will share the fees received under the Agreements. However, the total fees payable by the Debtors shall not be impacted by any agreement between RB Group and Hilco to share fees.

- a. a commission equal to eight percent (8.0%) of the gross sale price for sales of M&E (the “M&E Service Fee”);
- b. a commission equal to eight percent (8.0%) of the gross sale price for sales of Inventory (“Inventory Service Fee”);
- c. a fee in an amount equal six percent (6.0%) of the gross price for the sale of the Properties or sale or assignment of any Leases (the “Real Estate Fee”);
- d. a commission equal to fifteen percent (15.0%) of the gross proceeds from the sale or other disposition of the Intellectual Property (the “IP Services Fee”) to buyers other than CSL Capital Management, L.P. (“CSL”);⁹ and
- e. a sliding scale commission up to four percent (4.0%) for all Receivables assigned to and collected by Hilco (the “Receivables Fee”).¹⁰

47. In addition, the RB Group charges purchasers an administrative fee (the “Administrative Fee”). Any Administrative Fee collected shall not exceed 3.85% for M&E that sells for over \$10,000, with an absolute ceiling of \$1,290 regardless of sale price. The Administrative Fee will not be considered Gross Proceeds for the purpose of calculating the commission fees under the Agreement with the RB Group.

48. In the event that Inventory that would normally be sold by Hilco is sold in conjunction with the sale of the Debtors’ M&E and RB Group is paid a fee on account of the sale of such assets, Hilco will not be entitled to receive any compensation on account of such Inventory sales. Furthermore, the Debtors are permitted to remove any of the Sale Assets (other than the first 300 tractors identified on Exhibit A to the RB Group Agreement) from prospective sales in order to sell such assets in conjunction with the going concern sales of their cementing business or fracking business. In such case, neither Liquidator will be entitled to receive any compensation related to such sales.

⁹ Any sale of Intellectual Property to CSL shall not result in a fee payable to Hilco.

¹⁰ This Application provides a summary of the terms in the Agreements, which is qualified in its entirety by the specific provisions of the Agreements themselves.

49. In addition, the Debtors will reimburse the Liquidators for certain commercially reasonable and documented out-of-pocket expenses incurred in the performance of the above-listed services under the Agreements:

- a. RB Group will be reimbursed (on a cost plus 10% basis) for all commercially reasonable and documented out-of-pocket expenses incurred by RB Group for: (i) repair and refurbishment costs to be incurred solely to maximize the net sale proceeds and (ii) industry-standard title fees. RB Group will be entitled to such reimbursement regardless whether or not any M&E Assets are sold, provided that the M&E Expenses shall not exceed \$900,000 without the prior written consent of the Debtors and their Equipment Term Loan Lenders, and which expenses shall be recovered from the proceeds of the sale of M&E Assets only.
- b. Hilco will be reimbursed for all commercially reasonable and documented out-of-pocket expenses incurred by Hilco associated with previewing, removing, and preparing the Inventory Assets for sale, and other miscellaneous costs and expenses.
- c. Hilco will be entitled to such reimbursement regardless of whether any Inventory Assets are sold, provided that the Inventory Expenses shall not exceed \$100,000 without the Debtors' prior consent, and which expenses shall be recovered from the proceeds of the sale of Inventory only.
- d. In the event that the Debtors request that Hilco sell additional non-Inventory assets, Hilco will also be entitled to the following reimbursement:
 - i. Real Estate Services Expenses. Hilco shall advance and shall be entitled to reimbursement by the Debtors for all Real Estate Expenses, regardless whether or not any Properties are sold, provided that the Real Estate Expenses shall not exceed \$50,000 without the Debtors' prior consent.
 - ii. IP Services Expenses. In connection with the performance of the IP Services, the Parties shall mutually agree upon a supplemental expense budget and the Debtors shall reimburse Hilco for any reasonable and documented out-of-pocket costs and expenses incurred in the performance of the IP Services, excluding expenses associated with third-party brokers or agents, and subject to the mutually agreed upon IP Services Budget.
 - iii. Receivables Services Expenses. Hilco shall bear all costs and expenses associated with providing the Receivables Services. If the Debtors retain (or direct Hilco to retain the services of) an attorney or law firm to collect, service, settle, and otherwise resolve a Receivables account, the Debtors shall be responsible for all costs

and expenses of collecting, servicing, settling, or otherwise resolving each such Receivables account, including (without limitation) the fees, costs, and expenses of such attorney or law firm.

50. The Debtors have also agreed to compensate the Liquidators on a time and materials basis (based on their then-prevailing hourly rates) for any time spent by them preparing for and testifying in Court or depositions related to their engagement as detailed herein, and attending proceedings in this Court.

51. The compensation scheme reflected in the Agreements is reasonable and competitive, and was negotiated at arms'-length by the Debtors.

52. The compensation scheme described above and addressed more fully in the Agreements is subject to approval of this Court. However, the Debtors request that the Liquidators be excused from the requirements to file interim fee applications or maintain time records. Instead, the Debtors request that the Liquidators be permitted to file a final fee statement with a summary of the fees earned and reimbursable expenses incurred (the "Fee Statement"). The Fee Statement shall be in full satisfaction of any and all requirements for the filing of an application for the payment of fees and expenses and other filings required of professionals, including, but not limited to, those imposed by sections 327, 328, 330, and 331 of the Bankruptcy Code and Bankruptcy Rule 2016.

C. Indemnification

53. As more fully set forth in the Agreements, the Debtors have agreed to indemnify the Liquidators against certain losses arising out of their engagements by the Debtors. Specifically, the Debtors have agreed to indemnify and hold the Liquidators harmless from any and all claims, causes of actions, damages, losses, or liabilities (including, without limitation, reasonable and documented attorneys' fees) of any kind arising from or related to the Debtors':

- a. material breach of any of their obligations, representations and warranties under the Agreements;
- b. performance or failure to perform under the Agreements;
- c. failure to pay any real property, personal property, or other taxes associated with the Sale Assets;
- d. fraud, gross negligence (including omissions) or willful misconduct;
- e. liability related to the Debtors' previous real estate brokers; and
- f. misrepresentations concerning the Sale Assets.

54. The Debtors submit that the terms and conditions of the Liquidators' retention as described herein, including the proposed compensation and indemnification terms, are reasonable and in keeping with the terms and conditions typical for engagements of this size and character.

D. The Liquidators' Disinterestedness

55. To the best of the Debtors' knowledge, each of the Liquidators are "disinterested persons," as that term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code and as required by section 327(a) of the Bankruptcy Code: neither of the Liquidators have any connection with or hold any interest adverse to the Debtors, their creditors, or any other party in interest, or their respective attorneys and accountants, except as may be set forth in the Declarations.

56. Specifically, the Liquidators:

- a. are not creditors, equity security holders, or insiders of the Debtors;
- b. were not, within two years before the date of filing of the Debtors' chapter 11 petitions, a director, officer, or employee of the Debtors; and
- c. do not have an interest materially adverse to the interests of the estates or of any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors, or for any other reason.

57. The Liquidators will conduct an ongoing review of their files for the duration of their retention, and if any new relevant facts or relationships are discovered, the Liquidators will disclose such information to the Court.

58. The Debtors' knowledge, information, and belief regarding the matters set forth in this Motion are based, and made in reliance upon, the Declarations and other information provided by the Liquidators.

59. The Debtors submit that the retention of the Liquidators on the terms and conditions set forth in the Agreements, as summarized herein, is in the best interests of the Debtors, their estates and creditors, and all other parties in interest. The Agreements are commercially reasonable compensation and retention agreements for liquidators who provide similar services to those provided by the Liquidators. As discussed above and in the Schnur Declaration, the Debtors selected the Liquidators only after discussing similar arrangements with other firms, determining that the Liquidators offered the most favorable terms, and further negotiating those terms with the Liquidators.

60. Furthermore, the Debtors believe that the Liquidators are "disinterested persons" and do not hold or represent any interest adverse to the estates, the Agreements provide reasonable compensation to the Liquidators for the services to be provided, and the Liquidators will provide a substantial benefit to the Debtors by efficiently liquidating the Sale Assets, which will produce significant cash for the Debtors' estates. Accordingly, the Court should approve the Agreements and the retention of the Liquidators pursuant to section 327 and 328(a) of the Bankruptcy Code, Bankruptcy Rule 2014(a), and Local Rule 2014-1

Waiver of Bankruptcy Rules 6004(a) and 6004(h)

61. To implement the requested relief successfully, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a) and the fourteen (14)-day stay of an order authorizing the use, sale, or lease of property under Bankruptcy Rule 6004(h). In order to minimize delay, disruption, and burden on these estates and to maximize the value of the Sale Assets, the Debtors require the Liquidators to sell the Sale Assets as expeditiously as possible. To that end, the Liquidators need to begin marketing and collecting the Sale Assets as soon as practicable and immediately following entry of the order granting the relief requested herein. The Debtors believe that, in order to maximize value and avoid unnecessarily disrupting the sale, the sale should be consummated without further delay.

Reservation of Rights

62. Nothing contained in this Application or any actions taken by the Debtors pursuant to relief granted is intended or should be construed as: (i) an admission as to the validity of any claim or lien against the Debtors, (ii) a waiver of the Debtors' rights to dispute the amount of, basis for, or validity of any claim against the Debtors, (iii) a waiver of any claims or causes of action which may exist against any creditor or interest holder, or (iv) an approval, assumption, adoption, or rejection of any agreement, contract, lease, program, or policy between the Debtors and any third party under section 365 of the Bankruptcy Code.

Notice

63. The Debtors will provide notice of this Application to the following parties: (a) the Office of the U.S. Trustee for the Southern District of Texas; (b) the Creditors' Committee and counsel thereto; (c) the administrative agent under the Debtors' prepetition asset-based revolving credit facility and counsel thereto; (d) the administrative agent under the Debtors' prepetition term loan facility and counsel thereto; (e) the administrative agent under the Debtors' prepetition real

estate loan and counsel thereto; (f) the United States Attorney's Office for the Southern District of Texas; (g) the Internal Revenue Service; (h) the United States Securities and Exchange Commission; (i) the Environmental Protection Agency and similar state environmental agencies for states in which the Debtors conduct business; (j) the state attorneys general for states in which the Debtors conduct business; (k) any lienholders with interests in the Sale Assets; and (l) any party that has requested notice pursuant to Bankruptcy Rule 2002. The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

No Prior Request

64. No prior motion for the relief requested herein has been made to this or any other court.

[Remainder of page intentionally left blank]

WHEREFORE, the Debtors respectfully request that the Court enter the Order, granting the relief requested in this Application and granting such other relief as the Court deems appropriate under the circumstances.

I, Anthony C. Schnur, Chief Restructuring Officer of BJ Services, LLC, hereby declare under penalty of perjury:

1. I am a Senior Managing Director at the Ankura Consulting Group, LLC (“Ankura”), and serve as the Chief Restructuring Officer of BJ Services, LLC, one of the above-captioned debtors and debtors in possession (collectively, the “Debtors”).

2. Ankura’s practice specializes in providing financial, business, and strategic assistance to companies, typically in distressed business settings. Ankura serves troubled companies, debtors, secured and unsecured creditors, equity holders, and other parties in both in-

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: BJ Services, LLC (3543); BJ Management Services, L.P. (8396); BJ Services Holdings Canada, ULC (6181); and BJ Services Management Holdings Corporation (0481). The Debtors’ service address is: 11211 Farm to Market 2920 Road, Tomball, Texas 77375.

court and out-of-court engagements. Prior to the Petition Date, Ankura was engaged by the Debtors to help manage their liquidity.

3. I have over 30 years of experience in senior executive management, structured finance, sales and marketing, and commercial banking. In my 20 years in the energy space, I have directed strategic planning processes, acquisitions, divestitures, mergers, and capital raises. I have also provided asset management, cash flow forecasts, corporate reporting, and credit facility negotiations and management. I have worked with financially distressed companies for 15 years leading turnaround and restructuring initiatives, streamlining operations, implementing efficient financial controls, and negotiating with creditors and equity investors. Prior to joining Ankura in 2020, I was a managing director at Capodian LLC, an independent consulting company. Upon terminating my employment with Capodian LLC, I began my role as a senior managing director of Ankura.

4. I submit this declaration (the “Declaration”) in support of the *Debtors’ Emergency Application for Entry of an Order (I) Authorizing the Retention and Employment of Ritchie Bros. Auctioneers (America) Inc. and Hilco Valuation Services, LLC as Auctioneers, Brokers, and Exclusive Marketing Agents, Effective as of August 6, 2020, (II) Approving the Sale of Assets Free and Clear of All Liens, Claims, Interests, and Encumbrances, and (III) Granting Related Relief* (the “Application”).²

5. Except as otherwise indicated herein, all facts set forth in this Declaration are based upon my personal knowledge of the Debtors’ employees, operations, finances, information learned from my review of relevant documents, information supplied to me by members of the Debtors’ management and their advisors, or my opinion based on my experience, knowledge, and

information concerning the Debtors' operations, financial affairs, and initiatives. I am over the age of 18, and I am authorized to submit this Declaration on behalf of the Debtors. If called upon to testify, I could and would testify competently to the facts set forth in this Declaration.

Background

6. In the months leading up to the Petition Date, the Debtors and their advisors worked diligently and in good faith to preserve the Debtors as a going concern in light of severe liquidity challenges. Despite the Debtors' best efforts, they were unable to drive consensus amongst their stakeholders around a consensual restructuring. As a result, the Debtors are pursuing an orderly wind down of their operations and a going concern sale of their cementing and fracturing businesses.

7. The going concern sales involve only a small percentage of the Debtors' assets. Certain other assets not included in the going concern sales are no longer useful to the Debtors' operations due to the winding down of their businesses as well as changing market demands. The Debtors have determined in their business judgment that selling these assets is in the best interest of their estates and creditors.

8. Accordingly, the Application seeks authority to sell these excess assets and to employ and retain RB Group and Hilco (each as defined below) to serve as auctioneers, brokers, and marketing agents in connection with these sales.

The Application

A. Retention of RB Group and Hilco is Key to Maximizing the Value of the Assets

9. The Application seeks authority to employ and retain Ritchie Bros. Auctioneers (America) Inc. and certain of its affiliates (collectively, "RB Group") on the terms described in the Asset Marketing Agreement attached to the Order as Exhibit 1 (the "RB Group Agreement") and Hilco Valuation Services, LLC and certain of its affiliates (collectively, "Hilco," and together with

the RB Group, the “Liquidators”) on the terms described in the Asset Marketing Agreement attached to the Order as Exhibit 2 (the “Hilco Agreement,” and together with the RB Group Agreement, the “Agreements”).

10. After considering liquidation professionals capable of handling sales of this magnitude, as well as several weeks of negotiations and input from the Liquidators regarding the Debtors’ sale process, and conversations with their various creditor groups, I, in consultation with the Debtors’ management, stakeholders, and advisors, determined to retain both RB Group and Hilco.

11. I believe that the Liquidators’ proposals will provide the best overall solution given their complimentary services, competitive economic terms, platforms, and capabilities. Also, retention of the Liquidators permits any combination of commercial sales, public unreserved auctions, and online sales under strategies approved by the Debtors, in consultation with their secured lenders and the Creditors’ Committee, in order to maximize the realizable value of the assets.

B. The Agreements Were Negotiated at Arms’-Length

12. The terms of the Agreements are the product of extensive, good-faith, and arm’s-length negotiations between the Debtors and the Liquidators (who, to the best of my knowledge, are “disinterested persons” as that term is defined under the Bankruptcy Code). I believe the terms of the Agreements are market and reasonable under the circumstances.

[Remainder of page intentionally left blank.]

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing statements are true and correct to the best of my knowledge, information, and belief.

I, Sam Wyant, make this Declaration pursuant to 28 U.S.C. § 1746, and state:

1. I am a Senior Vice President of Strategic Accounts at Ritchie Bros. Auctioneers (America) Inc., which has a principal place of business at 4000 Pine Lake Road, Lincoln, NE 68516.

2. I submit this declaration (the "Declaration") on behalf of RB Group¹ in support of the *Debtors' Emergency Application for Entry of an Order (I) Authorizing the Retention and Employment of Ritchie Bros. Auctioneers (America) Inc. and Hilco Valuation Services, LLC as Auctioneers, Brokers, and Exclusive Marketing Agents, Effective as of August 6, 2020; (II) Approving the Sale of Assets Free and Clear of all Liens, Claims, Interests, and Encumbrances; and (III) Granting Related Relief* (the "Application"), by which the above-captioned debtors and debtors in possession (collectively, the "Debtors") are seeking to retain and employ RB Group and

Hilco as auctioneers, brokers, and exclusive marketing agents in connection with the above-captioned chapter 11 cases, and on the terms and conditions set forth in the Application and the Agreements. Except as otherwise indicated, I have personal knowledge of the matters set forth herein. If called to testify, I could, and would, testify competently to the matters set forth herein.

RB Group's Qualifications

3. Since 1958, RB Group has been in the business of, among other things, refurbishing and selling heavy equipment and trucks. With a global network that includes over forty permanent auction sites around the world and operations in more than fifteen countries, RB Group sells billions of dollars of heavy equipment and trucks each year and helps thousands of people around the world appraise, sell, inspect, buy, refurbish, ship and finance heavy equipment, trucks, and other assets every month.

4. RB Group has served as auctioneer or broker, in a similar capacity as contemplated here, in many complex bankruptcy cases in this district and others, either as a retained professional or an ordinary-course professional. *See, e.g., In re Westinghouse Electric Co., et al.*, No. 17-10751 (MEW) (Bankr. S.D.N.Y., Jan. 10, 2018) [Docket No. 2107]; *In re Tim E. Bertagnolli and T.E. Bertagnolli & Associates, Inc.*, No. 15-50214 (GWZ) (Bankr. D. Nev., Feb. 4, 2016) [Docket No. 350]; *In re Builder's Concrete, Inc., d/b/a Aggieland Ready Mix Co.*, No. 11-36600 (DRJ) (Bankr. S.D. Tex., March 1, 2012) [Docket No. 149]. RB Group has extensive experience working efficiently with debtors in possession or trustees and their other retained professionals.

Services to be Provided

5. The RB Group has agreed to serve as the Debtors' marketing and sales agent with respect to the marketing, sale, and disposition of the certain of the Debtors' tractors, rolling stock, machinery, and equipment, as identified in Exhibit A to the RB Group Agreement. Specifically, RB Group will:

- a. develop an advertising and marketing plan for the sale of the M&E;

- b. implement the advertising and marketing plan as deemed necessary or appropriate by RB Group to maximize the net recovery on the M&E;
- c. prepare for the sale of the M&E, including gathering specifications and photographs for pictorial brochures and arranging the M&E in a manner, which in RB Group's judgment would be designed to enhance the net recovery on the M&E;
- d. provide fully qualified and experienced personnel who will prepare for and sell the M&E in accordance with the terms of the RB Group Agreement;²
- e. provide a complete auction crew to handle computerized accounting functions necessary to provide auction buyers with invoices and the Debtors with a complete accounting of all M&E sold at the auction;
- f. oversee the removal of M&E by buyers from the Properties;
- g. sell the M&E Assets for cash or other immediately available funds to the highest bidder(s) on an "as-is," "where-is" and "all sales are final" basis;
- h. charge and collect on behalf of the Debtors from all purchasers any purchase price together with all applicable taxes in connection therewith;
- i. assist the Debtors and/or its advisors as necessary to obtain all required approvals and authorizations from the Bankruptcy Court with respect to any sale of M&E contemplated herein;
- j. work with the Debtors and/or its advisors to prepare reports, statements, affidavits or similar documents required under Rule 6004 of the Federal Rules of Bankruptcy Procedure or any applicable local rule;
- k. collect Gross Proceeds generated by the sale of the M&E and remit such proceeds to the Debtors within thirty (30) days after the sale of each M&E; and
- l. submit an initial sales report to the Debtors within fourteen (14) days after the sale of the M&E and a final complete sales report to the Debtors within fourteen days after the end of the Term.

6. I believe that such services are necessary to the Debtors' efforts in these chapter 11 cases to dispose of the Assets. Based on my years of experience as a professional in the liquidation industry, I believe that it is important to get the M&E to auction as soon as possible to maximize the value of such assets, considering that other similar assets may be coming to the market shortly,

² For items of Assets sold at live or online unreserved auctions, and due to the nature of unreserved auctions, neither the Liquidators, nor the Debtors has any control over the final sale price paid for such items.

which would likely decrease value in sales. Therefore, approval of the RB Group's engagement is time sensitive.

No Duplication of Services

7. RB Group understands that the Debtors may retain additional professionals during the term of RB Group's engagement and will work cooperatively with such professionals to integrate any respective work conducted by such professionals on behalf of the Debtors. RB Group's services will not duplicate the services rendered by any other professionals retained in these chapter 11 cases.

Compensation and Expense Reimbursement

8. In consideration of its performance of the above-referenced services, RB Group is requesting an eight percent (8.00%) fee. RB Group also requests compensation on an hourly basis for any time spent by a RB Group employee preparing for and testifying in court or a deposition, and attending court proceedings.

9. The RB Agreement provides that RB Group will be reimbursed (on a cost plus 10% basis) for all commercially reasonable and documented out-of-pocket expenses incurred by RB Group for: (i) repair and refurbishment costs to be incurred solely to maximize the net sale proceeds and (ii) industry-standard title fees. RB Group will be entitled to such reimbursement regardless whether or not any M&E Assets are sold, *provided* that the M&E Expenses shall not exceed \$900,000 without the prior written consent of the Debtors and their Equipment Term Loan Lenders, and which expenses shall be recovered from the proceeds of the sale of M&E Assets only.

10. In addition, within 10 business days from the Effective Date, the Debtors and RB Group will mutually agree upon an expense budget for transporting M&E Assets that RB Group

recommends marshalling for the purpose of centralizing the M&E Assets to as few locations as commercially reasonable to maximize buyer participation and convenience.

Indemnification

11. RB Group understands that the indemnification provisions of its Agreement with the Debtors may be modified as provided in the Order, and that, in the event of inconsistency between the Agreement with the RB Group and any order of the Court, such order shall control.

RB Group's Disinterestedness

12. To the best of my knowledge, RB Group (i) does not hold any interest materially adverse to the Debtors' estates; (ii) has no material connection with the Debtors, their creditors, equity security holders, any other parties in interest; and (iii) is a "disinterested person" as such term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code and as required by section 327(a) of the Bankruptcy Code, except as may be set forth in this Declaration.

13. To make this determination, RB Group obtained from the Debtors the names of individuals and entities that may be parties in interest in these chapter 11 cases, which are included on **Schedule 1**, attached hereto. To the extent that any connections were discovered, they are disclosed on **Schedule 2**, attached hereto. Because of the magnitude of the entire creditor list in the Debtors' cases, it is possible that RB Group may represent or may have represented other creditors of the Debtors, but RB Group does not represent any such creditors in connection with these cases. RB Group may presently serve or may have in the past served as a professional person in other matters, wholly unrelated to the Debtors or these cases, in which other attorneys, accountants, and other professionals of the Debtors, creditors, or other parties in interest may have

also served or serve as professional persons. None of these prior representations involved the Debtors or the Assets and none accounted for even 1% of RB Group's annual revenues

14. Based on RB Group's internal conflicts procedures and review of any results in connection therewith, except as set forth above, RB Group represents that, to the best of its knowledge, RB Group knows of no fact or situation that would represent a conflict of interest for RB Group with regard to the Debtors.

15. To the best of my knowledge, information, and belief, after reasonable inquiry, none of RB Group's personnel (a) have any connection with the United States Trustee for the Southern District of Texas (the "U.S. Trustee"), or any employee in the Office of the U.S. Trustee; or (b) are related or connected to any United States Bankruptcy Judge for the Southern District of Texas, except as otherwise set forth herein.

16. To the best of my knowledge, information, and belief, after reasonable inquiry, RB Group has not been retained to assist any entity or person other than the Debtors on matters relating to, or in direct connection with, these chapter 11 cases. However, RB Group may continue to provide professional services to entities that may be creditors or equity security holders of the Debtors or other parties in interest in these chapter 11 cases, provided that such services do not relate to, or have any direct connection with, these chapter 11 cases or the Debtors.

17. Certain of RB Group's employees, managing directors, board members, equity holders, or an affiliate of any of the foregoing may have financial accounts or insurance relationships with a party listed on Schedule 1. In addition, Earnst and Young, who is a professional being retained by the Debtors, is an auditor of RB Group's publicly-traded Canadian parent.

18. Despite the efforts described above to identify and disclose the connections that RB Group and its affiliates have with parties in interest in these chapter 11 cases, because the Debtors form a large enterprise with numerous creditors and other relationships, RB Group is unable to state with certainty that every client relationship or other connection has been identified and disclosed.

19. In accordance with section 504 of the Bankruptcy Code and Bankruptcy Rule 2016, other than a fee sharing arrangement amongst the Liquidators (which will not increase any cost to the Debtors) RB Group has not entered into any agreements, express or implied, with any other party in interest, including the Debtors, any creditor, or any attorney for such party in interest in these chapter 11 cases, (a) for the purpose of sharing or fixing fees or other compensation to be paid to any such party in interest or its attorneys for services rendered in connection therewith, (b) for payment of such compensation from the assets of the estates in excess of the compensation allowed by this Court pursuant to the applicable provisions of the Bankruptcy Code, or (c) for payment of compensation in connection with these chapter 11 cases other than in accordance with the applicable provisions of the Bankruptcy Code.

20. Accordingly, except as otherwise set forth herein, insofar as I have been able to determine, neither I, RB Group, nor any RB Group personnel, holds or represents any interest adverse to the Debtors or their estates, and RB Group is a “disinterested person” as that term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code, in that RB Group and its professionals and employees who will work on the engagement:

- (a) are not creditors, equity security holders, or insiders of the Debtors;
- (b) were not, within two years before the Petition Date, a director, officer or employee of the Debtors; and

- (c) do not have an interest materially adverse to the interest of the Debtors' estate or any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors, or for any other reason.

21. If RB Group discovers additional information that requires disclosure, RB Group will promptly file a supplemental disclosure with this Court as required by Bankruptcy Rule 2014. RB Group reserves the right to supplement this Declaration in the event that RB Group discovers any facts bearing on matters described in this Declaration regarding RB Group's employment by the Debtors.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

**DECLARATION OF ERIC W. KAUP IN SUPPORT OF DEBTORS'
EMERGENCY APPLICATION FOR ENTRY OF AN ORDER
(I) AUTHORIZING THE RETENTION AND EMPLOYMENT OF RITCHIE BROS.
AUCTIONEERS (AMERICA) INC. AND HILCO VALUATION
SERVICES, LLC AS AUCTIONEERS, BROKERS, AND EXCLUSIVE
MARKETING AGENTS, EFFECTIVE AS OF AUGUST 6, 2020, (II) APPROVING
THE SALE OF ASSETS FREE AND CLEAR OF ALL LIENS, CLAIMS,
INTERESTS, AND ENCUMBRANCES, AND (III) GRANTING RELATED RELIEF**

I, Eric W. Kaup, make this Declaration pursuant to 28 U.S.C. § 1746, and state:

1. I am Eric W. Kaup, an Executive Vice President and General Counsel of Hilco Trading, LLC (“Trading”), which has a principal place of business at 5 Revere Drive, Northbrook, IL 60062. In addition, I am Secretary to, and Trading is the Managing Member of, the following Hilco entities: Hilco Valuation Services, LLC, Hilco Real Estate, LLC, Hilco IP Services, LLC d/b/a Hilco Streambank, Hilco Receivables, LLC, Hilco Appraisal Services CO., HRE Canada ULC, Hilco Industrial Acquisitions Canada ULC, and Hilco Receivables Canada ULC.

2. I submit this declaration (the “Declaration”) on behalf of Hilco¹ in support of the *Debtor’s Emergency Application for Entry of an Order (I) Authorizing the Retention and Employment of Ritchie Bros. Auctioneers (America) Inc. and Hilco Valuation Services, LLC as Auctioneers, Brokers, and Exclusive Marketing Agents, Effective as of August 6, 2020,*

¹ Capitalized terms used but not otherwise defined in this Declaration shall have the meanings ascribed to them in the Application.

(II) Approving the Sale of Assets Free and Clear of All Liens, Claims, Interests, and Encumbrances, and (III) Granting Related Relief (the “Application”), by which the above-captioned debtors and debtors in possession (collectively, the “Debtors”) are seeking to retain and employ RB Group and Hilco as auctioneers, brokers and exclusive marketing agents in connection with the above-captioned chapter 11 cases, and on the terms and conditions set forth in the Application and the Agreement. Except as otherwise indicated, I have personal knowledge of the matters set forth herein. If called to testify, I could, and would, testify competently to the matters set forth herein.

Hilco’s Qualifications

3. Hilco is in the business of, among other things, monetizing real estate interests, intellectual property, accounts receivables and others assets. With operations throughout the United States and in more than fifteen countries, Hilco sells billions of dollars of assets each year and helps thousands of companies around the world appraise, sell, inspect, buy, refurbish, ship and finance tangible and intangible assets every year.

4. Hilco has served as auctioneer or broker, in a similar capacity as contemplated here, in many complex bankruptcy cases in this district and others, either as a retained professional or an ordinary-course professional. Hilco has extensive experience working efficiently with debtors in possession or trustees and their other retained professionals.

Services to be Provided

5. Pursuant to the Agreement, the Liquidators, subject to an order of this Court, agreed to provide professional services to the Debtors to assist them with disposing of the Assets, including:

- a. In connection with the Accounts Receivable, aggregate and preserve the necessary information from the Debtors’ information systems, contact and

negotiate with the Debtors' account debtors so as to maximize the collection of the Accounts Receivable;

- b. Market and sell the Inventory in multiple phases utilizing private treaty, online, webcast, or public auctions, and such other sale strategies as Hilco deems appropriate to maximize value;
- c. Market and sell the Intellectual Property utilizing such methodologies as Hilco deems appropriate to maximize value; and
- d. Market and sell the Properties in such a way as to minimize carry costs and maximize value of the Properties.

No Duplication of Services

6. Hilco understands that the Debtors may retain additional professionals during the term of Hilco's engagement and will work cooperatively with such professionals to integrate any respective work conducted by such professionals on behalf of the Debtors. Hilco's services will not duplicate the services rendered by any other professionals retained in these chapter 11 cases.

Compensation and Expense Reimbursement

7. Hilco shall be entitled to receive (a) a commission equal to 8.0% of the gross sale price for the Inventory ("Inventory Service Fee"); (b) fee in an amount equal 6.0% of the gross price for the Properties or sale or assignment of any Leases (the "Real Estate Fee"); (c) a commission equal to 15.0% of the gross proceeds from the sale or other disposition of the Intellectual Property (the "IP Services Fee") to buyers other than CSL; and (d) a sliding scale commission up to 4% for all Receivables assigned to and collected by Hilco (the "Receivables Fee").²

8. In addition, Hilco shall be reimbursed from the first dollars received from the Asset any expenses, up to certain thresholds, incurred by the Liquidators in connection with the sale of

² In the event of any conflict between the compensation and reimbursement terms described in this Declaration and the Agreement, the terms set forth in the Agreement shall govern.

Inventory, Real Estate and Intellectual Property, as set forth in the Agreement. Outside of legal costs, Hilco will bear all costs in connection with the collection of Receivables, as set forth in the Agreement.

Indemnification

9. Hilco understands that the indemnification provisions of the Agreement may be modified as provided in the Proposed Order, and that, in the event of inconsistency between the Agreement and any order of the Court, such order shall control.

Hilco's Disinterestedness

10. To the best of my knowledge, Hilco (i) does not hold any interest materially adverse to the Debtors' estates; (ii) has no material connection with the Debtors, their creditors, equity security holders, any other party in interest, or related parties herein; and (iii) is a "disinterested person" as such term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code and as required by section 327(a) of the Bankruptcy Code, except as may be set forth in this Declaration. To make this determination, Hilco obtained from the Debtors the names of individuals and entities that may be parties in interest in these chapter 11 cases. Because of the magnitude of the entire creditor list in the Debtors' cases, it is possible that Hilco may represent or may have represented other creditors of the Debtors, but Hilco does not represent any such creditors in connection with these cases. Hilco may presently serve or may have in the past served as a professional person in other matters, wholly unrelated to the Debtors or these cases, in which other attorneys, accountants and other professionals of the Debtors, creditors, or other parties in interest may have also served or serve as professional persons. Aside from the prior work done under the Agreement for the Debtors, none of these representations involve the Debtors or the Assets and none account for even 1% of Hilco's annual revenues

11. Based on Hilco's internal conflicts procedures and review of any results in connection therewith, except as set forth above, Hilco represents that, to the best of its knowledge, Hilco knows of no fact or situation that would represent a conflict of interest for Hilco with regard to the Debtors.

12. To the best of my knowledge, information, and belief, after reasonable inquiry, none of Hilco's personnel (a) have any connection with the United States Trustee for the Southern District of Texas (the "U.S. Trustee"), or any employee in the Office of the U.S. Trustee; or (b) are related or connected to any United States Bankruptcy Judge for the Southern District of Texas, except as otherwise set forth herein.

13. To the best of my knowledge, information, and belief, after reasonable inquiry, Hilco has not been retained to assist any entity or person other than the Debtors on matters relating to, or in direct connection with, these chapter 11 cases. However, Hilco may continue to provide professional services to entities that may be creditors or equity security holders of the Debtors or other parties in interest in these chapter 11 cases, provided that such services do not relate to, or have any direct connection with, these chapter 11 cases or the Debtors.

14. Certain of Hilco's employees, managing directors, board members, equity holders, or an affiliate of any of the foregoing may have financial accounts or insurance relationships with a party listed on Schedule 1.

15. Despite the efforts described above to identify and disclose the connections that Hilco and its affiliates have with parties in interest in these chapter 11 cases, because the Debtors form a large enterprise with numerous creditors and other relationships, Hilco is unable to state with certainty that every client relationship or other connection has been identified and disclosed.

16. In accordance with section 504 of the Bankruptcy Code and Bankruptcy Rule 2016, other than a fee sharing arrangement amongst the Liquidators (which will not increase any cost to the Debtors), neither I nor Hilco has entered into any agreements, express or implied, with any other party in interest, including the Debtors, any creditor, or any attorney for such party in interest in these chapter 11 cases, (a) for the purpose of sharing or fixing fees or other compensation to be paid to any such party in interest or its attorneys for services rendered in connection therewith, (b) for payment of such compensation from the assets of the estates in excess of the compensation allowed by this Court pursuant to the applicable provisions of the Bankruptcy Code, or (c) for payment of compensation in connection with these chapter 11 cases other than in accordance with the applicable provisions of the Bankruptcy Code.

17. Accordingly, except as otherwise set forth herein, insofar as I have been able to determine, neither I, Hilco, nor any Hilco personnel holds or represents any interest adverse to the Debtors or their estates, and Hilco is a “disinterested person” as that term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code, in that Hilco and its professionals and employees who will work on the engagement:

- (a) are not creditors, equity security holders, or insiders of the Debtors;
- (b) were not, within two years before the Petition Date, a director, officer or employee of the Debtors; and
- (c) do not have an interest materially adverse to the interest of the Debtors’ estate or any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors, or for any other reason.

18. If Hilco discovers additional information that requires disclosure, Hilco will promptly file a supplemental disclosure with this Court as required by Bankruptcy Rule 2014.

Hilco reserves the right to supplement this Declaration in the event that Hilco discovers any facts bearing on matters described in this Declaration regarding Hilco's employment by the Debtors.

Schedule 2

Disclosures

1. Hilco Real Estate, LLC (“HRE”) provides lease acquisition, disposition, and restructuring services to its commercial real estate clients. In the course of providing such services, HRE may have transacted with one or more of the parties-in-interest identified as landlords of the Debtors in matters unrelated to the Debtors. Additionally, HRE provides brokerage services for Wells Fargo Bank.

2. Affiliates of Hilco have a credit facility in place in which JP Morgan Chase is a participatory lender. Certain of the entities defined as Hilco are obligors and borrowers under such credit facility.

3. From time to time, Hilco and/or its affiliates have engaged or currently engage the professional services of (i) Kirkland & Ellis LLP, (ii) Sidley Austin, LLP, (iii) Ankura Consulting Group, LLC, (iv) Choate Hall & Stewart, (v) Ernst and Young, (vi) DLA Piper, (vii) Paul Hastings, LLP, (viii) Winston & Strawn, and (ix) FTI Consulting, LLC in matters unrelated to the Debtors and these chapter 11 cases.

4. Hilco Merchant Resources, LLC, a Hilco affiliate, from time to time engages in business on a joint venture basis with other nationally recognized retail liquidation firms, including without limitation, Gordon Brothers Retail Partners, LLC, an affiliate of Gordon Brothers Finance Company, and Great American Group, LLC, an affiliate of B. Riley Financial/Great American Capital Partners LLC.

5. Hilco Industrial, LLC from time to time engages in business on a joint venture basis with other auctioneers, including, without limitation, Richie Bros Auctioneers.

6. In matters unrelated to the Debtors and these chapter 11 cases, Hilco and/or its affiliates currently perform or have previously performed real estate, asset disposition, asset appraisal, enterprise valuation, advisory, and/or field exam services for (or related to) the following entities: (i) JPMorgan Chase, (ii) Wells Fargo Bank National Association, (iii) Credit Suisse AG, Cayman Islands Branch; (iv) Goldman Sachs Lending Partners LLC, (v) Morgan Stanley Bank, N.A., (vi) Barclays Bank PLC, (vii) Citibank, N.A. (viii) UBS Investment Bank, an affiliate of UBS AG, (ix) Monroe Capital, (x) Kayne Anderson Capital Advisors, L.P., (xi) FMC Technologies, Inc., which may be an affiliate of TechnipFMC Canada, (xii) Virgin Entertainment Group, which may be an affiliate of Virgin Technologies, (xiii) Chevron, (xiv) Weir Oil & Gas, (xv) Baker Hughes Oilfield Operations, LLC and/or Baker Hughes International Holding Company, (xvi) Ernst & Young.

7. Because of the magnitude of the entire creditor list in these cases, it is possible that Hilco may represent or may have represented or may have a connection to other creditors of the Debtors but does not represent any such creditors in connection with these cases. Hilco presently or in the past has served as a professional person in other matters, wholly unrelated to the Debtors or this case, in which other attorneys, accountants and other professionals of the Debtors, creditors, or other parties in interest may have also served or serve as professional persons.

The Debtors may sell the Sale Assets free and clear of all liens, encumbrances, pledges, mortgages, deeds of trust, security interests, claims, leases, charges, options, rights of first refusal, easements, servitudes, proxies, voting trusts or agreements, transfer restrictions under any agreement, or other interests (collectively, the “Liens”) because one or more of the standards set forth in sections 363(f)(1)–(5) of the Bankruptcy Code have been satisfied with regard to each such Lien. Those non-Debtor parties with Liens or adverse claims in or with respect to the Sale Assets who received notice of the Application and did not object, or who withdrew their objections to the Application, are deemed to have consented to the sale of the Sale Assets free and clear of those non-Debtor parties’ Liens in the Sale Assets pursuant to section 363(f)(2) of the Bankruptcy Code.

5. All Liens on the Sale Assets shall attach to the proceeds thereof with the same priority existing prior to the consummation of the sale of such assets. The Debtors reserve all rights related thereto.

6. The Liquidators shall be permitted to sign any title, release or other similar instrument to transfer ownership to a purchaser of any Sale Assets.

7. This Order shall be sole and sufficient evidence of the transfer of title to any particular purchaser of the Sale Assets, and the transactions consummated pursuant to this Order shall be binding upon and shall govern the acts of all persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the property sold pursuant to this Order, including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, administrative agencies, governmental departments, secretaries of state, and federal, state,

and local officials, and each of such persons and entities is hereby directed to accept this Order as sole and sufficient evidence of such transfer of title and shall rely upon this Order in consummating the transaction.

8. The Debtors are authorized to perform all of their obligations under the Agreements, including payment of the Liquidators' fees and expenses incurred in connection with the sale of the Sale Assets as provided for in the Agreements, without notice to any party or further order of this Court. The payment of fees and reimbursement of expenses hereunder, including those specifically identified below, to the Liquidators is approved under section 328(a) of the Bankruptcy Code:

- a. RB Group shall be entitled to payment by the Debtors of an M&E Services Fee of eight percent (8.00%).
- b. Hilco shall be entitled to payment by the Debtors of a commission equal to eight percent (8.0%) of the Gross Proceeds from the sale of the Inventory. All commissions shall be withheld by Hilco upon collection of Gross Proceeds generated by the sale of Inventory.
- c. In the event that Inventory is sold in conjunction with the sale of the Debtors' M&E and RB Group is paid a fee on account of the sale of such assets, Hilco shall not be entitled to receive any compensation on account of such Inventory sales (but, for the avoidance of doubt, Hilco and RB Group may share such proceeds as agreed between them).
- d. If, and only if, the Debtors request that Hilco sell additional non-Inventory assets, Hilco shall be entitled to the following fees:
 - i. Real Estate Services Fees. With respect to any sale of a Property or an assignment or sale of any of the Leases to a third party during the Term of the Agreement (or any tail period), Hilco shall earn a fee in an amount equal to six percent (6.0%) of the Gross Proceeds generated by the sale of any Property or sale or assignment of any Leases; *provided* that Hilco shall not earn a Real Estate Fee for any Leases assumed by the Debtors.
 - ii. IP Services Fees. In consideration of its performance of the IP Services, Hilco shall be entitled to payment by the Debtor of a commission equal to fifteen percent (15.0%) of the Gross Proceeds from the sale or other disposition of the Intellectual Property to

buyers other than CSL. A sale of the Intellectual Property to CSL shall not result in a fee payable to Hilco.

- iii. Receivables Services Fees. In consideration of its performance of the Receivables Services, Hilco shall be entitled to payment based on the following commission structure, which is contingent upon the aggregate amount of outstanding Receivables assigned to Hilco under the Hilco Agreement equaling at least \$45,000,000 on the Commencement Date:

Gross Cash Receipts	Fee
\$1 to \$5,000,000	1% of Gross Cash Receipts
\$5,000,001 to \$20,000,000	2% of Gross Cash Receipts
\$20,000,001 to \$35,000,000	3% of Gross Cash Receipts
Over \$35,000,000	4% of Gross Cash Receipts

If the aggregate amount of Receivables accounts assigned to Hilco as of the Commencement Date is less than \$45,000,000, the Receivables Fee will be three percent (3.0%) of Gross Cash Receipts collected.

9. The RB Group is authorized to charge purchasers an administrative fee (the “Administrative Fee”). Any Administrative Fee collected shall not exceed 3.85% for M&E Assets that sell for over \$10,000, with an absolute ceiling of \$1,290 regardless of sale price. The Administrative Fee shall not be considered Gross Proceeds for the purpose of calculating the commission fees under the Agreement with the RB Group.

10. The Debtors are permitted to remove any of the Sale Assets (other than the first 300 tractors identified on Exhibit A to the RB Group Agreement) from prospective sales in order to sell such assets in conjunction with the going concern sales of their cementing business or fracking business. In such case, neither Liquidator will be entitled to receive any compensation related to such sales.

11. In addition, the Debtors will reimburse the Liquidators for certain commercially reasonable and documented out-of-pocket expenses incurred in the performance of the above-listed services under the Agreements:

- a. RB Group will be reimbursed (on a cost plus 10% basis) for all commercially reasonable and documented out-of-pocket expenses incurred by RB Group for: (i) repair and refurbishment costs to be incurred solely to maximize the net sale proceeds and (ii) industry-standard title fees. RB Group will be entitled to such reimbursement regardless whether or not any M&E Assets are sold, provided that the M&E Expenses shall not exceed \$900,000 without the prior written consent of the Debtors and their Equipment Term Loan Lenders, and which expenses shall be recovered from the proceeds of the sale of M&E Assets only.
- b. Hilco will be reimbursed for all commercially reasonable and documented out-of-pocket expenses incurred by Hilco associated with previewing, removing, and preparing the Inventory Assets for sale, and other miscellaneous costs and expenses.
- c. Hilco will be entitled to such reimbursement regardless of whether any Inventory Assets are sold, provided that the Inventory Expenses shall not exceed \$100,000 without the Debtors' prior consent, and which expenses shall be recovered from the proceeds of the sale of Inventory only.
- d. In the event that the Debtors request that Hilco sell additional non-Inventory assets, Hilco will also be entitled to the following reimbursement:
 - i. Real Estate Services Expenses. Hilco shall advance and shall be entitled to reimbursement by the Debtors for all Real Estate Expenses, regardless whether or not any Properties are sold, provided that the Real Estate Expenses shall not exceed \$50,000 without the Debtors' prior consent.
 - ii. IP Services Expenses. In connection with the performance of the IP Services, the Parties shall mutually agree upon a supplemental expense budget and the Debtors shall reimburse Hilco for any reasonable and documented out-of-pocket costs and expenses incurred in the performance of the IP Services, excluding expenses associated with third-party brokers or agents, and subject to the mutually agreed upon IP Services Budget.
 - iii. Receivables Services Expenses. Hilco shall bear all costs and expenses associated with providing the Receivables Services. If the Debtors retain (or direct Hilco to retain the services of) an attorney or law firm to collect, service, settle, and otherwise resolve a Receivables account, the Debtors shall be responsible for all costs and expenses of collecting, servicing, settling, or otherwise resolving each such Receivables account, including (without limitation) the fees, costs, and expenses of such attorney or law firm.

12. The Debtors are authorized to compensate the Liquidators on a time and materials basis (based on their then-prevailing hourly rates) for any time spent by them preparing for and testifying in this Court or depositions related to their engagements as detailed in the Agreements, and attending proceedings in this Court.

13. The Liquidators shall not be required to maintain time records or file interim fee applications; *provided, however*, that the Liquidators shall file final statements with a summary of the fees earned and reimbursable expenses incurred, as well as the information required to be filed pursuant to Bankruptcy Rule 6004(f) (the “Fee Statement”).

14. Nothing contained in the Application or this Order, nor any payment made pursuant to the authority granted by this Order, is intended to be or shall be construed as (i) an admission as to the validity of any claim or lien against the Debtors, (ii) a waiver of the Debtors’ rights to dispute the amount of, basis for, or validity of any claim against the Debtors, (iii) a waiver of any claims or causes of action which may exist against any creditor or interest holder, or (iv) an approval, assumption, adoption, or rejection of any agreement, contract, lease, program, or policy between the Debtors and any third party under section 365 of the Bankruptcy Code.

15. The indemnification provisions included in the Agreements are approved, subject during the pendency of these chapter 11 cases to the following modifications:

- a. each indemnified person shall not be entitled to indemnification, contribution, or reimbursement pursuant to the Agreements for claims arising from services other than the services provided under the Agreements, unless such services and the indemnification, contribution, or reimbursement therefor are approved by this Court;
- b. notwithstanding anything to the contrary in the Agreements, the Debtors shall have no obligation to indemnify any person or entity or provide contribution or reimbursement to any person or entity for any claim or expense that is judicially determined (the determination having become final) to have arisen from that person’s or entity’s gross negligence, willful misconduct, bad faith, breach of fiduciary duty (if any), or fraud; and

- c. if, before the earlier of (i) the entry of an order confirming a chapter 11 plan in these chapter 11 cases (that order having become a final order no longer subject to appeal) and (ii) the entry of an order closing these chapter 11 cases, a Liquidator believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification, contribution, or reimbursement obligations under one of the Agreements (as modified by this Order), including, without limitation, the advancement of defense costs, such Liquidator must file an application before this Court, and the Debtors may not pay any such amounts before the entry of an order by this Court approving the payment; provided, however, that for the avoidance of doubt, this subparagraph (c) is intended only to specify the period of time under which this Court shall have jurisdiction over any request for fees and expenses for indemnification, contribution, or reimbursement and not a provision limiting the duration of the Debtors' obligation to indemnify the Liquidators. All parties in interest, including the U.S. Trustee, shall retain the right to object to any request for indemnification, contribution, or reimbursement by the Liquidators or any other indemnified person.

16. Notwithstanding anything else contained herein, (a) any relief granted herein, including any payment to be made or authorization contained hereunder, shall be subject in all respects to the terms and conditions of, including all requirements imposed upon the Debtors under, any interim or final order of the Court in these chapter 11 cases authorizing the use of cash collateral (as may be modified, amended, or supplemented, the "Cash Collateral Orders") (including, without limitation, the budget required in connection therewith) and the Prepetition ABL Loan Documents (as defined in the Cash Collateral Orders) approved therein and (b) to the extent there is any inconsistency between the terms and conditions of such Cash Collateral Orders or Prepetition ABL Loan Documents and any action taken or proposed to be taken hereunder, the terms and conditions of such Cash Collateral Orders shall govern; *provided, however*, nothing contained in this paragraph shall impair or restrict, in any way, the payment of fees and expenses earned by the Liquidators under the Agreements.

17. The relief granted herein shall be binding upon any chapter 11 trustee appointed in these chapter 11 cases, or upon any chapter 7 trustee appointed in the event of a subsequent conversion of these chapter 11 cases to cases under chapter 7.

18. To the extent of any inconsistency between the Agreements and this Order, this Order shall control.

19. The Debtors and the Liquidators are authorized to take all steps necessary or appropriate to carry out the provisions of this Order.

20. Notwithstanding Bankruptcy Rule 6004(h), this Order shall be immediately effective and enforceable upon its entry.

21. This Court shall retain jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, or enforcement of this Order.

Exhibit 1

RB Group Agreement

ASSET MARKETING AGREEMENT

This Asset Marketing Agreement (this “Agreement”) is dated as of the 6th day of August, 2020 (the “Effective Date”), by and between Ritchie Bros. Auctioneers (America) Inc., IronPlanet, Inc., Ritchie Bros. Auctioneers (Canada) Ltd. and IronPlanet Canada Ltd. (collectively, the “Agent”), and BJ Services, LLC and BJ Services Holdings Canada, ULC (collectively, the “Company”). Agent is in the business of marketing and selling assets on behalf of its clients. The Company is the owner and possessor of certain assets and desires to engage Agent as its exclusive agent to sell such assets as more fully described herein. Therefore, in consideration of the covenants contained herein, Agent and the Company (individually, each “Party,” and together, the “Parties”) do hereby agree as follows:

I. Engagement and Agreement to Market Assets

A. The Company hereby engages Agent as its exclusive marketing and sales agent, and Agent hereby accepts such engagement, with respect to the marketing, sale, and disposition of the Company’s tractors, rolling stock, machinery and equipment (the “M&E Assets”) located at, in, or in the vicinity of the properties owned or leased by the Company (the “Properties”), which M&E is identified in Exhibit A attached hereto and by this reference incorporated herein.

B. For purposes of selling the M&E Assets, Agent shall market and sell the M&E Assets in multiple phases utilizing private treaty, online, webcast, or unreserved public auctions, and such other sale strategies as the Parties mutually agree.

II. Exclusivity and Cooperation

In order to permit successful marketing and sale of the M&E Assets, the Company grants to Agent the exclusive right to sell the M&E Assets for a period beginning on the date of execution of this Agreement (the “Commencement Date”) and continuing for a period of twelve (12) months thereafter (such period, the “Term”). The Company acknowledges that Agent or its affiliated entities may be engaged to sell or market similar assets by other persons or entities, and that any such engagement shall not constitute or be deemed to be a violation of this Agreement. All inquiries regarding the M&E Assets made to the Company, its representatives or related parties to the Company, shall be redirected to Agent.

Agent understands that the Company is conducting the sale of the Company’s cementing business (the “Cementing Business Sale”) in accordance with the Order (I) Approving the Bid Procedures for the Sale of the Cementing Business, (II) Scheduling Bid Deadlines and an Auction, (III) Approving the Form and Manner of Notice Thereof, (IV) Approving Contract Assumption and Assignment Procedures, and (V) Granting Related Relief [Docket No. 224] and the sale of certain of the Company’s fracking equipment and intellectual property (the “Fracking Equipment Sale”) in accordance with the Order (I) Approving the Bid Procedures with Respect to Certain of the Debtors’ Fracking Equipment and Intellectual Property, (II) Scheduling an Auction and a Sale Hearing, (III) Approving the Form and Manner of Notice Thereof, (IV) Approving Contract Assumption and Assignment Procedures, and (V) Granting Related Relief [Docket No. 223]. Agent agrees to coordinate and work in consultation with the Company’s advisors to maximize the value of the Cementing Business Sale, the Fracking Equipment Sale, and the M&E Assets.

Agent agrees that the Company may sell, at its sole discretion, any of the M&E Assets (other than the first 300 tractors identified on Exhibit A) in conjunction with the Cementing Business Sale or the Fracking Equipment Sale and that, in such case, Agent shall not be entitled to receive an M&A Services Fee (or any other compensation) on account of any such sales.

Agent understands that the Company may engage Hilco Valuation Services, LLC and certain of its affiliates (collectively, "Hilco") to market and sell certain of the Company's assets other than the M&E Assets. Agent agrees to coordinate and work in consultation with the Company and Hilco to maximize the value of any assets that Hilco may be engaged to market and sell.

III. M&E Services

A. M&E Services. In connection with the marketing and sale of the M&E (the "M&E Services"), Agent will:

- (i) develop an advertising and marketing plan for the sale of the M&E Assets;
- (ii) implement the advertising and marketing plan as deemed necessary or appropriate by Agent to maximize the net recovery on the M&E Assets;
- (iii) prepare for the sale of the M&E Assets, including gathering specifications and photographs for pictorial brochures and arranging the M&E Assets in a manner, which in Agent's judgment would be designed to enhance the net recovery on the M&E Assets;
- (iv) provide fully qualified and experienced personnel who will prepare for and sell the M&E Assets in accordance with the terms of this Agreement;
- (v) provide a complete auction crew to handle computerized accounting functions necessary to provide auction buyers with invoices and the Company with a complete accounting of all M&E Assets sold at the auction;
- (vi) oversee the removal of M&E Assets by buyers from the Properties;
- (vii) sell the M&E Assets for cash or other immediately available funds to the highest bidder(s) on an "AS IS," "WHERE IS" and "all sales are final" basis;
- (viii) charge and collect on behalf of Company from all purchasers any purchase price together with all applicable taxes in connection therewith;
- (ix) assist the Company and/or its advisors as necessary to obtain all required approvals and authorizations from the Bankruptcy Court with respect to any sale of M&E Assets contemplated herein, which assistance may include, without limitation, testimony at hearings before the Bankruptcy Court, attendance at depositions and/or the provision of declarations or affidavits

in support of M&E Asset sales; provided, however, time spent preparing to deliver testimony (whether in court or for purposes of a deposition), attending court proceedings, and delivering any testimony in court or during a deposition will be charged on a time and materials basis based on Agent's then prevailing hourly rates ("Testimony Fees"), which Testimony fees are not otherwise included in Agent's compensation set forth herein;

- (x) work with the Company and/or its advisors to prepare reports, statements, affidavits or similar documents required under Rule 6004 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") or any applicable local rule;
- (xi) collect Gross Proceeds generated by the sale of the M&E Assets and remit such proceeds to the Company by transferring them to an account as directed by the Company (the "Client Account"), (less any amounts due to Agent hereunder) within thirty (30) days after the sale of each M&E Asset. "Gross Proceeds" shall be defined as cumulative collected gross receipts from the sale of the Assets, exclusive of sales taxes and buyer's premiums or fees; and
- (xii) submit an initial sales report to the Company within fourteen (14) days after the sale of the M&E Assets and a final complete sales report to the Company within fourteen days after the end of the Term.

B. M&E Services Fees. In consideration of its performance of the M&E Services, the M&E Services Fee shall be eight percent (8.00%). Company agrees to store the M&E Assets at its Properties through the Term, if necessary, at no cost to Agent.

C. M&E Services Expenses. Agent shall market and sell the M&E Assets in various phases. Throughout these phases, Agent shall advance and shall be entitled to reimbursement by the Company for all M&E Expenses, regardless whether or not any M&E Assets are sold, provided that the M&E Expenses shall not exceed \$900,000 without the prior written consent of the Company and Equipment Term Loan Lenders (as defined in paragraph 17 the Debtor's cash collateral motion [Dkt. No. 40], and which expenses shall be recovered from the proceeds of the sale of M&E Assets only. "M&E Expenses" mean commercially reasonable and documented out-of-pocket expenses (on a cost plus 10% basis) for repair and refurbishment costs to be incurred solely to maximize the net sale proceeds as well as industry standard title transfer fees. In addition, within 10 business days from the Effective Date, the Company and Agent will agree upon a mutually agreed upon expense budget for transporting M&E Assets that Agent recommends marshalling for the purpose of centralizing the M&E Assets to as few locations as commercially reasonable to maximize buyer participation and convenience (it being understood that no M&E Assets will be transported unless it makes commercial sense to do so).

D. Rights of Debtors. Prior to any disposition of any M&E pursuant to private treaty sale for an aggregate purchase price in excess of \$1,000,000, the Parties will consult with respect to guideline pricing governing any such auction.

IV. Survival

Within ten (10) calendar days after expiration of the Term or earlier termination of this Agreement, Agent may provide the Company with a list of third parties (each, a “Prospect”) that Agent has engaged in negotiations with respect to the Assets covered hereunder. If Agent provides a Prospect list within the aforementioned period and within one hundred and twenty (120) days after the expiration of the Term of this Agreement or earlier termination (if applicable), the Company and one or more Prospects should enter into one or more written agreements to purchase all or any portion of the Assets, Agent shall be entitled to fee(s) calculated in accordance with the terms of this Agreement. Each fee shall be paid by the Company to Agent within five (5) business days after applicable closing between the Company and each Prospect. In no event shall tail fees be applicable with respect to purchases made by the equity holders of the Company or their affiliates.

V. Termination for Cause

Company may terminate this Agreement at any time for cause (including, but not limited to Agent’s fraud, gross negligence, willful misconduct or abdication of responsibility in fulfilling the Agreement). In the event of a termination for cause, no fees shall be paid to Agent other than any undisputed fees already earned and payable (including any related expenses) and Section IV hereof shall be of no force and effect.

VI. Company Undertakings

A. In connection with the Services to be provided by Agent hereunder, the Company hereby grants to Agent the following rights and authority:

- (i) The Company hereby grants Agent a limited license to use the name “BJ Services” and similar derivations thereof, and any marks and logos related thereto, but solely to the extent reasonably required for use in advertising and promotional materials related to Agent’s performance under this Agreement. Agent’s license to use such name, marks, and logos shall continue until the end of the Term of this Agreement.

The Company agrees to continue to provide and pay for all utilities during the course of Agent's use. The Company agrees to maintain and bear the cost of any existing security personnel on the Properties during the term of this Agreement. The Company acknowledges that Agent is not an insurer of the Company's personal property. Agent shall have the right to abandon at the Properties any M&E Asset not sold.

The Company shall be responsible for ensuring that the Company possesses and is in compliance with all Environmental Permits that are required for the operation of the Company's business. As used in this Agreement, "Environmental Laws" means all domestic, federal, provincial, state and local statutes, regulations, ordinances, rules, regulations and policies, all court orders and decrees and arbitration awards, and the common law, which pertain to environmental matters or contamination of any type whatsoever; and "Environmental Permits" means licenses, permits, registrations, governmental approvals, agreements and consents which are required under or are issued pursuant to Environmental Laws. - (v) With respect to the sale of any M&E Assets located in the United States, the Company acknowledges that with respect to any export transaction involving any of the M&E Assets sold hereunder, and unless the Company and purchaser agree otherwise, BJ Services, LLC shall be the United States principal party in interest. Accordingly, the Company authorizes Agent to provide BJ Services, LLC's federal employer identification number ("EIN") to purchasers, their agents, customs officials, or similar parties for the purposes of completing a Shipper's Export Declaration form or any documentation necessary to facilitate the respective purchaser's export of the purchased Assets.

VIII. Indemnification

A. Agent understands that the Assets will be sold AS IS and WHERE IS, and the Company does not make any representations or warranties with respect to the Assets, except for specifically stated under Section VII of this Agreement. The Company hereby agrees to indemnify and hold Agent harmless from any and all claims, causes of actions, damages, losses, or liabilities

IX. Insurance

The Company agrees to procure and/or maintain, during the Term, all insurance (including, without limitation, commercial general liability, property damage, fire and other perils insurance) currently in effect and in the same amounts, levels, deductibles, and coverages in respect of all M&E Assets until sold. At all times during the Term of this Agreement, Agent shall maintain levels of general liability, automobile and workers' compensation insurance as shall be mutually agreed upon by the Parties and/or required by applicable law.

This Agreement may not be transferred or assigned without the express written consent of the other Parties, provided that Agent shall be permitted to joint venture with certain third parties. This Agreement does not create, and shall not be construed as creating, any rights enforceable by any person not a Party to this Agreement. The Parties hereto are acting as independent contractors and nothing contained herein shall be deemed to create any other type of partnership, joint venture or other relationship. This Agreement may not be modified or amended except by an instrument in writing executed by an authorized representative of each party to this Agreement. If any part or subpart of this agreement is found or held to be invalid, that invalidity shall not affect the enforceability and binding nature of any other part of this agreement. No Party shall be considered

in default hereunder to the extent that performance by such Party is prevented or delayed by any cause, existing or future, which is beyond the reasonable control of such Party. The Parties do hereby agree that this Agreement and related documents be drawn up in the English language only.

XIV Power of Attorney

The Company hereby appoints Agent as its attorney-in-fact with a limited power of attorney ("LPOA") to execute on the Company's behalf, all documents necessary and required to transfer title to, and permit registration of ownership of, any portion of the M&E Assets to the buyer; provided, however, if original titles or a notarized LPOA are required by federal, state, provincial or local regulation to transfer title, the Company will provide Agent with either, as applicable, (i) signed original titles, or (ii) a notarized LPOA and unsigned original titles at least two weeks prior to any sale of M&E Assets. Failure to provide title(s) and/or an LPOA as required may prevent the M&E Assets being made available for sale until such documentation is provided. Agent agrees to exercise the LPOA in good faith and in consultation with the Company.

XV Administrative Fee

In addition, the Agent is authorized to charge purchasers an administrative fee (the "Administrative Fee"). Any Administrative Fee collected shall not exceed 3.85% for M&E Assets that sell for over \$10,000, with an absolute ceiling of \$1,290 regardless of sale price. The Administrative Fee shall not be considered Gross Proceeds for the purpose of calculating the commission fees hereunder.

Exhibit 2

Hilco Agreement

ASSET MARKETING AGREEMENT

This Asset Marketing Agreement (this “Agreement”) is dated as of the 6th day of August, 2020 (the “Effective Date”), by and between Hilco Valuation Services, LLC, Hilco Real Estate, LLC, Hilco IP Services, LLC d/b/a Hilco Streambank, Hilco Receivables, LLC, Hilco Appraisal Services CO., HRE Canada ULC, Hilco Industrial Acquisitions Canada ULC, and Hilco Receivables Canada ULC (collectively, “Hilco” or “Agent”), and BJ Services, LLC and BJ Services Holdings Canada, ULC (collectively, the “Company”). Agent is in the business of marketing and selling assets on behalf of its clients. The Company is the owner and possessor of certain assets and desires to engage Agent as its exclusive agent to sell such assets as more fully described herein. Therefore, in consideration of the covenants contained herein, Agent and the Company (individually, each “Party,” and together, the “Parties”) do hereby agree as follows:

I. Engagement and Agreement to Market Assets

A. The Company hereby engages Agent as its exclusive marketing and sales agent, and Agent hereby accepts such engagement, with respect to the marketing, sale, and disposition of the inventory (the “Inventory”) identified in Exhibit A attached hereto. The Company, in its sole discretion, may subsequently designate in writing any or all of the following categories of assets for marketing, sale, and disposition by Agent: (i) the Company’s owned and leased real property (each a “Property”, and collectively, the “Properties”); (ii) patents, patent applications, domain names, software and source code, URLs, telephone numbers, customer data including customer names, addresses, email addresses, transaction history and other demographic data captured and maintained by the Company, vendor data, franchise agreements, “IP” addresses, and license agreements, logos and assorted artwork used in marketing materials, and other contractual rights relating to the foregoing (collectively, the “Intellectual Property”); and (iii) outstanding trade accounts receivable for which the Company has the exclusive right to collect, except for those accounts receivable that are currently the subject of litigation (the “Receivables” and collectively with the Properties, Inventory, and Intellectual Property, the “Assets”). For the avoidance of doubt, except for the Inventory, none of the Company’s other assets shall be considered an Asset for purposes of this Agreement unless the Company expressly designates in writing that any such additional assets shall be marketed for sale by Hilco pursuant to this Agreement.

B. For purposes of selling the Assets, Agent shall market and sell the Assets in multiple phases utilizing private treaty, online, webcast, or public auctions, and such other sale strategies as the Parties mutually agree.

II. Exclusivity and Cooperation

In order to permit successful marketing and sale of the Assets, the Company grants to Agent the exclusive right to sell the Assets for a period beginning on the date of execution of this Agreement (the “Commencement Date”) and continuing for a period of twelve (12) months thereafter (such period, the “Term”). The Company acknowledges that Agent or its affiliated entities may be engaged to sell or market similar assets by other persons or entities, and that any such engagement shall not constitute or be deemed to be a violation of this Agreement. All

inquiries regarding the Assets made to the Company, its representatives or related parties to the Company, shall be redirected to Agent.

Agent understands that the Company is conducting the sale of the Company's cementing business (the "Cementing Business Sale") in accordance with the Order (I) Approving the Bid Procedures for the Sale of the Cementing Business, (II) Scheduling Bid Deadlines and an Auction, (III) Approving the Form and Manner of Notice Thereof, (IV) Approving Contract Assumption and Assignment Procedures, and (V) Granting Related Relief [Docket No. 224] and the sale of certain of the Company's fracking equipment and intellectual property (the "Fracking Equipment Sale") in accordance with the Order (I) Approving the Bid Procedures with Respect to Certain of the Debtors' Fracking Equipment and Intellectual Property, (II) Scheduling an Auction and a Sale Hearing, (III) Approving the Form and Manner of Notice Thereof, (IV) Approving Contract Assumption and Assignment Procedures, and (V) Granting Related Relief [Docket No. 223]. Agent agrees to coordinate and work in consultation with the Company's advisors to maximize the value of the Cementing Business Sale, the Fracking Equipment Sale, and the Inventory. Agent agrees that the Company may sell, at its sole discretion, any of the Inventory or other Assets in conjunction with the Cementing Business Sale, the Fracking Equipment Sale, or the potential sale of the Company's Canadian cementing business and that, in such case, Agent shall not be entitled to receive an Inventory Services Fee (or any other compensation) on account of any such sales.

Agent understands that the Company may engage Ritchie Bros. Auctioneers (America) Inc. and certain of its affiliates (collectively, "Ritchie") to market and sell certain of the Company's assets. Agent agrees to coordinate and work in consultation with the Company and Ritchie to maximize the value of any assets that Ritchie may be engaged to market and sell. Further, in the event that Inventory is sold in conjunction with the sale of the Company's tractors, rolling stock, machinery, equipment, furniture, fixtures, and other personal property (collectively, the "M&E Assets"), Agent agrees that it shall not be entitled to receive an Inventory Services Fees (or any other compensation) on account of any such Inventory sales if Ritchie is paid a fee on account of the sale of the same assets.

III. Inventory Services

A. Inventory Services. In connection with the marketing and sale of the Inventory (the "Inventory Services"), Agent will:

- (i) develop an advertising and marketing plan for the sale of the Inventory;
- (ii) implement the advertising and marketing plan as deemed necessary or appropriate by Agent to maximize the net recovery on the Inventory;
- (iii) prepare for the sale of the Inventory, including gathering specifications and photographs for pictorial brochures and arranging the Inventory in a manner, which in Agent's judgment would be designed to enhance the net recovery on the Inventory;

- (iv) provide fully qualified and experienced personnel who will prepare for and sell the Inventory in accordance with the terms of this Agreement;
- (v) provide a complete auction crew to handle computerized accounting functions necessary to provide auction buyers with invoices and the Company with a complete accounting of the Inventory sold at the auction and coordinate with the Company regarding staffing needs;
- (vi) oversee the removal of the Inventory by buyers from the Properties;
- (vii) sell the Inventory for cash or other immediately available funds to the highest bidder(s) on an "AS IS," "WHERE IS" and "all sales are final" basis;
- (viii) charge and collect on behalf of Company from all purchasers any purchase price together with all applicable taxes in connection therewith;
- (ix) assist the Company and/or its advisors as necessary to obtain all required approvals and authorizations from the Bankruptcy Court with respect to any sale of the Inventory contemplated herein, which assistance may include, without limitation, testimony at hearings before the Bankruptcy Court, attendance at depositions and/or the provision of declarations or affidavits in support of Inventory sales; provided, however, time spent preparing to deliver testimony (whether in court or for purposes of a deposition), attending court proceedings, and delivering any testimony in court or during a deposition will be charged on a time and materials basis based on Agent's then prevailing hourly rates ("Testimony Fees"), which Testimony fees are not otherwise included in Agent's compensation set forth in this Section III;
- (x) work with the Company and/or its advisors to prepare reports, statements, affidavits or similar documents required under Rule 6004 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") or any applicable local rule;
- (xi) collect Gross Proceeds generated by the sale of the Inventory assets and remit such proceeds to the Company by transferring them to an account identified by Company, (the "Client Account"), (less any amounts due to Agent hereunder) within thirty (30) days after the sale of any Inventory asset. "Gross Proceeds" shall be defined as cumulative collected gross receipts from the sale of Inventory, exclusive of sales taxes and buyer's premiums or fees; and
- (xii) submit an initial sales report to the Company within fourteen (14) days after the sale of the Inventory and a final complete sales report to the Company within fourteen days after the end of the Term.

B. Inventory Services Fees. In consideration of its performance of the Inventory Services hereunder, Agent shall be entitled to payment by the Company of a commission equal to eight percent (8.0%) of the Gross Proceeds from the sale of the Inventory. All commissions shall be withheld by Agent upon collection of Gross Proceeds generated by the sale of Inventory from applicable buyer(s).

C. Inventory Services Expenses. Agent shall market and sell the Inventory assets in various phases. Throughout these phases, Agent shall advance and shall be entitled to reimbursement by the Company for all Inventory Expenses, regardless whether or not any Inventory Assets are sold, provided that the Inventory Expenses shall not exceed \$100,000 without the Company's prior consent, and which expenses shall be recovered from the proceeds of the sale of Inventory only. "Inventory Expenses" mean commercially reasonable and documented out-of-pocket expenses incurred by Agent in connection with Agent's performance of the Inventory Services hereunder, including, but not limited to, advertising, promotion and sales costs, lodging, travel, labor associated with project management oversight, freight, repair, and refurbishing, labor, and other costs and expenses associated with previewing, removing, and preparing the Inventory Assets for sale, and other miscellaneous costs and expenses.

D. Rights of Debtors. Prior to any disposition of any Inventory pursuant to private treaty sale for an aggregate purchase price in excess of \$0.5MM, the Parties will consult with respect to guideline pricing governing any such auction.

IV. Real Estate Services

A. Real Estate Services. In the event the Company expressly designates any Property to be marketed and sold by Hilco, Hilco will provide the following services (the "Real Estate Services"):

- (i) Meet with the Company to ascertain the Company's goals, objectives and financial parameters with respect to the sale or other disposition of the Properties and leases ("Leases");
- (ii) Mutually agree with the Company with respect to a strategic plan for the disposition of each Property and applicable Lease (the "Real Estate Strategic Plan") which plan must (a) identify estimated recoveries for each Property and Lease, (b) contemplate the provision of a written valuation (known as a "Broker Opinion of Value") for any or all of the Properties within 15 business days of receipt of a written request for such valuation from the Company; and (c) be delivered to the Company within 30 days of the execution of this Agreement;
- (iii) As may be reasonably requested by the Company, assist in the collection and organization of due diligence materials (including, but not limited to, boundary surveys, real property tax information, zoning information and Phase I environmental assessments) (such materials, "Due Diligence Materials") for each of the Properties and

Leases, which assistance shall include, but not be limited to, obtaining bids from third-party vendors to provide, and coordinating with such parties to deliver, surveys, zoning reports, tax records and any other reports or materials (the “Real Estate Due Diligence Services”). The Company will contract directly with all such third-party vendors for such services only as necessary;

- (iv) As may be reasonably requested by the Company, maintain and make available the Due Diligence Materials to prospective purchasers in electronic form and via a website made available by Hilco in connection with the marketing of the Properties and Leases;
- (v) Control access to and protect the proprietary nature of the Due Diligence Materials and all other information provided by the Company to Hilco in connection with the marketing and sale of the Properties and Leases in accordance with the terms of this Agreement;
- (vi) Subject to any applicable local, state, and federal rules, guidelines and orders requiring non-essential businesses to suspend business operations and/or engage in social distancing and other protective measures, as a means to prevent the spread of coronavirus/Covid-19, conduct only standard walk-throughs or tours with prospective purchasers; provided, however, that a prospective purchaser may conduct invasive inspections of the physical or environmental condition of a Property and Lease (a) with the consent of the Company, which consent may be withheld in the Company’s sole and absolute discretion, and (b) after a prospective purchaser has signed a non-disclosure agreement to be provided to Hilco by the Company;
- (vii) Negotiate the terms of agreements with any prospective purchaser(s) of the Properties or Leases, in cooperation with the Debtors and their professionals and in accordance with the terms of a form asset purchase agreement to be provided to Hilco by the Company within 30 days of the Commencement Date;
- (viii) Upon the request of the Company, and subject to parameters and requirements mutually agreed upon by Hilco and the Company, financially qualify each prospective purchaser in connection with each sale of a Property or Lease;
- (ix) Report to the Company and their representatives regarding the status of the marketing and sale of the Properties and Leases on no less than a weekly basis, as may be reasonably required to maximize gross sales;

- (x) Prior to the execution of any binding agreement for the sale of any Property or Lease, prepare a sale summary “binder” outlining the marketing and sale process and containing all material or documents provided to, or created by, Hilco in connection with such sale;
- (xi) Assist the Company and/or its professionals as necessary to obtain all required approvals and authorizations from the Bankruptcy Court with respect to any sale of any Property or Lease contemplated herein, which assistance may include, without limitation, testimony at hearings before the Bankruptcy Court, attendance at depositions and/or the provision of declarations or affidavits in support of Property or Lease sales; provided, however, any Testimony Fees will be charged on a time and materials basis based on Hilco’s then prevailing hourly rates, which Testimony Fees are not otherwise included in Hilco’s compensation set forth in this Section IV;
- (xii) To the extent any Property or Lease is auctioned, work with the Company and its advisors to prepare reports, statements, affidavits or similar documents required under Bankruptcy Rule 6004 or any applicable local rule;
- (xiii) Solicit interested parties for the assumption/assignment of Leases associated with each Property or, where applicable, the sale of each Property, and marketing each Property for assignment/sale in accordance with the Real Estate Strategic Plan; provided, however, Hilco shall only market Leases where there is spread value;
- (xiv) Hilco may, if appropriate, conduct an auction of the Properties and/or Leases on behalf of the Company;
- (xv) at the Company’s direction, Hilco may negotiate the terms of sale of any Properties or Leases; and
- (xvi) at the Company’s request, obtain any necessary local assistance for any necessary maintenance of, and repairs to, the Properties or Lease during the Term, with the cost of such repairs and maintenance to be paid by the Company to the extent not payable by parties other than the Company (“Maintenance Services”).

B. Real Estate Services Fees. With respect to any sale of a Property or an assignment or sale of any of the Leases to a third party during the Term of the Agreement (or any tail period), Hilco shall earn a fee (the “Real Estate Fee”) in an amount equal to six percent (6.0%) of the Gross Proceeds generated by the sale of any Property or sale or assignment of any Leases; *provided* that Hilco shall not earn a Real Estate Fee for any Leases assumed by the Debtors. The Company shall pay Hilco the applicable Real Estate Fee at the time of closing on the sale of any Property or the Properties or sale/assignment of any Lease. To the extent any fee is owed to a purchaser or any other party on account of any real estate sale or assignments contemplated hereunder, such amounts shall be reduced from the Real Estate Fee. If the closing of a sale is not completed for

any reason whatsoever, then no Real Estate Fee shall be due Hilco with respect to that sale, however, Hilco shall be entitled to the receipt of the Real Estate Expenses as detailed in Section IV.C below.

C. Real Estate Services Expenses. Hilco shall advance and shall be entitled to reimbursement by the Company for all Real Estate Expenses, regardless whether or not any Properties are sold, provided that the Real Estate Expenses shall not exceed \$50,000 without the Company's prior consent. "Real Estate Expenses" means all reasonable and documented out-of-pocket expenses incurred in connection with performance of the contemplated Real Estate Services, including, without limitation: reasonable expenses of marketing, advertising, economy travel and transportation; long distance telephone charges; postage and courier/overnight express fees; *provided* that Real Estate Expenses shall not include any expenses associated with third-party brokers or agents. The Company agrees that all Expenses may be withheld from Gross Proceeds of the sale of any of the Properties or sale or assignment of any Lease. Hilco agrees that prior to deducting any Real Estate Expenses from Gross Proceeds Hilco will provide the Company at least five days prior written notice setting forth the amount of the Real Estate Expenses together with supporting documentation substantiating such expenses.

D. Co-Broker. To the extent the Parties mutually agree, Hilco shall be permitted to co-broker and/or sub-broker with local agents at Hilco's sole cost and expense. To the extent Hilco engages a co-broker or sub-broker or enters into any similar agency agreement, Hilco shall remain liable to fulfill all obligations contemplated hereunder. For the avoidance of doubt, Hilco shall not be required to pay any fees or commissions that may be owed to the Company's previous real estate brokers not engaged by Hilco.

E. Preservation of Right to Reject Leases. For the avoidance of doubt, nothing in this Agreement will, or will be deemed to, impair, alter, limit or otherwise modify the Company's right to reject any Lease at any time pursuant to section 365 of the Bankruptcy Code.

V. IP Services

A. IP Services. In the event the Company expressly designates any Intellectual Property to be marketed and sold by Hilco, Hilco will provide the following services (the "IP Services"):

All commissions shall be withheld by Hilco upon collection of Gross Proceeds generated by the sale of Intellectual Property from applicable buyer(s).

C. IP Services Expenses. In connection with the performance of the IP Services, the Parties shall mutually agree upon a supplemental expense budget (“IP Services Budget”). The Company shall reimburse the Consultant for any reasonable and documented out-of-pocket costs and expenses incurred in the performance of the IP Services (the “IP Services Expenses”), excluding expenses associated with third-party brokers or agents, and subject to the mutually agreed upon IP Services Budget.

VI. Receivables Services

A. In the event the Company expressly designates any Receivables to be collected and serviced by Hilco, Hilco will provide the following services (the “Receivables Services” and together with the Inventory Services, IP Services, and Real Estate Services, the “Services”):

- (i) in consultation with the Company, collect, service, settle, and otherwise resolve the Receivables on the Company’s behalf and in otherwise compliance with applicable law;
- (ii) in consultation with the Company, direct the obligors on the Receivables to make payment to the Company or Hilco, as the agent for the Company;
- (iii) have the authority, without any further act or consent of the Company, to collect, service, settle, and otherwise resolve the Receivables in accordance with the following settlement parameters: 75% of the original placed balance (the “Settlement Parameters”), and absent the Company’s prior written (including email) consent, Hilco shall not settle or otherwise resolve any Receivables outside of the Settlement Parameters;
- (iv) (a) receive cash, drafts, checks, wire transfers, credit cards, and money orders on account or in satisfaction of the Receivables; and (b) endorse and negotiate any of the foregoing received by Hilco, as the agent for the Company;

- (v) upon receipt of the Company's written (including email) request, Hilco shall provide an electronic report to the Company that specifies, for each Receivables account placed with Hilco, (a) the action or actions taken by Hilco, (b) the results, if any, obtained as of such date, and (c) the current status. All such reports shall be in form and substance reasonably acceptable to Company. In addition, Hilco shall provide the Company with such other information regarding the Services as the Company may reasonably request; and
- (vi) if the Company requests, identify and oversee third party collection attorneys to collect those Receivables Consultant is otherwise unable to collect.

B. Receivables Services Fees. In consideration of its performance of the Receivables Services, Hilco shall be entitled to payment based on the following commission structure (the "Receivables Fee"), which commission structure is contingent upon the aggregate amount of outstanding Receivables assigned to Hilco hereunder equaling at least \$45,000,000 on the Commencement Date. If the aggregate amount of Receivables accounts assigned to Hilco as of the Commencement Date is less than \$45,000,000, the Receivables Fee will be three percent (3.0%) of Gross Cash Receipts collected.

Gross Cash Receipts	Fee
\$1 to \$5,000,000	1% of Gross Cash Receipts
\$5,000,001 to \$20,000,000	2% of Gross Cash Receipts
\$20,000,001 to \$35,000,000	3% of Gross Cash Receipts
Over \$35,000,000	4% of Gross Cash Receipts

The Receivables Fee shall be withheld by Hilco upon collection of Gross Cash Receipts received by Hilco. To the extent the Receivables Fee is not withheld from Gross Cash Receipts received by Hilco, Hilco shall invoice the Company for the Receivables Fee on a not more frequent than weekly basis. All invoices shall be due by the Company within seven (7) business days of receipt. To the extent Gross Cash Receipts are received directly by Hilco, Hilco shall remit corresponding net receipts to the Company (net of the Receivables Fee) as follows: (i) within seven (7) business days of receipt for amounts received totaling \$10,000 or less or (ii) two (2) business days for all other amounts. As used herein, "Gross Cash Receipts" means all payments received by the Company, the Company's agents or representatives, or Hilco on account of or as consideration for the Receivables from and after the date of this Agreement, regardless of source of such payments and regardless whether received (i) in cash, (ii) by draft, check, wire transfer, money order, or credit card, or (iii) as a result of or in connection with a demand letter or lawsuit.

C. Receivables Services Expenses. Except as set forth herein or as otherwise agreed to in writing (including email) by the Company, Hilco shall bear all costs and expenses

associated with providing the Receivables Services. If the Company retains (or directs Hilco to retain the services of) an attorney or law firm to collect, service, settle, and otherwise resolve a Receivables account, the Company shall be responsible for all costs and expenses of collecting, servicing, settling, or otherwise resolving each such Receivables account, including (without limitation) the fees, costs, and expenses of such attorney or law firm.

VII. Survival

Within ten (10) calendar days after expiration of the Term or earlier termination of this Agreement, Agent may provide the Company with a list of third parties (each, a “Prospect”) that Hilco has engaged in negotiations with respect to the Assets covered hereunder. If Agent provides a Prospect list within the aforementioned period and within one hundred and twenty (120) days after the expiration of the Term of this Agreement or earlier termination (if applicable), the Company and one or more Prospects should enter into one or more written agreements to purchase all or any portion of the Assets, Agent shall be entitled to fee(s) calculated in accordance with the terms of this Agreement. Each fee shall be paid by the Company to Agent within five (5) business days after applicable closing between the Company and each Prospect. In no event shall tail fees be applicable with respect to purchases made by the equity holders of the Company or their affiliates.

VIII. Termination for Cause

Company may terminate this Agreement at any time for cause (including, but not limited to Agent’s fraud, gross negligence, willful misconduct or abdication of responsibility in fulfilling the Agreement). In the event of a termination for cause, no fees shall be paid to Hilco other than any undisputed fees already earned and payable (including any related expenses) and Section VII hereof shall be of no force and effect.

IX. Company Undertakings

A. In connection with the Services to be provided by Agent hereunder, the Company hereby grants to Hilco the following rights and authority:

- (i) The Company hereby grants Agent a limited license to use the name “BJ Services” and similar derivations thereof, and any marks and logos related thereto, but solely to the extent reasonably required for use in advertising and promotional materials related to Agent’s performance under this Agreement. The Company shall provide Hilco to a "right to collect" letter on Company letterhead, authorizing Hilco to collect the Receivables.

- (iv) The Company hereby grants Agent a license to allow Agent to enter and use the Properties. Agent shall have quiet enjoyment of the Properties with no interference from any labor unions or any other third parties. Agent will use the Properties as licensee and shall not be obligated to pay any rent, taxes, utilities, or other charges therefore. The Company agrees to continue to provide and pay for all utilities during the course of Agent's use. The Company agrees to maintain and bear the cost of any existing security personnel on the Properties during the term of this Agreement. The Company acknowledges that Agent is not an insurer of the Company's personal property. Agent shall have the right to abandon at the Properties any Asset not sold. Without limiting the foregoing, Agent shall ensure the appropriate removal of sold Assets and removable scrap from the Properties

- (v) The parties hereto agree, and the Company hereby expressly acknowledges, except for such spillage or contamination as is caused or created by Agent or third parties acting at the direction, or on behalf of, Agent, that Agent shall not be responsible for the removal or disposition of any environmentally hazardous chemicals, pollutants, waste, solvents or substances howsoever occurring found at the Properties or in the Assets or obtaining or maintaining any Environmental Permits. The Company shall be responsible for ensuring that the Company possesses and is in compliance with all Environmental Permits that are required for the operation of the Company's business. As used in this Agreement, "Environmental Laws" means all domestic, federal, provincial, state and local statutes, regulations, ordinances, rules, regulations and policies, all court orders and decrees and arbitration awards, and the common law, which pertain to environmental matters or contamination of any type whatsoever; and "Environmental Permits" means licenses, permits, registrations, governmental approvals, agreements and consents which are required under or are issued pursuant to Environmental Laws. The Company hereby agrees to defend, indemnify

and hold Agent harmless from any and all claims, losses, damages and liabilities of any kind whatsoever which arise from or are in connection with any hazardous chemicals, pollutants, waste, solvents, or substances howsoever occurring found at the Properties or in the Assets, Environmental Laws or Environmental Permits.

- (vi) With respect to the sale of any Inventory assets located in the United States, the Company acknowledges that with respect to any export transaction involving any of the Inventory assets sold hereunder, and unless the Company and purchaser agree otherwise, BJ Services, LLC shall be the United States principal party in interest. Accordingly, the Company authorizes Agent to provide BJ Services, LLC's federal employer identification number ("EIN") to purchasers, their agents, customs officials, or similar parties for the purposes of completing a Shipper's Export Declaration form or any documentation necessary to facilitate the respective purchaser's export of the purchased Assets.
- (vii) With respect to the sale of any Inventory Assets located in Canada, the Company acknowledges that with respect to any export transaction involving any of the Canadian Assets sold hereunder, and unless the Company and purchaser agree otherwise, BJ Services Holdings Canada, ULC shall be the Canadian principal party in interest. Accordingly, the Company authorizes Agent to provide to BJ Services Holdings Canada, ULC's business identification number ("BIN") to purchasers, their agents, customs officials or similar parties for the purposes of completing a bill of lading, commercial invoice, USMCA Certificate of Origin, Import/Export License or customs bond, or any other information or documentation necessary to facilitate the respective purchaser's export of the purchased Assets.

X. Representations and Covenants of the Company and Hilco

A. The Company represents and warrants to Agent and covenants that, subject to entry of the Retention Order (as defined below) and entry of a Bankruptcy Court order approving the sale of the Assets: (i) the Company has all legal right and authority to sell the Assets, (ii) the Company has taken all necessary actions required to authorize the execution, delivery and performance of this Agreement and the related documents contemplated hereby, and no further consent or approval is required for the Company to enter into and deliver the Agreement and to perform its obligations under the Agreement, (iii) other than the Retention Order, no court order or decree of any domestic, federal, provincial, state or local governmental authority or regulatory body is in effect that would prevent or impair, or is required for the Company's consummation of, the transactions contemplated by this Agreement, and no consent of any third party which has not been obtained is required therefore, (iv) Company has the authority to grant the limited license to Agent to utilize the Properties and to use the name "BJ Services" as well as marks and logos related thereto as provided for under this Agreement, (v) Agent shall have access to the Assets and the Properties in accordance with this agreement; (vi) the Asset representations and descriptions contained herein are accurate, true and complete; (vii) all Assets are, or will be at the time of sale,

The Company further represents and warrants to Agent that any amounts due and payable hereunder shall be free and clear of any liens, claims, or encumbrances of any kind whatsoever.

B. The Company further agrees to indemnify and hold Agent harmless from any and all claims, causes of actions, damages, losses, or liabilities (including, without limitation, reasonable attorney's fees) of any kind arising from any misrepresentations concerning the Assets made by the Company to Agent. Notwithstanding the foregoing, the Company shall not in any circumstances indemnify Agent from any claims or causes of action arising from any fraud, gross negligence (including omissions) or willful misconduct of Agent or their respective officers, directors, employees, agents or representatives.

B. Agent hereby agrees to indemnify and hold the Company and its affiliates and their officers, directors, principals, shareholders, affiliates, members, consultants, attorneys, advisors, and employees (collectively, "Company Indemnified Parties") harmless from any and all claims, causes of actions, damages, losses, or liabilities (including, without limitation, reasonable attorney's fees), including those asserted by any buyer or prospective buyer, arising from or related to (a) the acts or omissions of Agent or its consultants, members, employees, representatives and principals; (b) the material breach of any provision of, or the failure to perform any obligation under, this Agreement by Agent; and (c) any liability or other claims asserted by Agent's consultants, members, employees, representatives and principals (excluding Company Indemnified Parties) against a Company Indemnified Party arising out of or related to Agent's

At all times during the Term of this Agreement, Agent shall maintain levels of general liability, automobile and workers' compensation insurance as shall be mutually agreed upon by the Parties and/or required by applicable law.

XIII. Personal Property Taxes

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: BJ Services, LLC (3543); BJ Management Services, L.P. (8396); BJ Services Holdings Canada, ULC (6181); and BJ Services Management Holdings Corporation (0481). The Debtors’ service address is: 11211 Farm to Market 2920 Road, Tomball, Texas 77375.

and this Court having jurisdiction over this matter pursuant to 28 U.S.C. § 1334; and this Court having found that this is a core proceeding pursuant to 28 U.S.C. § 157(b)(2); and this Court having found that it may enter a final order consistent with Article III of the United States Constitution; and this Court having found that venue of this proceeding and the Application in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the relief requested in the Application is in the best interests of the Debtors' estates, their creditors, and other parties in interest; and this Court having found that the Debtors' notice of the Application and opportunity for a hearing on the Application were appropriate and no other notice need be provided; and this Court having reviewed the Application and having heard the statements in support of the relief requested therein at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Application and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Application is granted on an interim basis as set forth herein.
2. The Agreements, copies of which are attached to this Order as **Exhibit 1** and **Exhibit 2**, are approved as modified by this Order and the Debtors and the Liquidators are authorized to take all steps reasonably necessary to sell certain of the Sale Assets pursuant to the terms of the Agreements and sections 105(a) and 363 of the Bankruptcy Code. Notwithstanding the foregoing and/or anything contained in the RB Group Agreement to the contrary, with the Term Loan Agent's³ express consent, the Sale Assets as it relates to the M&E Assets (as that term is defined in the RB Group Agreement) shall be limited to those assets set forth on **Exhibit 3** to this

³ "Term Loan Agent," as used herein, means GACP Finance Co., LLC, Administrative Agent under that certain Term Loan Credit and Guaranty Agreement, dated as of January 28, 2019.

Order, and all references to “Sale Assets” in this Order shall be qualified as such. The Debtors are authorized, subject to obtaining the prior written consent of the Term Loan Agent and the Official Committee of Unsecured Creditors appointed in these chapter 11 cases (the “Committee”) to modify Exhibit 3 to add additional M&E but not reduce any M&E; *provided, however*, that if the Committee does not so consent, the Term Loan Agent may seek leave of Court.

3. Pursuant to section 327(a) of the Bankruptcy Code, Bankruptcy Rule 2014, and Local Rule 2014-1, the Debtors are authorized to employ and retain the Liquidators on the terms set forth in the Agreements, effective as of August 6, 2020, as modified by this Order.

4. The RB Group shall provide the Term Loan Agent and the Committee with copies of any reports, statements or other documents required to be provided to the Debtors under the RB Group Agreement, and the Term Loan Agent (and the Committee with respect to all other M&E not included in Exhibit 3) shall have the same consultation and approval rights as the Debtors with respect to the M&E Assets under the RB Group Agreement.

5. The Debtors may sell the Sale Assets free and clear of all liens, encumbrances, pledges, mortgages, deeds of trust, security interests, claims, leases, charges, options, rights of first refusal, easements, servitudes, proxies, voting trusts or agreements, transfer restrictions under any agreement, or other interests (collectively, the “Liens”) because one or more of the standards set forth in sections 363(f)(1)–(5) of the Bankruptcy Code have been satisfied with regard to each such Lien.

6. All Liens attached or asserted to be attached on the Sale Assets, or any portion thereof, shall attach to the proceeds of the Sale Assets (except for the fees and charges under the Agreements) to the same extent, validity and priority existing prior to the consummation of the sale of such Sale Assets. In furtherance of the authorization in paragraph 7 below, and in the event

any Liens now encumbering any Sale Assets are released prior to the sale of any such Sale Assets in order to prepare such Sale Assets for sale, all such Liens shall be deemed to remain attached and perfected in such Sale Assets until sold, and then the proceeds thereof notwithstanding. Subject to the Cash Collateral Order (defined below), all Parties' rights, including those rights of the Committee through the conclusion of the Challenge Period, are reserved related thereto.

7. The Liquidators shall be permitted to sign any title, release or other similar instrument to transfer ownership to a purchaser of any Sale Assets.

8. This Order shall be the sole and sufficient evidence of authority to transfer title to any particular purchaser of the Sale Assets, and the transactions consummated pursuant to this Order shall be binding upon and shall govern the acts of all persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the property sold pursuant to this Order, including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, administrative agencies, governmental departments, secretaries of state, and federal, state, and local officials, and each of such persons and entities is hereby directed to accept this Order as sole and sufficient evidence of such transfer of title and shall rely upon this Order in consummating the transaction.

9. Except as otherwise provided herein, the Debtors are authorized to perform all of their obligations under the Agreements, including payment of the Liquidators' fees and expenses incurred in connection with the sale of the Sale Assets as provided for in the Agreements. The Liquidators shall be compensated and reimbursed pursuant to section 328(a) of the Bankruptcy

Code for fees and reimbursement of expenses hereunder, including those specifically identified below:

- a. RB Group shall be entitled to payment by the Debtors of an M&E Services Fee equal to eight percent (8.00%) of the Gross Proceeds (as defined in the RB Group Agreement) from the sale of the M&E Assets. All commissions and allowed expenses shall be withheld by RB Group upon collection of Gross Proceeds generated by the sale of M&E Assets.
- b. Hilco shall be entitled to payment by the Debtors of a commission equal to eight percent (8.0%) of the Gross Proceeds from the sale of the Inventory. All commissions shall be withheld by Hilco upon collection of Gross Proceeds generated by the sale of Inventory.
- c. In the event that Inventory is sold in conjunction with the sale of the Debtors' M&E and RB Group is paid a fee on account of the sale of such assets, Hilco shall not be entitled to receive any compensation on account of such Inventory sales (but, for the avoidance of doubt, Hilco and RB Group may share such proceeds as agreed between them).
- d. If, and only if, the Debtors, with the prior approval of the Committee, request that Hilco sell additional non-Inventory assets, Hilco shall be entitled to the following fees:
 - i. Real Estate Services Fees. With respect to any sale of a Property or an assignment or sale of any of the Leases to a third party during the Term of the Agreement (or any tail period), Hilco shall earn a fee in an amount equal to six percent (6.0%) of the Gross Proceeds generated by the sale of any Property or sale or assignment of any Leases; *provided* that Hilco shall not earn a Real Estate Fee for any Leases assumed by the Debtors.
 - ii. IP Services Fees. In consideration of its performance of the IP Services, Hilco shall be entitled to payment by the Debtor of a commission equal to fifteen percent (15.0%) of the Gross Proceeds from the sale or other disposition of the Intellectual Property to buyers other than CSL. A sale of the Intellectual Property to CSL shall not result in a fee payable to Hilco.
 - iii. Receivables Services Fees. In consideration of its performance of the Receivables Services, Hilco shall be entitled to payment based on the following commission structure, which is contingent upon the aggregate amount of outstanding Receivables assigned to Hilco under the Hilco Agreement equaling at least \$45,000,000 on the Commencement Date:

Gross Cash Receipts	Fee
\$1 to \$5,000,000	1% of Gross Cash Receipts
\$5,000,001 to \$20,000,000	2% of Gross Cash Receipts
\$20,000,001 to \$35,000,000	3% of Gross Cash Receipts
Over \$35,000,000	4% of Gross Cash Receipts

If the aggregate amount of Receivables accounts assigned to Hilco as of the Commencement Date is less than \$45,000,000, the Receivables Fee will be three percent (3.0%) of Gross Cash Receipts collected.

10. The RB Group is authorized to charge purchasers an administrative fee (the “Administrative Fee”). Any Administrative Fee collected shall not exceed 3.85% for M&E Assets that sell for over \$10,000, with an absolute ceiling of \$1,290 regardless of sale price. The Administrative Fee shall not be considered Gross Proceeds for the purpose of calculating the commission fees under the Agreement with the RB Group.

11. In addition, the Debtors will reimburse the Liquidators for certain commercially reasonable and documented out-of-pocket expenses incurred in the performance of the above-listed services under the Agreements:

- a. RB Group will be reimbursed (on a cost plus 10% basis) for all commercially reasonable and documented out-of-pocket expenses incurred by RB Group for: (i) repair and refurbishment costs to be incurred solely to maximize the net sale proceeds and (ii) industry-standard title fees. RB Group will be entitled to such reimbursement regardless whether or not any M&E Assets are sold, provided that the M&E Expenses shall not exceed \$305,000.00 (plus any towing costs up to \$800/truck) for the sale of the assets set forth in Exhibit 3, without the prior written consent of the Debtors, the Committee, and the Term Loan Agent, and which expenses shall be recovered from the proceeds of the sale of M&E Assets only.
- b. Hilco will be reimbursed from non-M&E Assets or the proceeds thereof for all commercially reasonable and documented out-of-pocket expenses incurred by Hilco associated with previewing, removing, and preparing the Inventory Assets for sale, and other miscellaneous costs and expenses.
- c. Hilco will be entitled to such reimbursement regardless of whether any Inventory Assets are sold, provided that the Inventory Expenses shall not exceed \$100,000 without the Debtors’ and the Committee’s prior consent,

and which expenses shall be recovered from the proceeds of the sale of Inventory only.

- d. In the event that the Debtors, with the prior consent of the Committee, request that Hilco sell additional non-Inventory assets, Hilco will also be entitled to the following reimbursement from non-M&E Assets or the proceeds thereof:
 - i. Real Estate Services Expenses. Hilco shall advance and shall be entitled to reimbursement by the Debtors for all Real Estate Expenses, regardless whether or not any Properties are sold, provided that the Real Estate Expenses shall not exceed \$50,000 without the Debtors' and the Committee's prior consent. Such reimbursement shall not be paid from Prepetition ABL Collateral (as defined in the Cash Collateral Order) or the proceeds thereof.
 - ii. IP Services Expenses. In connection with the performance of the IP Services, the Parties shall mutually agree upon a supplemental expense budget and the Debtors shall reimburse Hilco for any reasonable and documented out-of-pocket costs and expenses incurred in the performance of the IP Services, excluding expenses associated with third-party brokers or agents, and subject to the mutually agreed upon IP Services Budget. Such reimbursement shall not be paid from Prepetition ABL Collateral (as defined in the Cash Collateral Order) or the proceeds thereof.
 - iii. Receivables Services Expenses. Hilco shall bear all costs and expenses associated with providing the Receivables Services. If the Debtors retain (or direct Hilco to retain the services of) an attorney or law firm to collect, service, settle, and otherwise resolve a Receivables account, the Debtors shall be responsible for all costs and expenses of collecting, servicing, settling, or otherwise resolving each such Receivables account, including (without limitation) the fees, costs, and expenses of such attorney or law firm.

12. The Debtors are authorized to compensate the Liquidators on a time and materials basis at the rate of \$300 per hour, for any time spent by them, subsequent to the Petition Date, preparing for and testifying in this Court or depositions related to these chapter 11 cases, and attending proceedings in this Court. In the event such time is required, the hours spent and amounts attributed thereto shall be separately itemized in the Fee Statement (as defined below). Any fees incurred in connection with providing such testimony shall be subject to review pursuant to section 328(a), except that the U.S. Trustee retains the ability to review such fees under the standards set

forth in section 330 of the Bankruptcy Code. For the avoidance of doubt, nothing in this paragraph shall affect the Fee and Expense Structure set forth in the Agreements or the section 328(a) standard of review applicable thereto.

13. Except with respect to the requirements of paragraph 12 above, the Liquidators shall not be required to maintain records of detailed time entries or file fee applications; *provided, however*, that the Liquidators shall file final statements with an accounting of the fees earned and reimbursable expenses incurred, as well as the information required to be filed pursuant to Bankruptcy Rule 6004(f) (the “Fee Statement”). Such Fee Statement shall be subject to review pursuant to the standards of compensation under section 328(a), and by the U.S. Trustee to otherwise ensure that the compensation paid is consistent with the terms of the Agreements.

14. Nothing contained in the Application or this Order, nor any payment made pursuant to the authority granted by this Order, is intended to be or shall be construed as (i) an admission as to the validity of any claim or lien against the Debtors, (ii) a waiver of the Debtors’ rights to dispute the amount of, basis for, or validity of any claim against the Debtors, (iii) a waiver of any claims or causes of action which may exist against any creditor or interest holder, or (iv) an approval, assumption, adoption, or rejection of any agreement, contract, lease, program, or policy between the Debtors and any third party under section 365 of the Bankruptcy Code.

15. The indemnification provisions included in the Agreements are approved, subject during the pendency of these chapter 11 cases to the following modifications:

- a. each indemnified person shall not be entitled to indemnification, contribution, or reimbursement pursuant to the Agreements for claims arising from services other than the services provided under the Agreements, unless such services and the indemnification, contribution, or reimbursement therefor are approved by this Court;
- b. notwithstanding anything to the contrary in the Agreements, the Debtors shall have no obligation to indemnify any person or entity or provide contribution or reimbursement to any person or entity for any claim or

expense that is judicially determined (the determination having become final) to have arisen from that person's or entity's gross negligence, willful misconduct, bad faith, breach of fiduciary duty (if any), or fraud; and

- c. if, before the earlier of (i) the entry of an order confirming a chapter 11 plan in these chapter 11 cases (that order having become a final order no longer subject to appeal) and (ii) the entry of an order closing these chapter 11 cases, a Liquidator believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification, contribution, or reimbursement obligations under one of the Agreements (as modified by this Order), including, without limitation, the advancement of defense costs, such Liquidator must file an application before this Court, and the Debtors may not pay any such amounts before the entry of an order by this Court approving the payment; provided, however, that for the avoidance of doubt, this subparagraph (c) is intended only to specify the period of time under which this Court shall have jurisdiction over any request for fees and expenses for indemnification, contribution, or reimbursement and not a provision limiting the duration of the Debtors' obligation to indemnify the Liquidators. All parties in interest, including the U.S. Trustee, shall retain the right to object to any request for indemnification, contribution, or reimbursement by the Liquidators or any other indemnified person.

16. Notwithstanding anything else contained herein, with respect to the non-M&E Assets, (a) any relief granted herein, including any payment to be made or authorization contained hereunder, shall be subject in all respects to the terms and conditions of, including all requirements imposed upon the Debtors under, any interim or final order of the Court in these chapter 11 cases authorizing the use of cash collateral (as may be modified, amended, or supplemented, the "Cash Collateral Orders") (including, without limitation, the budget required in connection therewith) and the Prepetition ABL Loan Documents (as defined in the Cash Collateral Orders) approved therein and (b) to the extent there is any inconsistency between the terms and conditions of such Cash Collateral Orders or Prepetition ABL Loan Documents and any action taken or proposed to be taken hereunder, the terms and conditions of such Cash Collateral Orders shall govern; *provided, however*, nothing contained in this paragraph shall impair or restrict, in any way, the payment of fees and expenses earned by the Liquidators under the Agreements.

17. Notwithstanding any other provisions included herein, or any agreements approved hereby, any statutory liens (collectively, the “Tax Liens”) of Bexar County, Dallas County, Ector CAD, Fort Bend County, Harris County, Hood CAD, Liberty County, Victoria County, Brazos County, Medina County, and Erath County (collectively, the “Taxing Authorities”) shall not be primed by nor made subordinate to any liens granted to any party hereby (no liens are granted hereby) to the extent such Tax Liens are valid, senior, perfected, and unavoidable, and all parties’ rights to object to the priority, validity, amount, and extent of the claims and liens asserted by the Taxing Authorities are fully preserved. From the proceeds of the sale (except for the fees and charges to be paid to the Liquidators under the Agreements) of any of the Debtors’ Sale Assets located in the state of Texas, (a) the amount of \$1,623,482.00⁴ and (b) with respect to the 300 trucks that are collateral of the Term Loan Agent, the amount of \$46,000, shall be set aside by the Debtors in a segregated account as adequate protection for the asserted secured claims of the Taxing Authorities prior to the distribution of any proceeds to any other creditor. The liens of the Taxing Authorities, if any, and the liens of any secured party holding a lien on the Sale Assets sold and proceeds thereof, shall attach to these proceeds to the same extent and with the same priority as the liens they now hold against such Sale Assets and the proceeds thereof. These funds shall be on the order of adequate protection and shall constitute neither the allowance of the claims of the Taxing Authorities, nor a cap on the amounts they may be entitled to receive. Furthermore, the claims and liens of the Taxing Authorities shall remain subject to any objections any party would otherwise be entitled to raise as to the priority, validity, or extent of such liens. These funds may be distributed only in payment of the claims and liens of the Taxing Authorities upon agreement

⁴ For the avoidance of doubt, this figure is inclusive of all amounts owed to the Taxing Authorities and is being included herein out of an abundance of caution and does not represent the particularized amounts owed to the Taxing Authorities relating to the assets being sold pursuant to this Order.

among the Taxing Authorities, other secured creditors that may hold a lien on such proceeds, and the Debtors, or by subsequent order of the Court, duly noticed to the Taxing Authorities and other secured creditors holding a lien on such Sale Assets and the proceeds thereof.

18. Further, to the extent any real property is sold, notwithstanding anything to the contrary in this Order, the Purchaser assumes full responsibility for the 2020 ad valorem real property taxes owed to Bexar County, Ector CAD, Harris County and Liberty County and shall be responsible for paying the ad valorem taxes in full, in the ordinary course of business, when due. If not timely paid, Bexar County, Ector CAD, Harris County and Liberty County may proceed with non-bankruptcy collections against the Purchaser without leave or approval of the Court. The Debtors' prorated share of ad valorem taxes shall be credited to the Purchaser at closing on terms agreed upon by the Debtors and Purchaser. Any dispute regarding the proration of the ad valorem taxes between the Debtors and Purchaser shall have no effect on Purchaser's responsibility to pay the 2020 ad valorem taxes. Bexar County, Ector CAD, Harris County and Liberty County shall retain their respective liens against the real property until the respective ad valorem taxes are paid in full, including any applicable penalties or interest.

19. Notwithstanding anything herein to the contrary, the entry of this Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly (a) the GACP Secured Parties' rights to pursue any and all rights and remedies under the Bankruptcy Code, the GACP Term Loan Agreement or any other applicable agreement or law (including, without limitation, GACP's emergency motion for relief from stay [Docket No. 290]), or seek any other or supplemental relief in respect of the Debtors, or the Debtors', the Committee's or any other party in interest's rights to oppose such relief, if any, or (b) any of the rights and remedies, if any, of the Debtors, the Committee, the GACP Secured Parties, or any other party in interest under the GACP

Term Loan Agreement or other applicable agreement, the Bankruptcy Code or applicable nonbankruptcy law; *provided, however*, nothing contained in this paragraph shall impair or restrict, in any way, the payment of fees and expenses earned by the Liquidators under the Agreements nor RB Group's approval pursuant to this Order to sell the Sale Assets listed on Exhibit 3. Nothing contained in this Order shall constitute or be construed as the GACP Secured Parties' consent to the use of any proceeds of the GACP Collateral (including the M&E Assets) or other cash collateral in which the GACP Secured parties have an interest by the Debtors or their estates for any purpose or to any extent. Capitalized terms used in this paragraph and not otherwise defined shall have the meanings ascribed to such terms in the Cash Collateral Orders.

20. The relief granted herein shall be binding upon any chapter 11 trustee appointed in these chapter 11 cases, or upon any chapter 7 trustee appointed in the event of a subsequent conversion of these chapter 11 cases to cases under chapter 7.

21. To the extent of any inconsistency between the Agreements, Application, or Declaration and this Order, this Order shall control.

22. The Debtors and the Liquidators are authorized to take all steps necessary or appropriate to carry out the provisions of this Order.

23. Notwithstanding Bankruptcy Rule 6004(h), this Order shall be immediately effective and enforceable upon its entry.

24. This Court shall retain jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, or enforcement of this Order.

ASSET MARKETING AGREEMENT

This Asset Marketing Agreement (this “Agreement”) is dated as of the 6th day of August, 2020 (the “Effective Date”), by and between Ritchie Bros. Auctioneers (America) Inc., IronPlanet, Inc., Ritchie Bros. Auctioneers (Canada) Ltd. and IronPlanet Canada Ltd. (collectively, the “Agent”), and BJ Services, LLC and BJ Services Holdings Canada, ULC (collectively, the “Company”). Agent is in the business of marketing and selling assets on behalf of its clients. The Company is the owner and possessor of certain assets and desires to engage Agent as its exclusive agent to sell such assets as more fully described herein. Therefore, in consideration of the covenants contained herein, Agent and the Company (individually, each “Party,” and together, the “Parties”) do hereby agree as follows:

I. Engagement and Agreement to Market Assets

A. The Company hereby engages Agent as its exclusive marketing and sales agent, and Agent hereby accepts such engagement, with respect to the marketing, sale, and disposition of the Company’s tractors, rolling stock, machinery and equipment (the “M&E Assets”) located at, in, or in the vicinity of the properties owned or leased by the Company (the “Properties”), which M&E is identified in Exhibit A attached hereto and by this reference incorporated herein.

B. For purposes of selling the M&E Assets, Agent shall market and sell the M&E Assets in multiple phases utilizing private treaty, online, webcast, or unreserved public auctions, and such other sale strategies as the Parties mutually agree.

II. Exclusivity and Cooperation

In order to permit successful marketing and sale of the M&E Assets, the Company grants to Agent the exclusive right to sell the M&E Assets for a period beginning on the date of execution of this Agreement (the “Commencement Date”) and continuing for a period of twelve (12) months thereafter (such period, the “Term”). The Company acknowledges that Agent or its affiliated entities may be engaged to sell or market similar assets by other persons or entities, and that any such engagement shall not constitute or be deemed to be a violation of this Agreement. All inquiries regarding the M&E Assets made to the Company, its representatives or related parties to the Company, shall be redirected to Agent.

Agent understands that the Company is conducting the sale of the Company’s cementing business (the “Cementing Business Sale”) in accordance with the Order (I) Approving the Bid Procedures for the Sale of the Cementing Business, (II) Scheduling Bid Deadlines and an Auction, (III) Approving the Form and Manner of Notice Thereof, (IV) Approving Contract Assumption and Assignment Procedures, and (V) Granting Related Relief [Docket No. 224] and the sale of certain of the Company’s fracking equipment and intellectual property (the “Fracking Equipment Sale”) in accordance with the Order (I) Approving the Bid Procedures with Respect to Certain of the Debtors’ Fracking Equipment and Intellectual Property, (II) Scheduling an Auction and a Sale Hearing, (III) Approving the Form and Manner of Notice Thereof, (IV) Approving Contract Assumption and Assignment Procedures, and (V) Granting Related Relief [Docket No. 223]. Agent agrees to coordinate and work in consultation with the Company’s advisors to maximize the value of the Cementing Business Sale, the Fracking Equipment Sale, and the M&E Assets.

Agent agrees that the Company may sell, at its sole discretion, any of the M&E Assets (other than the first 300 tractors identified on Exhibit A) in conjunction with the Cementing Business Sale or the Fracking Equipment Sale and that, in such case, Agent shall not be entitled to receive an M&A Services Fee (or any other compensation) on account of any such sales.

Agent understands that the Company may engage Hilco Valuation Services, LLC and certain of its affiliates (collectively, "Hilco") to market and sell certain of the Company's assets other than the M&E Assets. Agent agrees to coordinate and work in consultation with the Company and Hilco to maximize the value of any assets that Hilco may be engaged to market and sell.

III. M&E Services

A. M&E Services. In connection with the marketing and sale of the M&E (the "M&E Services"), Agent will:

- (i) develop an advertising and marketing plan for the sale of the M&E Assets;
- (ii) implement the advertising and marketing plan as deemed necessary or appropriate by Agent to maximize the net recovery on the M&E Assets;
- (iii) prepare for the sale of the M&E Assets, including gathering specifications and photographs for pictorial brochures and arranging the M&E Assets in a manner, which in Agent's judgment would be designed to enhance the net recovery on the M&E Assets;
- (iv) provide fully qualified and experienced personnel who will prepare for and sell the M&E Assets in accordance with the terms of this Agreement;
- (v) provide a complete auction crew to handle computerized accounting functions necessary to provide auction buyers with invoices and the Company with a complete accounting of all M&E Assets sold at the auction;
- (vi) oversee the removal of M&E Assets by buyers from the Properties;
- (vii) sell the M&E Assets for cash or other immediately available funds to the highest bidder(s) on an "AS IS," "WHERE IS" and "all sales are final" basis;
- (viii) charge and collect on behalf of Company from all purchasers any purchase price together with all applicable taxes in connection therewith;
- (ix) assist the Company and/or its advisors as necessary to obtain all required approvals and authorizations from the Bankruptcy Court with respect to any sale of M&E Assets contemplated herein, which assistance may include, without limitation, testimony at hearings before the Bankruptcy Court, attendance at depositions and/or the provision of declarations or affidavits

in support of M&E Asset sales; provided, however, time spent preparing to deliver testimony (whether in court or for purposes of a deposition), attending court proceedings, and delivering any testimony in court or during a deposition will be charged on a time and materials basis based on Agent's then prevailing hourly rates ("Testimony Fees"), which Testimony fees are not otherwise included in Agent's compensation set forth herein;

- (x) work with the Company and/or its advisors to prepare reports, statements, affidavits or similar documents required under Rule 6004 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") or any applicable local rule;
- (xi) collect Gross Proceeds generated by the sale of the M&E Assets and remit such proceeds to the Company by transferring them to an account as directed by the Company (the "Client Account"), (less any amounts due to Agent hereunder) within thirty (30) days after the sale of each M&E Asset. "Gross Proceeds" shall be defined as cumulative collected gross receipts from the sale of the Assets, exclusive of sales taxes and buyer's premiums or fees; and
- (xii) submit an initial sales report to the Company within fourteen (14) days after the sale of the M&E Assets and a final complete sales report to the Company within fourteen days after the end of the Term.

B. M&E Services Fees. In consideration of its performance of the M&E Services, the M&E Services Fee shall be eight percent (8.00%). Company agrees to store the M&E Assets at its Properties through the Term, if necessary, at no cost to Agent.

C. M&E Services Expenses. Agent shall market and sell the M&E Assets in various phases. Throughout these phases, Agent shall advance and shall be entitled to reimbursement by the Company for all M&E Expenses, regardless whether or not any M&E Assets are sold, provided that the M&E Expenses shall not exceed \$900,000 without the prior written consent of the Company and Equipment Term Loan Lenders (as defined in paragraph 17 the Debtor's cash collateral motion [Dkt. No. 40], and which expenses shall be recovered from the proceeds of the sale of M&E Assets only. "M&E Expenses" mean commercially reasonable and documented out-of-pocket expenses (on a cost plus 10% basis) for repair and refurbishment costs to be incurred solely to maximize the net sale proceeds as well as industry standard title transfer fees. In addition, within 10 business days from the Effective Date, the Company and Agent will agree upon a mutually agreed upon expense budget for transporting M&E Assets that Agent recommends marshalling for the purpose of centralizing the M&E Assets to as few locations as commercially reasonable to maximize buyer participation and convenience (it being understood that no M&E Assets will be transported unless it makes commercial sense to do so).

D. Rights of Debtors. Prior to any disposition of any M&E pursuant to private treaty sale for an aggregate purchase price in excess of \$1,000,000, the Parties will consult with respect to guideline pricing governing any such auction.

IV. Survival

Within ten (10) calendar days after expiration of the Term or earlier termination of this Agreement, Agent may provide the Company with a list of third parties (each, a “Prospect”) that Agent has engaged in negotiations with respect to the Assets covered hereunder. If Agent provides a Prospect list within the aforementioned period and within one hundred and twenty (120) days after the expiration of the Term of this Agreement or earlier termination (if applicable), the Company and one or more Prospects should enter into one or more written agreements to purchase all or any portion of the Assets, Agent shall be entitled to fee(s) calculated in accordance with the terms of this Agreement. Each fee shall be paid by the Company to Agent within five (5) business days after applicable closing between the Company and each Prospect. In no event shall tail fees be applicable with respect to purchases made by the equity holders of the Company or their affiliates.

V. Termination for Cause

Company may terminate this Agreement at any time for cause (including, but not limited to Agent’s fraud, gross negligence, willful misconduct or abdication of responsibility in fulfilling the Agreement). In the event of a termination for cause, no fees shall be paid to Agent other than any undisputed fees already earned and payable (including any related expenses) and Section IV hereof shall be of no force and effect.

VI. Company Undertakings

A. In connection with the Services to be provided by Agent hereunder, the Company hereby grants to Agent the following rights and authority:

- (i) The Company hereby grants Agent a limited license to use the name “BJ Services” and similar derivations thereof, and any marks and logos related thereto, but solely to the extent reasonably required for use in advertising and promotional materials related to Agent’s performance under this Agreement. The Company agrees to maintain and bear the cost of any existing security personnel on the Properties during the term of this Agreement. The Company acknowledges that Agent is not an insurer of the Company's personal property. Agent shall have the right to abandon at the Properties any M&E Asset not sold.

The Company shall be responsible for ensuring that the Company possesses and is in compliance with all Environmental Permits that are required for the operation of the Company's business. As used in this Agreement, "Environmental Laws" means all domestic, federal, provincial, state and local statutes, regulations, ordinances, rules, regulations and policies, all court orders and decrees and arbitration awards, and the common law, which pertain to environmental matters or contamination of any type whatsoever; and "Environmental Permits" means licenses, permits, registrations, governmental approvals, agreements and consents which are required under or are issued pursuant to Environmental Laws. The Company hereby agrees to defend, indemnify and hold Agent harmless from any and all claims, losses, damages and liabilities of any kind whatsoever which arise from or are in connection with any hazardous chemicals, pollutants, waste, solvents, or substances howsoever occurring found at the Properties or in the M&E Assets, Environmental Laws or Environmental Permits.
- (v) With respect to the sale of any M&E Assets located in the United States, the Company acknowledges that with respect to any export transaction involving any of the M&E Assets sold hereunder, and unless the Company and purchaser agree otherwise, BJ Services, LLC shall be the United States principal party in interest. Accordingly, the Company authorizes Agent to provide BJ Services, LLC's federal employer identification number ("EIN") to purchasers, their agents, customs officials, or similar parties for the purposes of completing a Shipper's Export Declaration form or any documentation necessary to facilitate the respective purchaser's export of the purchased Assets.

- (vii) With respect to the sale of any M&E Assets located in Canada, the Company acknowledges that with respect to any export transaction involving any of the Canadian Assets sold hereunder, and unless the Company and purchaser agree otherwise, BJ Services Holdings Canada, ULC shall be the Canadian principal party in interest. Accordingly, the Company authorizes Agent to provide to BJ Services Holdings Canada, ULC's business identification number ("BIN") to purchasers, their agents, customs officials or similar parties for the purposes of completing a bill of lading, commercial invoice, USMCA Certificate of Origin, Import/Export License or customs bond, or any other information or documentation necessary to facilitate the respective purchaser's export of the purchased Assets.

VII. Representations and Covenants of the Company and Agent

A. The Company represents and warrants to Agent and covenants that, subject to entry of the Retention Order (as defined below) and entry of a Bankruptcy Court order approving the sale of the M&A Assets: (i) the Company has all legal right and authority to sell the M&E Assets, (ii) the Company has taken all necessary actions required to authorize the execution, delivery and performance of this Agreement and the related documents contemplated hereby, and no further consent or approval is required for the Company to enter into and deliver the Agreement and to perform its obligations under the Agreement, (iii) other than the Retention Order, no court order or decree of any domestic, federal, provincial, state or local governmental authority or regulatory body is in effect that would prevent or impair, or is required for the Company's consummation of, the transactions contemplated by this Agreement, and no consent of any third party which has not been obtained is required therefore, (iv) Company has the authority to grant the limited license to Agent to utilize the Properties and to use the name "BJ Services" as well as marks and logos related thereto as provided for under this Agreement, (v) Agent shall have access to the M&E Assets and the Properties in accordance with this agreement; (vi) the M&E Asset representations and descriptions on Exhibit A are accurate, true and complete; and (vii) all M&E Assets are, or will be at the time of sale, free and clear of all liens, claims, and encumbrances of any kind whatsoever. Hilco Agreement

ASSET MARKETING AGREEMENT

This Asset Marketing Agreement (this “Agreement”) is dated as of the 6th day of August, 2020 (the “Effective Date”), by and between Hilco Valuation Services, LLC, Hilco Real Estate, LLC, Hilco IP Services, LLC d/b/a Hilco Streambank, Hilco Receivables, LLC, Hilco Appraisal Services CO., HRE Canada ULC, Hilco Industrial Acquisitions Canada ULC, and Hilco Receivables Canada ULC (collectively, “Hilco” or “Agent”), and BJ Services, LLC and BJ Services Holdings Canada, ULC (collectively, the “Company”). Agent is in the business of marketing and selling assets on behalf of its clients. The Company is the owner and possessor of certain assets and desires to engage Agent as its exclusive agent to sell such assets as more fully described herein. Therefore, in consideration of the covenants contained herein, Agent and the Company (individually, each “Party,” and together, the “Parties”) do hereby agree as follows:

I. Engagement and Agreement to Market Assets

A. The Company hereby engages Agent as its exclusive marketing and sales agent, and Agent hereby accepts such engagement, with respect to the marketing, sale, and disposition of the inventory (the “Inventory”) identified in Exhibit A attached hereto. The Company, in its sole discretion, may subsequently designate in writing any or all of the following categories of assets for marketing, sale, and disposition by Agent: (i) the Company’s owned and leased real property (each a “Property”, and collectively, the “Properties”); (ii) patents, patent applications, domain names, software and source code, URLs, telephone numbers, customer data including customer names, addresses, email addresses, transaction history and other demographic data captured and maintained by the Company, vendor data, franchise agreements, “IP” addresses, and license agreements, logos and assorted artwork used in marketing materials, and other contractual rights relating to the foregoing (collectively, the “Intellectual Property”); and (iii) outstanding trade accounts receivable for which the Company has the exclusive right to collect, except for those accounts receivable that are currently the subject of litigation (the “Receivables” and collectively with the Properties, Inventory, and Intellectual Property, the “Assets”). For the avoidance of doubt, except for the Inventory, none of the Company’s other assets shall be considered an Asset for purposes of this Agreement unless the Company expressly designates in writing that any such additional assets shall be marketed for sale by Hilco pursuant to this Agreement.

B. For purposes of selling the Assets, Agent shall market and sell the Assets in multiple phases utilizing private treaty, online, webcast, or public auctions, and such other sale strategies as the Parties mutually agree.

II. Exclusivity and Cooperation

In order to permit successful marketing and sale of the Assets, the Company grants to Agent the exclusive right to sell the Assets for a period beginning on the date of execution of this Agreement (the “Commencement Date”) and continuing for a period of twelve (12) months thereafter (such period, the “Term”). The Company acknowledges that Agent or its affiliated entities may be engaged to sell or market similar assets by other persons or entities, and that any such engagement shall not constitute or be deemed to be a violation of this Agreement. All

inquiries regarding the Assets made to the Company, its representatives or related parties to the Company, shall be redirected to Agent.

Agent understands that the Company is conducting the sale of the Company's cementing business (the "Cementing Business Sale") in accordance with the Order (I) Approving the Bid Procedures for the Sale of the Cementing Business, (II) Scheduling Bid Deadlines and an Auction, (III) Approving the Form and Manner of Notice Thereof, (IV) Approving Contract Assumption and Assignment Procedures, and (V) Granting Related Relief [Docket No. 224] and the sale of certain of the Company's fracking equipment and intellectual property (the "Fracking Equipment Sale") in accordance with the Order (I) Approving the Bid Procedures with Respect to Certain of the Debtors' Fracking Equipment and Intellectual Property, (II) Scheduling an Auction and a Sale Hearing, (III) Approving the Form and Manner of Notice Thereof, (IV) Approving Contract Assumption and Assignment Procedures, and (V) Granting Related Relief [Docket No. 223]. Agent agrees to coordinate and work in consultation with the Company's advisors to maximize the value of the Cementing Business Sale, the Fracking Equipment Sale, and the Inventory. Agent agrees that the Company may sell, at its sole discretion, any of the Inventory or other Assets in conjunction with the Cementing Business Sale, the Fracking Equipment Sale, or the potential sale of the Company's Canadian cementing business and that, in such case, Agent shall not be entitled to receive an Inventory Services Fee (or any other compensation) on account of any such sales.

Agent understands that the Company may engage Ritchie Bros. Auctioneers (America) Inc. and certain of its affiliates (collectively, "Ritchie") to market and sell certain of the Company's assets. If the closing of a sale is not completed for

any reason whatsoever, then no Real Estate Fee shall be due Hilco with respect to that sale, however, Hilco shall be entitled to the receipt of the Real Estate Expenses as detailed in Section IV.C below.

C. Real Estate Services Expenses. Hilco shall advance and shall be entitled to reimbursement by the Company for all Real Estate Expenses, regardless whether or not any Properties are sold, provided that the Real Estate Expenses shall not exceed \$50,000 without the Company's prior consent. For the avoidance of doubt, Hilco shall not be required to pay any fees or commissions that may be owed to the Company's previous real estate brokers not engaged by Hilco.

E. Preservation of Right to Reject Leases. For the avoidance of doubt, nothing in this Agreement will, or will be deemed to, impair, alter, limit or otherwise modify the Company's right to reject any Lease at any time pursuant to section 365 of the Bankruptcy Code.

C. IP Services Expenses. In connection with the performance of the IP Services, the Parties shall mutually agree upon a supplemental expense budget (“IP Services Budget”). VI. Receivables Services

In consideration of its performance of the Receivables Services, Hilco shall be entitled to payment based on the following commission structure (the "Receivables Fee"), which commission structure is contingent upon the aggregate amount of outstanding Receivables assigned to Hilco hereunder equaling at least \$45,000,000 on the Commencement Date. If the aggregate amount of Receivables accounts assigned to Hilco as of the Commencement Date is less than \$45,000,000, the Receivables Fee will be three percent (3.0%) of Gross Cash Receipts collected.

All invoices shall be due by the Company within seven (7) business days of receipt. To the extent Gross Cash Receipts are received directly by Hilco, Hilco shall remit corresponding net receipts to the Company (net of the Receivables Fee) as follows: (i) within seven (7) business days of receipt for amounts received totaling \$10,000 or less or (ii) two (2) business days for all other amounts. As used herein, "Gross Cash Receipts" means all payments received by the Company, the Company's agents or representatives, or Hilco on account of or as consideration for the Receivables from and after the date of this Agreement, regardless of source of such payments and regardless whether received (i) in cash, (ii) by draft, check, wire transfer, money order, or credit card, or (iii) as a result of or in connection with a demand letter or lawsuit.

C. Receivables Services Expenses. Except as set forth herein or as otherwise agreed to in writing (including email) by the Company, Hilco shall bear all costs and expenses

associated with providing the Receivables Services. If the Company retains (or directs Hilco to retain the services of) an attorney or law firm to collect, service, settle, and otherwise resolve a Receivables account, the Company shall be responsible for all costs and expenses of collecting, servicing, settling, or otherwise resolving each such Receivables account, including (without limitation) the fees, costs, and expenses of such attorney or law firm.

VII. Survival

Within ten (10) calendar days after expiration of the Term or earlier termination of this Agreement, Agent may provide the Company with a list of third parties (each, a “Prospect”) that Hilco has engaged in negotiations with respect to the Assets covered hereunder.
